STONEBRIDGE SCHOOL

A Year of Impact

Every school year tells a story. As I look back on the 2025–2026 school year, I am grateful for the many ways God faithfully worked through the lives of our students, faculty, and families. Because of our generous supporters, we all have much to celebrate.

This past year was marked by growth, perseverance, and purpose at StoneBridge School. Our theme, “Summit: Forged for the Climb,” rooted in 2 Peter 1:3–11, challenged our students to embrace the journey of becoming who God has called them to be.

That theme came to life all year. Through intentional discipleship in our Lower and Upper School chapels, students were encouraged to grow in their faith and live it out each day. On the field, track, and court, our athletic programs enjoyed a successful year while giving students opportunities to develop discipline, teamwork, perseverance, and character. In the classroom, spring testing results showed students performing above national averages at every grade level. In high school, more than 70% of eligible students earned membership in the National Honor Society. We also celebrated seven students honored by the College Board and 20 recognized as AP (Advanced Placement) Scholars for their outstanding academic achievement.

None of this could have happened without the people who invested in StoneBridge. We are deeply grateful for our community of families, alumni, grandparents, businesses, and friends who gave their time, talents, resources, and encouragement. Your generosity made a lasting impact on our students and ultimately our nation.

Because of the generosity of donors like you, more families had the opportunity to experience a StoneBridge education. In 2025–2026, more than one in four students received some level of financial assistance, and your support helped us exceed our giving goal for the Children’s Tuition Fund. As a result, even more students and families were able to benefit from the life-changing education and Biblically-centered community that StoneBridge provides.

Thank you once again for helping StoneBridge continue the climb. We humbly ask that you continue your financial investment in helping forge students who are prepared to lead, serve, and live with purpose.

Sincerely,

Sara Gainor, SBS Director of Advancement

For Shaping What Comes Next

“ Our goal is for every graduate to leave StoneBridge equipped not only with knowledge, but with character, faith, and a sense of purpose. They are the true measure of our school's success. We invite our community to continue partnering in our shared mission. Reaching the summit is never a solo climb; it is a journey we take together. Thank you for being part of this incredible school.”
