A full-body photograph of a man standing in a snowy, industrial environment. He is wearing a dark blue, quilted jacket with a fur-lined collar and two vertical zippered pockets on the chest. Underneath, he wears a plaid shirt with a black, white, and grey pattern. He is also wearing black work pants and black gloves. In his right hand, he holds a large silver open-end wrench. The background shows a snowy ground and some industrial structures under a grey sky.
