THE HEART AND SOUL OF WISCONSIN

With a unique mixture of big city amenities and small-town hospitality, Central Wisconsin is the place to visit! Travelers in Wisconsin's heartland will be greeted with a rolling landscape of beautiful lakes, running rivers, lush forests, and picturesque bluffs. Outdoor lovers can partake in a diverse array of recreational activities in the various parks and hiking trails throughout the region.

Start your journey through the region with a visit to **Shawano County**, Wisconsin's Barn Quilt Capital. Take a drive through the pastoral countryside and go treasure hunting to view more than 365 barn quilts blanketing the county's well-preserved barns. The color hunt does not end there—a visual feast of thirty colorful Walls of Wittenberg murals adorning businesses and schools throughout the area are waiting for you. Attend art shows and other events throughout the year at a lovingly restored building known as the WOWSPACE, and view the nine featured sculptures in the nearby art park. After touring the countryside and the local art, head over to the Wolf River—

one of America's designated National Wild and Scenic Rivers—to plunge into an exhilarating white water rafting excursion in Class I to Class IV rapids. Check out shawanocountry.com to plan your next adventure and explore your wild side.

Head on over to **Wausau** and surround yourself with woods, lakes, and hills—the Wausau area is easy to find and hard to leave. Home to Granite Peak Ski Area, Rib Mountain State Park, and the Dells of Eau Claire, this destination speaks to the adventurer inside us all, anytime of the year. Wausau also features a thriving arts community, local festivals & events, and a diverse shopping and dining experience.

The journey does not end there, travel south on I-39 to the recreational playground of **Stevens Point**. Spend the day paddling and fishing in the backwaters and sloughs of more than 40 lakes, rivers, streams, and flowages in the area or biking along the twenty-seven mile Green Circle Trail circling the city. Make the connection between outdoor recreation and the arts when you take a stop

at the Stevens Point Sculpture Park. Stevens Point is the place to gather your family and enjoy everything from secluded country retreats to historic homes with modern comforts.

While you are in the area, you cannot miss your chance to visit **Wisconsin Rapids**. Just a half hour southwest of Stevens Point, cranberry country will entice you as you take a drive down the Cranberry Highway or tour a cranberry marsh. Enjoy an abundance of sports and recreation as you watch one of the area's exhilarating water-ski show teams and tour the vibrant arts community that celebrates culture and history. The natural beauty of the area makes this the ideal travel destination.

As you head downriver, the final stop on your grand tour will lead you to **Mauston**—an area with natural beauty and the retained charm of yesteryear. Visit some of the renowned wineries, cheese factories, and apple orchards in the area, then head outdoors for an adventure all year round. Spend your time in the early spring discovering buried treasures & untold mysteries from

the annual Castle Rock Lake drawdown—in anticipation of rising waters from melting snow, this flood control location is drained of its water to protect against a devastating overflow onto inland habitats and pedestrian areas. Before the lake fills back up again, walk out on the uncovered lake bed, discover fossilized wildlife or artifacts usually hidden underwater, and hunt for the silo rumored to be buried in the sea floor. Choose your adventure in the Greater Mauston area.

Whether you are looking to conquer the outdoors or relax in nature's beauty, the heart and soul of this great state is sure to entice you. Enjoy your vacation in the exhilarating Central Wisconsin region.

THE DELLS

Waterpark Capital of the World®

Lake Delton, Wisconsin Dells

MAKE A SPLASH IN THE DELLS!

Known as the “Waterpark Capital of the World®”, the Dells region is comprised of the city of Wisconsin Dells and the nearby village of Lake Delton along the banks of the Wisconsin River. Though small in scale, this area is mighty in heart and rich in history.

The landscape of the area has attracted tourists since the mid 1850s, but it wasn't until the late 1970s when **Noah's Ark Waterpark** opened in Lake Delton that the Dells became the waterpark mecca we know it as today. Other outdoor amusement parks and waterparks followed,

soon making the area the fulfilled travel destination. In 2005, the community officially became known as the “Waterpark Capital of the World®”.

Other area attractions include boat tours, zip lining, golf and mini-golf, go-kart tracks, water sports, and horseback riding. Since 1946, visitors have enjoyed rides on the famous DUKW vehicles called “ducks” which take riders on a fun adventure by land and water as they splash into the **Wisconsin River** and **Lake Delton**, as well as traversing miles of scenic wilderness trails.

With more than 8,000 hotel rooms and 3,200 campsites, there is an accommodation in the Dells for everyone! Waterpark resorts like the **Kalahari Resort**, **Wilderness Resort**, **Great Wolf Lodge**, and **Chula Vista Resort** are extremely popular for families visiting the area. Classic motels and B&Bs are also popular with visitors. Outdoor enthusiasts can choose from a variety of tent, RV, or cabin site rentals.

The fun doesn't stop when summer ends in the Dells! As home to some of the largest indoor waterparks, guests are invited to participate in scheduled activities

for children and adults, enjoy spa services, play a round of golf, and dine at an array of casual and fine dining establishments located at each resort. From toddlers to teens, everyone will have the experience of their dreams at one of the great lodging properties in the area.

Don't miss out on your chance to make a splash—schedule your next vacation to the Dells now!

Plan your getaway to The Dells today!

SAFE STAY IS UNITING THE HOTEL INDUSTRY AROUND CDC-REVIEWED HEALTH AND SAFETY PROTOCOLS

Hotels have CDC-based health and safety guidelines in place through the industry-wide “[Safe Stay](#)” program

The hotel industry launched [Safe Stay](#) an industry-wide, enhanced standard of health and safety protocols, designed in accordance with the Centers for Disease Control and Prevention (CDC) to meet the needs of the current public health crisis and assure both our guests and employees that hotels are safe. The standards of Safe Stay were developed under the guidance of an Advisory Council, comprised of industry leaders representing all segments of the hotel industry, and in conjunction with public health experts to advance best practices for protecting against the coronavirus. Learn more by visiting [AHLA.com/safestay](https://ahla.com/safestay).

“The Infectious Diseases Society of America has endorsed the hotel industry’s Safe Stay program because it sets comprehensive health and safety requirements necessary to meet the current public health crisis. With these rigorous standards, the hotel industry plays an important role in helping to reduce the risk of transmission of COVID-19.”

**Appleton, Cascade, Chilton, Elkhart Lake, Fond du Lac,
Grand Chute, Kohler, Little Chute, Manitowoc, Mosel,

Oshkosh is surrounded by inviting lakes and rivers while the historic downtown district offers lively entertainment, one-of-a-kind attractions, scenic waterfront dining, & more. See page 25 for more information.

DISCOVER LAKESIDE ADVENTURE & MORE

Featuring Lake Michigan & Lake Winnebago, the East Central region of Wisconsin takes adventure to a whole new level. From freshwater surfing to ice fishing and golf courses to museums, this area truly has something for everyone.

Start your trip with a visit to the **Manitowoc-Two Rivers** area, a coastal destination with a deep maritime history. Known as Wisconsin's "Maritime Capitol", Manitowoc's Wisconsin Maritime Museum captures the history of the city on Lake Michigan and the entire great lakes region. Learn about Manitowoc's shipbuilding past and submarine efforts during WWII while exploring the museum. After a day of history, head over to Neshota Beach to enjoy the refreshing breezes off Lake Michigan or explore the State forest, 3,000 acres of campgrounds, trails, beaches, and the scenic Rawley Point Lighthouse.

On your way to discover the rich history of East Central Wisconsin, be sure to journey through **Sheboygan**—nicknamed the "Malibu of the Midwest" due to its endless popularity for paddle boarding, surfing, kiteboarding, windsurfing, sailing, and kayaking. Adventure doesn't end on the water! After a day of hitting the waves, make your way over to the **Whistling Straits** golf course—future home of the Ryder Cup (to be hosted on Sept. 21-26, 2021). Prestigious courses such as Whistling Straits and **The Bull at Pinehurst Farms** have secured the Sheboygan area as one of the top golf destinations in the world.

After conquering the shoreline of Lake Michigan, head over to Elkhart Lake, a summer resort town turned into a year-round travel destination. While you're there, enjoy a stay at **The Osthoff Resort**. Nestled along the shoreline of the pristine Elkhart Lake,

this AAA Four Diamond property features spacious suite accommodations, lake view restaurants, and Aspira Spa. With 500 feet of private beachfront and seasonal live music events on the lakeside deck, no wonder the 2019 Readers' Choice Awards for the *Condé Nast Traveler Magazine* ranked this resort as #5 in the "Top Resorts in the Midwest" category.

This pristine getaway is just what you need before venturing to the next destination you are sure to love—the **Fox Cities-Greater Appleton** area. This group of cities is comprised of nineteen distinct, vibrant communities known for original spaces, places, and experiences along the Fox River and Lake Winnebago. With scrumptious food, one-of-a-kind shopping, adventure-ready outdoor spots, and illuminating arts, culture, and events, you will be inspired to "find your original" while exploring the area.

A CONTAGIOUS SPIRIT “UP NORTH”

Head “Up North” to discover the sites and amenities of Northeast Wisconsin. Travelers have many options for accommodations including cabins, RV rentals, tent camping, and resorts. Home to renowned Wisconsin lodges and resorts, the area invites guests to enjoy the outdoors and experience Northwoods living. The lakeside location provides adults with much-needed relaxation while kids enjoy outdoor excitement and adventure, making this destination perfect for quality family time.

When in the Northeast, you cannot miss stopping at the stronghold for the smallest city in the U.S. to host a National Football League team—**Green Bay**. The area pride however, does not end with football—Green Bay has many fun activities to do. Take a day and go on a tour of Hinterland Brewery or

Titletown Brewery. Bring your family and visit the Children’s Museum of Green Bay, the National Railroad Museum, or the Bay Beach Amusement Park. There are plenty of outdoor recreation activities for you to tackle, as well as exploring the Brown County Reforestation Camp and climbing the observation tower for breathtaking views. With an entrepreneurial atmosphere from industrial parks to shopping districts, there is so much for you to explore in Green Bay.

Travel further into the region to visit the home of the World’s Largest Chain of 28 Connected Lakes, and be sure to stop in Eagle River. While you are there, you cannot miss **A1 Gypsy Villa Resort**—a nostalgic resort that offers the true Northwoods experience. A1 Gypsy Villa Resort is perfect for your socially-dis-

tanced staycation as each cabin includes its own lakefront and private pier, with many cabins located on a 100-acre island. Pontoons are even available for you to take out, with your choice of packaging it with the cabin or as an addition at a reasonable rate. Each guest receives personalized attention & all ages will enjoy their stay at this ideal Northwoods property.

Escape even deeper into the Northwoods by traveling over to **St. Germain**. Bring your appetite and visit some of the remarkable local restaurants, bars, and breweries that are ready to entertain. Once you have had your fill, adventure into the outdoor paradise surrounding you with abundant lakes and rivers, tall pines, and nothing but starry skies. In St. Germain, you will never miss an opportunity to stay active

all day on the water or trails.

Round out your trip to the Northwoods by discovering the fresh air, sparkling lakes, and abundant wildlife at one of the four-seasons resorts in **Rhinelanders**. When you stay in Rhinelanders, you will wake up to peaceful mornings on tree-lined lakes, surrounded by the sounds of nature. This Northwoods location is perfect for family vacations or relaxing getaways. You cannot pass up your chance for the incredible Rhinelanders experience.

Grab your keys and begin your journey to discover the contagious spirit and personality “Up North.”

Plan your next getaway to
Northeast Wisconsin today!

This outdoor and wilderness lover’s paradise is a short enough drive to remain easily reachable, but far enough outside of major metros to truly feel like you’re escaping into the woods.

The Heart of Vilas County Trail awaits cyclists looking to explore a new path, and top-quality ATV and snowmobile trails await visitors looking for a rush, no matter the season.

Pack up the car, load up your family or friends and escape to your Northwoods adventure.

Wisconsin's nickname is

“THE BADGER STATE”

Miners dug tunnels into hillsides searching for lead ore in the 1800's and often lived in abandoned mine shafts, reminding people of badgers.

On **June 20, 1957**, the badger was officially adopted as the state animal of Wisconsin.

ENDLESS POSSIBILITIES AND HISTORICAL DISCOVERIES

Rich in history, abounding in culture, and filled with family fun, the South Central region of Wisconsin is bursting with some of the state's most unique travel destinations. In a place of endless prosperity, you are sure to find a thriving combination of urban opportunities and rural, unspoiled natural beauty.

The region's deep-rooted history and traditions come alive in **Beloit**—the midpoint of the Rock River Trail. Equipped with a rich cultural history, Beloit is home to the state's oldest continuously-operating college (Beloit College), was a way station on the Underground Railroad, and made its mark as a major player in the Industrial Revolution. Beloit is a city that honors its industrial past while fully embracing downtown revitalization. Today, visitors are welcomed by a bustling downtown with a first-class riverwalk, eclectic shops, unique dining establishments, and a wide variety of great hotels. Adventures of all kinds are forged in Beloit.

As you travel further north on I-90 through the rolling hills, rich fields, and scenic woodlands of South Central Wisconsin, you will discover there is no place quite like **Janesville**. Recharge your spirit in Janesville's beautiful parks and recreational areas, take a tour of one of the city's thirteen historical districts, and visit the downtown community where commerce, culture, entertainment, and history intersect. Janesville is the perfect place to immerse yourself in live theater or enjoy the awe-inspiring beauty of the award-winning botanical gardens before you hit the road to the next stop on your enriching getaway.

Did you really visit South Central Wisconsin if you don't take a trip to the state capitol in **Madison**? With a city as vibrant as its people, there is something here for everyone. Located on an isthmus and other land surrounding five glistening lakes—Lake Mendota, Lake Monona, Lake Kegonsa, Lake

Waubesa, and Lake Wingra—there is no shortage of ways to get in and on the water. If you'd rather have solid ground under your feet, venture along the biking and hiking trail system that spreads more than 200 miles—Madison was recently ranked among the best cycling towns by USA Today. Recreation not on your agenda? Catch an outdoor concert in the summer or visit the nation's largest producers-only market at the Dane County Farmers Market on the Capitol Square. From roadside motels to luxury hotels, this enticing city has options to accommodate all travelers on their Madison minication.

While traveling to the Madison area, be sure to make a stop in Mount Horeb, the Troll Capital of the World. You cannot miss staying at the award-winning **GrandStay Hotel & Suites** and visiting their very own troll named Tormund. Your themed getaway does not end there—book one of their enticing packages, such as the Troll Hunter

Package, for an adventure through the village, or select the Grand Romance Package if you are looking to make your celebration special. Stay onsite and enjoy the hotel's indoor pool and hot tub or head out to explore the nearby trails that are great for hiking, biking, snow shoeing, and so much more. Alongside the trolls of Mount Horeb comes a commitment to providing safe & clean accommodations. GrandStay offers spotless rooms and suites to make your stay as comfortable and refined as possible.

Head off into a region of endless possibilities and historical discoveries when you visit South Central Wisconsin!

SOUTHWEST

La Crosse, Wisconsin

**Alma, Black River Falls, Fennimore, Fountain City, Hillsboro,
La Crosse, La Farge, Norwalk, Onalaska, Pepin, Platteville,
Prairie du Chien, Sparta, Tomah, Warrens, Westby**

DREAM BIG IN THE DARING DRIFTLESS AREA

Home to rolling hills, lush valleys, and majestic rivers, the Southwest region of the state is full of experiences you won't want to miss. As part of the state making up the majority of the Driftless Area, the rugged terrain in this region is distinct from the rest of Wisconsin. The steep ridges, numerous rock outcroppings, and deep, narrow valleys in the Driftless Area are marked in contrast with the rest of the state, where glaciers have modified the landscape.

Start your trip to the Southwest with a visit to the oldest European settlement on the Upper Mississippi River: **Prairie du Chien**. Located just above the confluence of the Mississippi and Wisconsin Rivers, this city is history buff heaven with the annual Prairie Villa Rendezvous on St. Feriole Island, a historical reenactment of the fur trade rendezvous that happened in the area centuries ago. Wildlife

lovers will not want to miss viewing the bald eagles in Prairie du Chien. The area is along the migration route and a normal wintering area for these birds on the Mississippi River valley. Spend the day cruising the river on a tour boat and learning about the area or taking a trip to Prairie Fun Land and driving bumper cars with your family.

After your historical visit, head north on **Great River Road**—Wisconsin's only national scenic byway that extends 3,000 miles along the Mississippi River intertwining with ten states and thirty three historic Wisconsin towns. Take in the beauty while sightseeing by car or by boat, taste original creations at local restaurants along the riverbanks, and uncover knowledge as you pass through towns packed with intriguing history.

The Great River Road trail will lead you to your next stop to

explore **La Crosse**. From cozy bed & breakfasts to luxury suites, locally owned riverside eateries to downtown restaurants, the region is bound to be enjoyed from sunrise to sunset. Get outdoors and explore miles of ancient bluffs to unique bridges—this area features a plethora of breathtaking landscapes for your next adventure. Grab a kayak and cruise the Mississippi, board a paddle wheeler for sightseeing, or go bike the trails for a challenge. Explore everything this area has to offer.

Nestled in the Kickapoo Valley of Southwestern Wisconsin, **The Kickapoo Valley Ranch Guest Cabins** of La Farge are some of the finest accommodations in the Midwest and a 2020 Travelers' Choice Top 10% award on TripAdvisor! Surrounded by 8600 acres of forest preserve, the eight individual guest cabins are luxuriously appointed, pristinely kept, quiet, and private.

The rolling hills, the stunning vistas, and the horses and llamas are all here to make your stay as relaxing and rejuvenating as possible. This breathtaking setting is perfect for hiking, biking, canoeing, fishing, bird-watching, horseback riding, cross country skiing, snowshoeing, and overall relaxation. Trip Advisor reviewers agree—there is no place like Kickapoo Valley Ranch Guest Cabins.

Dare to dream big in the Driftless Southwest Wisconsin region!

Plan your getaway to Southwest Wisconsin today!

AVOID SHADY DEALS. LOOK BEFORE YOU BOOK.

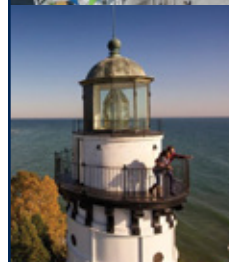

BOOK SMART  **BOOK DIRECT**

Technology has transformed the way guests book their hotel rooms. New research suggests online booking scams and fraudulent travel websites continue to mislead travelers. That's why WH&LA joins with the American Hotel & Lodging Association to encourage travelers to avoid shady deals by searching smarter.

Book directly with the hotel or a trusted travel agent. This can help ensure you get what you want and need from your reservation and often provides the better value. Use the 2021 Wisconsin Lodging Directory to book your stay directly.
