# Beast Mode: Dinosaurs

Meet the beasts! Predators of the past roamed sky, land, and sea for millions of years. Some were fearsome in size, ability, feature—or all three! These beasts include huge dinos that crushed bone in one bite, a winged reptile that flew 80 miles per hour (129 kph), and a snake longer than a school bus. These ancient animals had massive claws, teeth, speed, or power. Beast mode: achieved. Includes two replica dinosaur teeth!

ISBN: 9781546198635

List Price: \$10.99

Age Range: 6 and up

Components: Book with two replica dinosaur teeth in a plastic petri dish

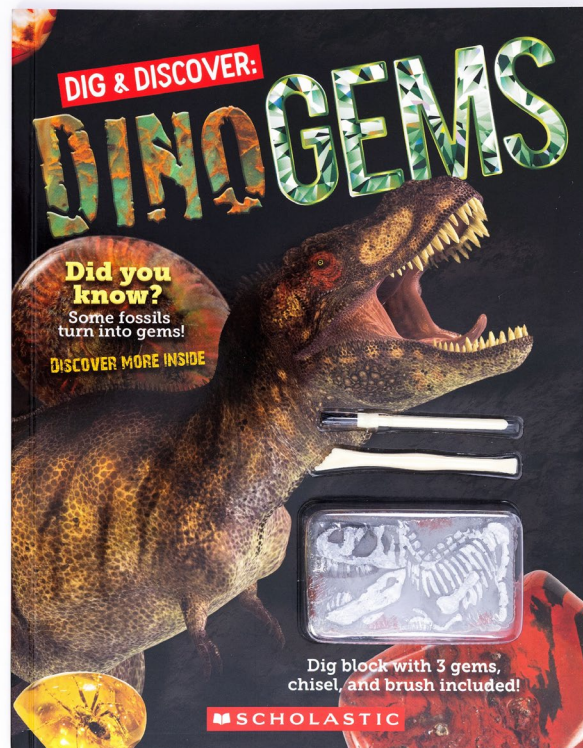

an imprint of

# Ultimate Predators

Predators are fierce, meat-munching animals that hunt, catch, and kill prey to feed themselves. Whether tiger or spider, eagle or croc, each predator uses all its tools, toughness, and tricks of the trade to kill, eat, and survive. Each is awesome in its own way, but which predator does it best? Is it a huge tiger with piercing teeth and slashing claws, an enormous eagle with a ripping beak and crushing talons, or a deep-sea squid the size of a school bus? Open these pages to discover who's competing to be the Ultimate Predator! Includes a tiger claw and grizzly bear tooth replicas!

ISBN: 9781546198673
