Senior
Services
FOR SOUTH SOUND

ENHANCING THE QUALITY OF LIFE FOR PEOPLE AS THEY AGE.

Founded in 1973, Senior Services for South Sound has been dedicated to supporting people in our community for more than 50 years. Our mission is simple: Enhancing the quality of life for people as they age.

Our programs and activities include Brighter Days Adult Day Program, Meals on Wheels, Senior Community Dining, Senior Transportation, Supportive Services, Health and Wellness Programs, Trips & Tours Program, Adult Learning, and Independent Living Programs.

The largest program we offer is our Senior Nutrition Program, provided in both Mason and Thurston counties. This program alone provides more than 150,000 meals each year to well over 2,500 individual seniors.

We are proud to provide dozens of activities at the Virgil Clarkson Lacey Senior Center and the Olympia Senior Center.

Dear Senior Services for South Sound supporters,

Welcome to this report on the mission achievements and activities of 2025. **Thank you for making this another great year for our work in the community.** Together we enhanced the quality of life for so many folks in their older years, and what a beautiful thing to strive towards. Look inside and learn more!

2025 saw us conclude our prior strategic plan, and undertake a new round of planning to produce the next set of goals to guide our efforts from 2026-2028. Looking back, we feel good about accomplishing so much in our prior years, and we continued to make great strides in the financial and programmatic health of the organization in

2025. We ended 2025 with a healthy operating margin, and made important investments in our endowments and reserves to help ensure long term financial resiliency for our mission that should exist in perpetuity!

Aside from finances, we would not get very far without our human capital. We are obviously an organization of people, for people, and about people. **We are a people-centered entity!** We don't make toasters or hair products, we feed and educate people and help people be fit and active. In 2025 we engaged with more people than ever before, and this is a credit to our staff and volunteers.

With something over 400 active volunteers throughout the year, we have folks from most every walk of life helping us perform our mission. While we thank them, they are very quick to thank us in return. **It seems every time I thank a volunteer, they turn it around and give it back.** Isn't that the truth of it? We are grateful, and they are grateful. They say they love volunteering because it gives them a reason to get up and out of the house. They say they love giving back. They appreciate the people they work with. It's their extended family.

Lastly, I must give kudos to our Board of Directors, who volunteer their time and expertise to make us better and hold us accountable. Being a good board member takes time and effort. We have a board that brings diverse skillsets, different personalities, and come from different generations. When together, they listen well, play well together and keep our mission front and center.

If we are only as good as our people, then we are truly an exceptional 501(c)(3) nonprofit organization. Thank you for donating, for volunteering and for caring about the work we do together to make South Sound a wonderful place to retire and age.

Senior Nutrition Program

More than a meal. A daily connection.

In 2025, our Senior Nutrition Program continued its mission of supporting older adults through nutritious meals, social connection and dependable services across Thurston and Mason counties.

Through our Meals on Wheels and Community Dining programs, thousands of people received nutritious meals and meaningful social interaction that helped them maintain their health, independence and quality of life.

At our six Community Dining sites, older adults gathered regularly to enjoy healthy meals in a welcoming environment. For people who are homebound or unable to travel, Meals on Wheels remained a vital lifeline. Along with nutritious food, each delivery provided a friendly visit and wellness check that many people look forward to each week.

Volunteers

A mission. A reason.

Selfless community members remain at the heart of everything we do. In 2025, 470 dedicated volunteers contributed 46,444 hours of service to support older adults throughout our service area.

Volunteers play an essential role in nearly every aspect of our work. They deliver meals to those who are homebound, provide transportation to medical appointments and essential errands, assist at our centers, support fundraising events and lend their skills to countless projects behind the scenes. Their contributions help ensure that the people in our community can access the services, resources and friendships they need to age with dignity and independence.

For many volunteers, service is also a meaningful way to stay engaged, build relationships and remain connected. In fact, many of our volunteers are older adults themselves, bringing valuable life experience and understanding to every interaction.

Every hour donated represents a commitment to helping others. We are grateful for the volunteers who share their time and talents to advance our mission and make a lasting difference in the lives of older adults every day.

Trips & Tours

Journeys that build community.

A major milestone for Trips & Tours came with the addition of a new 24-passenger bus, made possible through the generosity of Linda and Ron Moon and many other dedicated donors. This significant investment strengthens the program's ability to provide safe, comfortable and reliable travel experiences for years to come.

In addition to local and regional excursions, Trips & Tours partnered with two travel agencies to offer Extended Travel opportunities to destinations across the United States and internationally. These partnerships enabled 28 patrons to see visit bucket list destinations and experience the larger world around us.

The program plays an important role in fostering social connection. Many participants take multiple trips throughout the year, developing friendships and a sense of community with fellow travelers.

Activities

Where community thrives.

With 244 unique activities and 6,181 hours of instruction, our Activities program provided countless opportunities for older adults to learn, connect and stay engaged.

From fitness and wellness programs to arts, games and educational opportunities, Activities offers something for every interest and ability level. These programs support lifelong learning while encouraging participants to maintain their physical, mental and social well-being.

Beyond the activities themselves, the program helps foster a strong sense of belonging. For many members, the friendships formed through shared experiences are just as valuable as the classes they attend. Whether joining a group for the first time or reconnecting with familiar faces each week, participants find a welcoming community where meaningful connections can flourish.

In 2025, 1,909 members participated in Activities programs, helping create a vibrant community where older adults can continue learning, growing and thriving together.

YOUR SUPPORT MAKES THIS POSSIBLE.

Because of people like you, seniors in our community receive meals, rides and a caring connection that help them remain healthy and independent!

VOLUNTEER

Lend your time and talents. Whether it's delivering meals, driving seniors or simply offering companionship, every hour makes a difference!

BECOME A MEMBER

Join a vibrant community of seniors who learn, connect and thrive together! Membership supports our mission and gives you access to exclusive perks.

DONATE

Your gift fuels programs that keep seniors healthy, engaged and independent. Give once, or make it monthly to keep the impact going strong.

SENIOR SERVICES FOR SOUTH SOUND
222 COLUMBIA ST NW
