

FROM THE PASTOR'S DESK

It has been an amazing summer! From our Dominican Republic mission trip to youth camp to VBS to children's camp to beach baptism and all the other kingdom building moments in between, it has been a whirlwind two months. We serve a loving and compassionate God, and we are so blessed to serve Him together in this place!

While the summer is always filled with big, meaningful events, we need never to minimize the power of the little moments as well. This month we will be more focused on making time to have moments with Jesus.

I typically pray and think about the direction of Sunday mornings well in advance. So, in late May and early June, I began praying about sermons for August and into the fall. One of the passages and themes that kept bubbling up in my heart was John 15 and the image that Jesus used of the vine and branches. He says repeatedly in this passage that we are to abide or remain in Him. So, this idea was on my radar as a possible theme for a sermon series.

Then I spent a few days at youth camp with our students in mid-June and guess what the theme for the week was - - you guessed it - ABIDE. And while at camp, one of our members sent me a link to a podcast he had done where he was interviewed about what he has been walking through for the past several months. One of the statements he kept making was he was having to learn what it really means to abide in Christ. As I lay in my bunk at camp after lights out and listened to this podcast, it became obvious that abiding in Christ is what God was leading me to preach about.

So, the Sundays in August will be focused on what it means to abide in Christ and how we go about it. I hope you can be with us each week as we look at this important calling. We will kick it off by hearing from Scott Lawson and some of his story that he shared on the podcast I referenced.

You won't want to miss a Sunday!

Be blessed!

Brian
