BLONDE
Our Iconic Signature Scent
Infuse your space with the effortlessly chic and sophisticated aroma of our signature scent, Blonde. This luxurious blend is crafted from 26 exquisite oils, harmonizing cool citrus notes that uplift the senses with a crisp, fresh burst. A warm musk undertone wraps the fragrance in a velvety embrace, while black pepper and cardamom add a hint of spice, creating a scent that is as intriguing as it is inviting. The perfect balance of freshness and warmth makes Blonde a timeless staple—elevating your home with effortless elegance.

JOSHUA TREE
Let the rugged beauty of the desert inspire you with Joshua Tree—a woody, grounding scent designed to transport you to the serenity of an open landscape. Sandalwood and cedar-wood create a rich, earthy base, evoking the depth of the sun-drenched wilderness. Vetiver adds a smoky, herbaceous edge, while amber wood brings a touch of warmth and sensuality. The result? A bold, yet calming fragrance that lingers in the air like a golden desert sunset.

CANYON
Step into the depths of nature's grandeur with Canyon—a scent that awakens the explorer within. The bright zest of fresh bergamot cuts through the air, mingling with the robust aroma of towering heirloom mahogany trees. As the scent settles, soft musk undertones drift in like a cool canyon breeze, adding an alluring warmth to this intoxicating fragrance. Every inhale is an invitation to journey through untamed landscapes, where adventure meets luxury.

PALM DESERT
Breathe in the fresh, invigorating essence of Palm Desert, a scent that captures the effortless beauty of an outdoor escape. Fir, cedarwood, and sandalwood create a rich, green heart, reminiscent of a tranquil retreat in nature. A whisper of soft musk adds a touch of warmth, while the subtle essence of piñon pine introduces a hint of sweetness. The result? A clean, airy, and sophisticated fragrance that feels like a cool breeze on a sun-kissed afternoon.

TULUM
Experience the ultimate in olfactory luxury with our latest creation of Tulum. Moroccan almond meets the vibrant, honeyed spice of saffron. Followed by the intoxicating sweetness of jasmine entwined with cedar, amber and musk providing a sensual yet rich woody note at an unforgettable depth. This is more than a fragrance; it's an adornment for the soul.

SWEET YUCCA
Unearth the enigma of Sweet Yucca with whispers of hidden blooms and sun-drenched earth. The intrigue of juicy plum and bergamot create a delicate romance with the intertwines of rose. The sophisticated depth of black tea and the sweet mystery of fig, all grounded by the earthy embrace of patchouli and the timeless warmth of cedar-wood create a woody floral fusion unlike any other.

MR. BLONDE
Meet Mr. Blonde—a fragrance that exudes raw attraction and effortless sophistication. The bold, primal essence of leather sets the tone, while night-blooming jasmine adds a sultry floral touch. Saffron brings a hint of spice, elevating the richness of black suede, which melts into the scent like second skin. The result? A dark, intoxicating aroma that oozes confidence, mystery, and undeniable allure—often referred to as "Sex in a Candle."
