Board Member OF THE YEAR

HEATHER LAPOINTE

Our Chamber is governed by 12 outstanding board members that oversee the success of the Chamber.

Each year the board of directors' elects one outstanding board member that is recognized for their exceptional characteristics and ability to go above and beyond the call of duty.

This person is extremely generous with her time and energy, not only with the chamber and it's many activities, but she is also just as dedicated to her family, loved ones and job as well.

If she is called upon for even the smallest task or even asked to fulfill larger responsibilities, she is more than willing to devote her time to whatever is asked of her without hesitation.

She is active in all the Chamber Event planning and remains a vital part throughout the events. She is new to the Chamber but not to volunteering and coming up with great ideas for our community with a smile on her face. She is an awesome person and very deserving of this award.

Congratulations!

GARY KERSH

When you think about what it means to be Brazoria's Man of the Year, you think about someone who gives his time, supports his neighbors, serves his community, and is always willing to step up when something needs to be done.

That man is Gary Kersh.

Gary is a lifelong Brazoria resident, local businessman, public servant, volunteer, husband, father, grandfather, great-grandfather, and friend to more people than we could probably count.

Many know Gary through his businesses — G&H Wrecker, S&S Wrecker, and G&H Cars. But his commitment to Brazoria reaches far beyond his businesses.

Gary is a Lifetime Member of the Brazoria Heritage Foundation, serves on the Board of Directors for Friends of the River, serves on the Board of Directors of the Brazoria Chamber of Commerce, serves on the Board of Directors for Action S, and is President of the Brazoria Lions Club.

For an incredible 29 years, Gary served the citizens of Brazoria on the City Council. Today, he continues his life of public service as Chief Administrator for Commissioner David Linder.

**GARY
KERSH**

Somehow, after all of that, Gary still finds the time to be the guy you see at community events selling snow cones, lending a hand, helping behind the scenes, and putting in countless hours wherever he is needed. That may say the most about Gary. Service to him isn't about a title or recognition. It is simply what he does.

Behind Gary is a family he is incredibly proud of — his wife, Judge Sherry Kersh; his children, Bradley and Ashley Danford; his grandchildren, Kameron, Cole, and Courtney; and, of course, the apple of his eye, his great-granddaughter, AvaLynn Danford.

Family to Gary has never been defined by a last name or a family tree. Rob and Nicole Bragg and their children hold a very special place in Gary and Sherry's lives. They may not be family by blood or on paper, but anyone who knows them knows they are family in every way that truly matters.

Anyone who knows Gary also knows AvaLynn holds a special place in her Peepaw's heart. There isn't much that little girl could ask of her Peepaw that she wouldn't get — and I think we all know it.

Gary has spent decades helping make Brazoria a better place to live, work, raise a family, and call home. His impact can be seen in our businesses, our organizations, our local government, our events, and most importantly, in the people he has helped along the way. Twenty-nine years on City Council alone would be an extraordinary legacy of service. But for Gary, that is only one chapter in a lifetime of giving back.

Brazoria isn't simply where Gary Kersh lives. Brazoria is his home. His community. His family. He's spent his life taking care of it.

Congratulations!

Woman OF THE YEAR

SUSAN HARANG

The Woman of the Year award is intended for an individual who portrays characteristics such as leadership, involvement, hard work, and dedication throughout her community.

The person selected by member vote as the 2026 Woman of the Year definitely has all those characteristics mentioned and more. Even though she is too humble to admit it, she has served diligently within our community since she moved here in 1980.

Her parents are both from West Columbia, Texas, so when she moved here, she actually had more relatives than her husband, who was born and raised in Brazoria. Once settled in, she made Brazoria her home. She started teaching immediately at Columbia-Brazoria ISD in 1980 and taught there for 35 years until she retired in 2015. Married to her husband, Randy Harang, in 1981, she and her husband have been blessed with two children and 3 grandchildren. 45 years now and still counting!

Woman
OF THE YEAR

**SUSAN
HARANG**

She has been involved in multiple organizations throughout Brazoria, serving on the Brazoria Chamber of Commerce board and helping with events for years, including the Chamber Banquet, Miss Brazoria Pageant Contest, Christmas in Brazoria, and the No Name Cook-Off, and still counting, even when not on the board. Also, serving on the Brazoria Heritage Foundation with all their events too.

Whether it was checking grammar, voicing an opinion, providing a helping hand, donating money, an auction item, or volunteering her time, she has always been behind the scenes, helping organize to make it happen.

She retired again in December 2023, alongside her husband, from the Brazoria Lumber Yard. Brazoria Lumber Yard was one of the oldest businesses in town and also one of the first charter members of the Brazoria Chamber. Since her retirement, she is still volunteering her time to her community.

Congratulations!

Business/Organization OF THE YEAR **BRAZORIA COMMUNITY LIBRARY**

The Business / Organization of the Year award is nominated by our chamber members based on specific criteria. To be nominated for this award, they must be a chamber member, demonstrate excellence in the community, and exemplify integrity, quality, and a positive reputation within the community. The organization chosen for this award meets and exceeds these criteria and so much more.

In 1974, members of the Brazoria Study Club began raising funds to establish the Brazoria Community Library. The original library opened three years later, and in March 1994 it moved to its current location at 620 South Brooks, sharing the building with the Brazoria Historical Museum. When the building was remodeled in 2006, the museum relocated to the old Brazoria Elementary School, allowing the library to expand to its present size. The Brazoria Community Library Association owns and maintains the building—an arrangement unique among Brazoria County library branches.

Business/Organization

OF THE YEAR

BRAZORIA COMMUNITY LIBRARY

The Brazoria Library is one of the most colorful branches in the system. Its main library and meeting room walls are covered in murals created by two local artists, showcasing Brazoria's rich history from 1528 to the present day. The children's area has been transformed into a life-sized rendition of the storybook *The Giving Tree*, complete with an actual treehouse for children to enjoy.

Today, the Brazoria Community Library sees the highest foot traffic on this side of the Brazos River. Its staff is always welcoming, with smiling faces and ready to assist in any way they can. They offer lots of fun and engaging programs throughout the year for kids and adults of all ages, such as story time and multiple reading challenges, even during summer.

When you don't see them at the library, you can find them at all Brazoria Community events: March Celebration, No Name Festival, Celebrate America, Christmas in Brazoria, and most recently, they have teamed up with the Brazoria Chamber of Commerce and successfully held and participated in some new events: "Fill Your Backpack" Trunk or Treat and Chamber Breakfast Meet and Mingle. The library remains an essential part of the community and now offers far more than just books—patrons can check out unique items such as pressure washers, tools, bicycles, and so much more.

We are so grateful to have the Brazoria Library as a part of our community and hope they continue growing and serving the Brazoria community for many years to come.

Congratulations!
