Stings Set for New Season Test

BILL HARDY

Sheffield Steelkings' development side open their 2026 British Para Ice Hockey League campaign later this month with a home clash against Peterborough Phantoms.

The Steelkings B-team, the Stings, will take to the ice at iceSheffield on 30 May, looking to make a strong start after a difficult 2025 season.

The Stings endured a frustrating campaign last year, finishing without a victory and missing out on the playoffs for a second consecutive season.

But hopes are high of a turnaround in 2026, with the side targeting a return to the end-of-season competition alongside the club's senior team.

As a development squad, the Stings regularly introduce new players to the sport, and several members of this year's team are set to experience British League action for the

first time.

That youthful element is balanced by added experience this season, with Jake Oakley and Barry Grayson both stepping down from the senior Steelkings squad to bolster the line-up.

Their presence is expected to provide leadership on the ice and help guide a new generation of players through the demands of league competition.

The opening test, however, is a challenging one.

Peterborough Phantoms finished runners-up in both the league and playoff competitions in 2025, losing out to the Steelkings A-team on both occasions.

They will again be among the favourites to challenge for the British Para Ice Hockey crown and will be aiming to start their campaign with a win in Sheffield.

With both teams undergoing changes over the off-season, the outcome is far from certain, and the Stings

will be eager to take advantage of home ice.

An early victory could set the tone for their season and provide the confidence needed to mount a sustained push up the table.

Supporters can follow the Steelkings' progress throughout the campaign with their dedicated weekly column in South Yorkshire Sport, bringing regular updates and insight from inside the club.

£5,000 boost from Crook book

More than £5,000 raised by a book celebrating South Yorkshire football scout Mark Crook has been shared between two good causes.

Feeding The Wolves, written by Ashley Ball and Chris Brook, tells the story of Crook’s groundbreaking work with his Wath Wanderers feeder side, which supplied Wolverhampton Wanderers with a stream of talent across almost four decades.

The book charts how Crook identified players who would go on to make a major impact in the professional game, including Roy Swinbourne, Ron Flowers, Steve Daley and Alan Sunderland.

Sales have now generated £5,076, with the total split between Wolves Foundation, the headline sponsor of the project, and Brampton United FC, who play on the same pitches once

used by Crook’s teams. Ball and Brook have presented cheques to both organisations, marking the success of a project which has combined football history with community impact.

Ashley said it was a special moment to return to Molineux for the handover.

“It was an honour to go back to Molineux and hand over a cheque that we know is going to go to incredible projects in the Wolverhampton area.

“Even to myself and Chris, as outsiders from Yorkshire, it’s very clear that Wolves Foundation has a huge impact in the region and all their projects are cherished, needed and well-attended.

“Brampton United are providing a safe and welcoming environment for youngsters to learn the game and are valuable in their own community.”

The Wolves presentation was attended by former players Steve Daley, Bob Hatton and Gerry Taylor, along with Yvonne Flowers and her grandson Harry, representing the family of England World Cup winner Ron Flowers.

Wolves Foundation’s Head of Business Development, Kieron Ansell, praised both the fundraising and the historical significance of the book.

“As soon as Chris and Ashley approached us with details of the book about Wath Wanderers, we were delighted to show our support by becoming main sponsor,” he said.

“Not only has Feeding The Wolves raised a fantastic amount to support the work of Wolves Foundation, it is also such a valuable piece of work in documenting a key part of the club’s history.”

Back in South Yorkshire, a second presen-

tation was made at Brampton United, where Crook’s legacy continues to be felt.

Jane Whitlam, Crook’s granddaughter, attended alongside club chairman Adam Hardware, who said the funding would directly benefit grassroots football.

“It was great to welcome Ashley and Chris

back to the club and accept a big total from their sales,” he said.

“The money will be put to good use and help us to provide a safe and encouraging place for them to develop their skills.

“It’s not about making the next superstar here necessarily. We want kids to enjoy their football and for Bramp-

ton United to be a big part of our community.”

City set schedule as clubs regroup

Non-league clubs across South Yorkshire are already gearing up for 2026/27 with pre-season plans, new appointments and preparations already well underway.

Handsworth have wasted no time getting back on the grass following the end of the campaign, with the management trio of Dave “Froggy” Frost, Sam Ward and Tom “Thomo” Thompson preparing for their fourth season in charge.

The Ambers continue to highlight steady progress year on year, and despite what has effectively been a non-existent break, planning is already in full swing. Recruitment discussions, squad development and off-field work are ongoing as the club looks to build on recent momentum.

There is also a clear push behind the scenes to strengthen the club’s foundations, with Handsworth openly encouraging local businesses and sponsors to come on board and support their journey moving forward.

Doncaster City have also been quick out of the blocks, announcing a well-structured pre-season schedule as they prepare for their second

campaign in NCEL Division One.

They start with a challenging opener away at Handsworth on July 1 before facing Rossington Main and Denaby Main in Wath-upon-Dearne. Boston United under-23s will provide the opposition in their only home friendly at the Marra Falcons Stadium, before further trips to Rossington FC and Ilkley Town round off preparations on July 18.

It promises to be a demanding programme as City look to push on after establishing themselves at Step 6.

At Athersley Recreation, the spotlight remains on changes in the dugout following the departure of manager Rob Landon.

The club have now issued a detailed statement, with co-founder Alan Richardson paying tribute to the outgoing boss and his staff for their efforts during a difficult period.

Richardson said: “Rob in particular has had a very difficult twelve months trying to balance his time between his family commitments and trying to rebuild a first team that could compete... with no budget to work with.”

Despite those challenges, the management team rebuilt the squad with a youthful core and still managed to secure the club’s NCEL Division One status — something the club views as a significant achievement.

Richardson added: “Their hard work was not in vain... they have brought back a feel good factor within the club... which culminated in them... managing to retain the club’s status... which we view as a very credible achievement.”

Attention now turns to the future, with Robbie Gainey appointed as the new manager. In a move designed to provide continuity, Landon will remain involved as assistant, ensuring the transition is as smooth as possible.

Richardson also made clear the club’s intentions going forward, adding: “Providing everyone gets behind Robbie and his team, the club can move forward.”

With pre-season fixtures being locked in, management teams confirmed and preparations already gathering pace, clubs across South Yorkshire are showing that the new season is already very much on the horizon.

Final Descends Into Chaos At Lane

An FA Sunday Cup final at Bramall Lane was on the brink of abandonment after crowd trouble erupted during a dramatic second half.

The national showpiece between Liverpool-based Home Bargains and Hartlepool AFC Supporters, played on Sunday 10 May, was halted for around 15 minutes after tensions between rival fans spilled over in the Tony Currie Stand, raising serious fears the game would not be completed.

The flashpoint came shortly after the hour mark with Hartlepool already trailing. Captain Luke Naylor was shown a red card for an off-the-ball incident, prompting an angry reaction from the midfielder and further inflaming the situation.

As Naylor left the pitch, his confrontation with opposition supporters triggered unrest in the stand where the two sets of fans had been segregated. Officials and players from both teams quickly became aware of the growing disorder, with the referee taking

the decision to stop the match amid escalating tensions.

Players were ultimately ordered from the field and sent back to the dressing rooms while stewards and officials attempted to restore order, with warnings that the final could be abandoned if the situation did not calm down.

The delay lasted approximately 15 minutes, during which appeals were made to supporters to return to their allocated sections. Eventually, stewards regained control and the game was able to resume.

The dramatic interruption overshadowed what was already an absorbing contest in Sheffield. After a goalless first half, Home Bargains took the lead early in the second period through Declan Daniels’ header.

Reduced to ten men after the dismissal of Naylor, Hartlepool looked to be heading for defeat, but produced a remarkable late response. Substitute Elliot Wilson struck deep into stoppage time to level the scores and force the

tie into a penalty shoot-out.

Despite the momentum shift, it was Home Bargains who held their nerve from the spot, winning 3–1 on penalties to lift the FA Sunday Cup for the first time and avenge a previous final defeat.

The scenes in the stands, however, will dominate the aftermath of a final that should have showcased the very best of grassroots football. Bramall Lane had been chosen as a prestigious venue for the competition, which began with 128 clubs across the country.

Instead, the match briefly became a reminder of how quickly emotions can spill over in high-stakes amateur football, with officials close to taking the drastic step of abandoning the game altogether.

In the end, the final was completed, but only after a significant intervention from stewards and match officials ensured calm was restored, allowing the result to be settled on the pitch rather than in the stands.

Seven Star In Dream Team

Seven Sheffield RUFC players have been named in The Rugby Paper National Two North Dream Team for 2025-26.

The side, selected by the publication's correspondents, recognises the best performers across the division – and Sheffield's strong representation highlights an outstanding campaign for the Abbeydale Park club.

Alex Reid, Dom Parsons and Zak Poole are included alongside Elliot Fisher, Callum Posa, Chris Hooper and Will Smith, giving Sheffield one of the biggest contingents in the league-wide selection.

The Rugby Paper feature, headlined "Sheffield's seven show their steel", underlines the club's influence across multiple areas of the team, from the front row through to the backs.

In the forwards, Reid is recognised for his impact in the front row, while Parsons' selection reflects his development into a dominant presence at half-back. Will Smith is also included for his contribution in the pack, forming part of a group that has consistently provided a platform throughout the

season. Behind them, Hooper and Fisher have both caught the eye with their attacking play, while Posa's inclusion acknowledges his effectiveness in midfield.

Poole's place in the Dream Team completes the Sheffield contingent, underlining the strength and balance within the squad.

The selections are based on the views of correspondents who have followed National Two North throughout the season, making the achievement a notable one for the club and its players.

There was, however, a small quirk in the printed edition, with The Rugby Paper mistakenly using a photograph of Henry – who made his debut against Scunthorpe – in place of Callum Posa.

Despite that mix-up, Posa's performances have earned full recognition in the official line-up.

The presence of seven Sheffield players in the Dream Team is a clear reflection of the club's consistency across the campaign, with contributions coming from all areas of the squad.

It also highlights the depth of quality within

the group, with Sheffield players featuring prominently in both the forward pack and the backline.

For Sheffield RUFC, the recognition serves as further confirmation of a season in which the club has established itself as one of the leading forces in National Two North.

And with so many players now acknowledged among the division's best, it provides a strong platform to build on heading into the next campaign.

Dodworth Win Thriller on Penalties

MARTIN GILMOUR

Dodworth Miners Welfare lifted the Meadowhall League Cup after a dramatic 4-2 penalty shoot-out victory over Brunsmeer Athletic following a pulsating 3-3 draw at Bramall Lane.

A healthy crowd witnessed the League’s first final at the famous stadium since 2019, and it delivered everything expected of a clash between the Premier Division’s second and third-placed sides.

Brunsmeer struck first on 18 minutes when Lewis Fulk was on hand to finish from close range.

The lead lasted only three minutes as Dodworth hit back, Harry McNicholas reacting quickest after James Ward had saved a free kick.

The second half continued at a relentless pace.

Dodworth edged in front on 53 minutes through Joshua Johnson’s header, before Brunsmeer responded in the 70th minute when Junior McGovern finished from close range.

McGovern then produced the moment of the match just three minutes later, smashing a stunning 25-yard left-footed free kick into the top corner in front of the Kop to put Brunsmeer 3-2 ahead.

The drama was far from over. Dodworth levelled

again on 77 minutes as Jack Brown raced through and delicately chipped Ward into the far corner to make it 3-3.

There was still time for a decisive twist in stoppage time, but Dodworth goalkeeper Thomas Carlile produced a sensational fingertip save, pushing the ball onto the underside of the bar and away to keep his side alive.

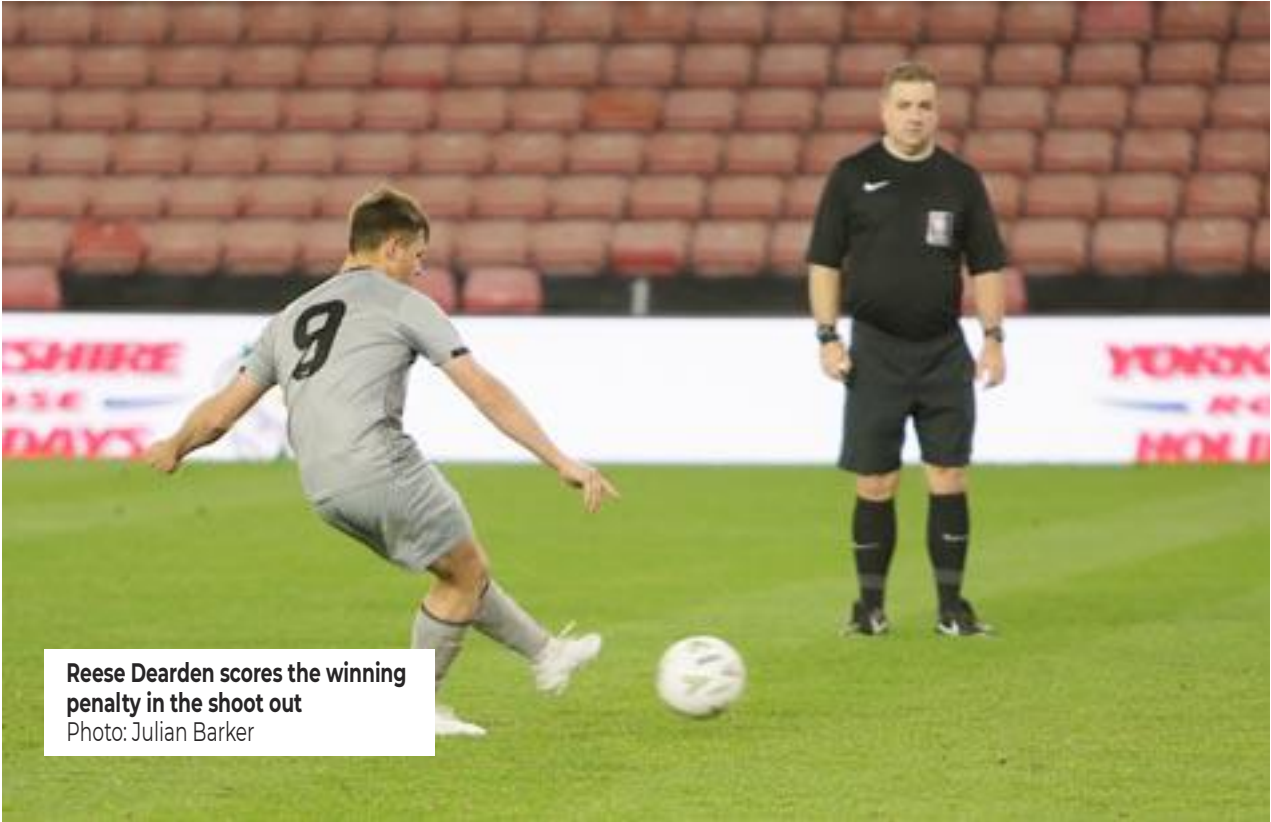

With nothing to separate the teams after 90 minutes, the final went straight to penalties at the Kop end.

Carlile proved the hero, saving Brunsmeer’s first and third spot-kicks to put Dodworth in control.

Dodworth converted all four of their penalties through Sonny Boreham, Jack Brown, Joshua Johnson and Olly Clayton, who fired home the decisive kick to the keeper’s left.

It sealed a 4-2 shoot-out win and completed a memorable afternoon for Dodworth Miners Welfare.

Both sides contributed to a superb final, played in an excellent spirit and showcasing the quality within the Meadowhall League. **Brunsmeer Athletic:** Ward, Wilson, Farnsworth, Owens, Nash, Fulk, Pound, Haslam, Booth, McKinney, McGovern. Forgotten FA Cup hero from Yorkshire

A pioneering South Yorkshire footballer has finally received long-overdue recognition for his role in one of the most important moments in English football history.

George Wilson, a Victorian-era player from Swinton, has been the subject of fresh research by University of Leicester academic Graham Curry, who argues his contribution to Blackburn Olympic's famous FA Cup triumph has been overlooked for far too long.

Wilson was one of two "professional" players used by Olympic during the 1882-83 season, when they stunned the football establish-

ment by becoming the first working-class and first northern team to win the FA Cup.

Their victory ended the dominance of southern amateur sides and is widely seen as a turning point in the development of the modern game.

While much of the credit has historically gone to player-manager Jack Hunter, Curry's work highlights Wilson as a decisive figure in the cup run.

The forward scored in each of the first five rounds, including a remarkable haul of three goals in round one, four in round two and further strikes in every stage up to the quarter-final.

George Wilson

pioneering Yorkshire FA Cup hero

The Netflix series The English Game told of the first working class FA Cup winners...

Wilson circled. **Jack Hunter** is centre of the front row.

- **Blackburn Olympic** - first FA Cup winners from the North
- **Wilson** scored in each of the first 5 rounds
- **Blackburn Olympic** - were made up of 9 Lancastrians and 2 Yorkshiremen
- **Wilson & Jack Hunter** were pioneers of professionalism
- **Wilson** is buried in an unmarked grave

"Is it true that you were the first Yorkshire man to win an English Cup medal?"
"Yes, that is it."

- **Wilson** thought (incorrectly) that **Hunter** was from Derbyshire

His finishing ability proved crucial, with Curry noting that "Hunter was undoubtedly the class act, but Wilson was the man who finished off the good work" as Olympic powered to glory.

Wilson's story also reflects the early emergence of professionalism in football.

Alongside Hunter, who had Sheffield roots, he was among the first players to move away from home for the game, crossing the Pennines to join a Blackburn side built around mill workers but strengthened by imported talent.

The pair had previously appeared in exhibition matches for the famous Zulus team, sharing gate receipts,

which led to both being banned by the Sheffield FA.

Despite his FA Cup success, Wilson's legacy faded over time, with even basic details of his life misunderstood.

Until recently, he was incorrectly listed as being from Swinton in Lancashire, rather than Swinton in South Yorkshire, an error only corrected in 2025.

Research credit is due in part to Chris Eyre, who uncovered earlier evidence placing Wilson firmly in the Sheffield area.

After his playing days, Wilson returned to South Yorkshire, later settling in Rawmarsh where he is buried in an unmarked grave.

His career also included spells with Pre-

ston North End and The Wednesday, while he later represented Mexborough, helping them win the Sheffield Challenge Cup in 1885-86.

His final recorded match came in 1890, turning out for Mexborough in a 2-1 victory over Doncaster Rovers A.

Even in death, his footballing achievements were not fully appreciated.

An obituary in the South Yorkshire Times in 1930 mentioned his FA Cup success but described his "most notable feat" as jumping more than 16 feet across the canal at Swinton lock.

That remarkable leap was one of Wilson's famous party tricks, but Curry's research under-

lines that his true significance lies on the pitch.

Wilson also believed he had been the first Yorkshireman to win the FA Cup, although that honour in fact belonged to Albert Childers Thompson of York in 1872.

His role in the 1883 triumph has gained renewed interest in recent years, particularly after the story of Blackburn Olympic's victory was dramatised in the 2020 Netflix series The English Game.

Curry's article now brings Wilson's contribution into sharper focus, restoring his place in football history as a South Yorkshire trailblazer whose goals helped change the direction of the sport.

Mental Health & Football: A Partnership Changing Lives

KYLE KENNEALEY

When ITV launched their ‘Britain Get Talking’ campaign in 2019, it was a breakthrough moment in starting conversations about mental health.

It had long been a stigmatised topic throughout the 20th century, and even at the start of the noughties. However, the tide has turned significantly in the past decade, to the benefit of millions of people across the UK. Closer to home, progress in this area has excelled thanks to the launch of the Mental Health Football Club. Launched by Ryan Oldfield, this project has been a roaring success. Unfortunately, it came following Ryan’s own battles with mental health, and knowing how his life changed in the absence of playing football.

“I’ve unfortunately suffered badly with anxiety most of my life, and since I was at nursery. Playing football was an escape for me. But as everyone got busier with life, work, and families, I stopped playing for years.

“I didn’t realise at the time just how badly it would affect me. I knew that relaxed football was a key to improving my mental health.

“I did my research on local football, but couldn’t find anything. I put on my personal social media that I was thinking of hiring a pitch, and anyone could come down for a kick about once a week.”

And just like that, a project was born. Getting a football club off the ground is likely to present challenges, but MHFC went against the

norm in that regard. As it transpired, there were plenty of like-minded individuals who were looking for the opportunity to play the game. Using an important modern-day tool only helped to accelerate the growth.

“I thought there must be loads of people who can’t quite get enough regular numbers that need others for a weekly kick about.

“The response was incredible. MHFC was born, I registered it, branded it and made it official. I hoped for at least 10 people at the first session, so we could play 5-a-side. Thankfully, 11 turned up.

“With the power of social media and word of mouth, numbers exploded, and things just continued to grow.”

And grow they did. The numbers speak for themselves: 745 members have participated in 536 kickabouts, with a cumulative attendance of 14,135. There are seven weekly sessions covering three areas across two different counties. While the majority of those are in South Yorkshire, MHFC run one session every Monday in Scunthorpe.

Their success in Doncaster has opened new doors, namely a relationship with the city’s prime football club: Doncaster Rovers. As a result, they have been able to organise MHFC Experiences & Surprises for deserving people, when possible.

Last month, the award-winning organisation were Matchball Sponsors for Donny’s clash against Reading. This package came thanks to the kindness of SeatGeek and Club Doncaster, and it marked a real milestone

in MHFC’s journey. “The partnership with Doncaster Rovers is still very young, but we hope to work with Doncaster to reach, help and support as many fans as possible. MHFC and DRFC have quite a similar target audience.

“We want to collaborate with Doncaster to be able to offer mental health support and no-pressure physical activity through the sessions we offer. It’s a win, win. The club are seen to be wanting to help a local project, the fans like the club helping us and get involved to help their mental health, and we’re able to grow and reach more people.

“Hopefully, the partnership works in the way we want and can be as effective as we think it can.”

As part of the growing relationship with Doncaster, four current or former Rovers players have provided their support to MHFC. James Coppinger spent almost two decades in South Yorkshire, and now has a stand named after him at the Eco-Power Stadium.

Billy Sharp is one of the finest players to grace the EFL, and was teammates with current Rovers players Owen Bailey and Luke Molyneux. This base of well-established names has been critical in the growth of the project.

“Getting the support of current and ex-professionals helps more than I or probably they think,” Ryan said. “I’ve found that the posts where we announce current or ex-pros supporting us are the posts that by far do the best.

“The first one to take off was Molyneux, and then the Sharp post. On Facebook, the number

of reactions from new people we got was huge.

“Not only does it help that we’re supported by these footballers, but being linked with them is helping us to reach and support people who wouldn’t have found us otherwise.”

Of course, the main purpose of the club is to give people a safe space to express themselves. Removing the barriers around talking about mental health is something that won’t even be fully achieved. However, it’s about making people feel more comfortable about opening up, and Ryan has certainly helped with that.

“A lot of people are anxious and don’t want to share anything in the beginning,” he added.

“However, once people have been a few times and friendships are built, you can see people opening up more and talking more.

“They’re more likely to open up sooner because they know it’s a safe area to speak and people don’t judge. I really like what’s been built and how people are confident and comfortable enough to share.

“One of the most impactful things for me in the feedback was hearing just how much the sessions help people.”

Like any individual who wants the best, Ryan isn’t sitting on his laurels. Looking ahead to the future, there’s plenty in the pipeline for MHFC.

“The plans that are

next in line are to create more specific sessions in Doncaster, specifically for women, walking football, toddlers, kids, teens, and SEND.

“We do have more plans, but we don’t want to rush anything. Things have to be done when the time is right and to do them properly. If we can start in other areas to help more towns and cities, we will.

“Regardless of plans, the bottom line is that we want to welcome, help, support, encourage, and most of all improve the mental health of as many people as we can. The bigger things grow, it’s vitally important that the ethos and values of Mental Health FC always stay the same and are always present

New York dream inspires inclusive football day

More than 100 players and supporters packed into the AES-SEAL New York Stadium as grassroots football took centre stage for a special charity match celebrating inclusion, opportunity and community.

All About Football (AAF), the fast-growing adult football community, hosted the event which saw AAF Rotherham edge a thrilling 4-3 victory over AAF Burton, with all proceeds supporting Rotherham United Community Trust's Powerchair Football campaign.

For many involved, simply stepping onto a professional pitch was the defining moment.

That is exactly what AAF is built around.

Formed to break down barriers in the adult game, the organisation offers relaxed, pay-as-you-play sessions for players of all abilities, fitness levels and backgrounds, with a strong emphasis on enjoyment rather than competition. Sessions run across South Yorkshire and the Midlands and are designed to be welcoming for those who may have drifted away from football, lacked confidence or never felt they were good enough to play.

Unlike traditional setups, there are no long-term commitments or pressure, with games organised through an app that allows players to sign up, socialise and form part of a growing community.

That inclusive ethos was evident throughout

Sunday's showcase event, where equal playing time and participation were prioritised even in an 11-a-side format — a rare approach in adult football.

Played at Rotherham United's 12,000-capacity New York Stadium, a venue regularly used for both professional fixtures and major community events, the match offered a unique experience for participants who may never have imagined playing at such a stage.

On the pitch, it proved to be a fitting spectacle. AAF Rotherham eventually claimed a narrow 4-3 win in an entertaining and competitive encounter, but the scoreline was secondary to the spirit in which the game was played.

Supporters from both sides created a positive atmosphere, with encouragement and camaraderie outweighing any sense of rivalry, reflecting the core values behind the initiative.

The event also carried a powerful purpose beyond the game itself.

More than £2,300 was raised for Rotherham United Community Trust's "50K Power Play" campaign, which aims to raise £50,000 to secure the future of its Powerchair Football programme — the only provision of its kind in South Yorkshire.

The initiative supports players with physical disabilities by providing access to equipment, sessions and competitive opportuni-

ties in a sport specifically designed for powerchair users. However, much of the current equipment is outdated or damaged, meaning funds raised will go directly towards new chairs and improving opportunities for participants.

Powerchair Football is widely recognised as the only fully inclusive competitive team sport designed for wheelchair users with severe mobility impairments, offering a pathway from grassroots participation through to regional, national and even international competition.

The partnership between AAF and Rotherham United Community Trust continues to grow, built around shared aims of increasing participation and using football as a positive force in the community.

For AAF, Sunday's event was another example of how the game can be reshaped to suit everyone — not just the elite.

From players rediscovering their love of football to first-time participants gaining confidence, the day highlighted how powerful sport can be when barriers are removed.

And for those who walked out under the lights at the New York Stadium, it was more than just a match — it was a reminder that football, at its best, really is for everyone.

Cup Final Looms as Relegation Drama Erupts

BLADES SUPER
DRAW S S

KEITH FIRMINGER

The date for the League Cup Final between Royal Earl and Wadsley Bridge Sixers at Brammall Lane is this Tuesday 12 May with a 7:15 kick-off.

It should be a terrific game with Champions Royal Earl trying to complete the double by beating 3rd place Wadsley Bridge Sixers that is the CBC Premier Division's top scorers. Come along and support the teams, entrance is into the Tony Currie Stand and is £10 for adults (CASH ONLY), but free for children 15 and under.

Jubilee Rangers faced Chapeltown RBL knowing that victory for either of them would guarantee the winners safety and send the loser down, but after coming from behind it looked like it would be Jubilee's day until, in the 4th minute of added time Morgan Cowell headed

what could be a priceless equaliser that means that safety will be decided by Jubilee's final game of the season at home to Eckington MW.

Relegation football has a habit of turning ordinary afternoons into pressure cookers, and this one bubbled right to the final whistle. RBL struck first after just nine minutes and did it in style. Full back Mikey Vella picked the ball up 25 yards out, looked up once, and absolutely rifled his effort into the top corner to hand RBL an early advantage. It was the kind of strike that leaves defenders frozen like traffic cones in a winter storm.

The opening half belonged largely to RBL. They controlled possession, dictated the tempo, and looked the more likely side to score again, but their inability to find a second goal kept Jubilee hanging in the contest - that lifeline would prove crucial.

Jubilee emerged for the second half with far more intent and gradually began to get a foothold in midfield. Their

pressure paid off in the 57th minute when Ross Lamkin bundled the ball home from a corner to equalise, swinging momentum sharply in their favour. Jubilee kicked on and RBL were under wave after wave of attacks.

As the clock ticked down and nerves tightened around the ground, Jubilee thought they had completed the great escape in the 85th minute when Brendan Reid-Flanagan raced in behind to coolly slot the ball home to give them what looked like the winner.

But RBL were not done. Deep into stoppage time, Morgan Cowell rose highest in the box to slam home a dramatic header in the 93rd minute to level the game at 2-2 and send the match into chaos.

There was still time for one final twist too, as Jacob Walkland came within inches of snatching survival for RBL, only to see his 96th minute effort thunder against the crossbar and stay out. At full time, neither side could fully

celebrate, nor fully despair and the relegation battle is now set to be decided in Jubilee's final match showdown against Eckington.

Stannington Village and Wickersley CC both completed their season by drawing 1-1 with each other. Wickersley dominated early proceedings creating 3 great chances, hitting the post followed by some poor finishing for the others.

Stannington always dangerous and very organized and they had a few chances late on in the first half before Adam Daughtrey put Wickersley in front with a header from Jacob France's ball into the box.

Second half was very end to end, but it was Stannington that started the brightest and a penalty for handball allowed Aemad Gadour to equalise from the spot.

Wickersley got back on top and made Stannington's keeper work twice in quick succession before it became like basketball with both teams trying to get a winner.

Wickersley had a penalty shout for handball turned down before Stannington nearly won it win the final kick of the ball, but veteran Shaun Flynn stumbled when free 8 yards out. The result means Stannington stay 2nd and Wickersley 4th.

Loca had to come from behind to beat AFC Wisewood 4-3 and clinch the Division 1 title on goal difference over a Hackenthorpe that has to settle for the Runners-up spot.

Loca started off nervously and that culminated in a missed penalty from Cammy Evans and instead it was Wisewood that, against the odds went into half time leading 1-0 thanks to a strike from their leading scorer Will Osgathorpe.

A few spoken words of encouragement and positivity at half-time saw Loca's nerves settled and they quickly got in to their stride. A 25 yard top corner free kick goal from Ollie Grady levelled the game at 1-1 and within 7 minutes Loca took the lead

through Man of the Match Cammy Evans, but a lapse in concentration let Osgathorpe in to score his 14th of the season to make it 2-2.

Loca upped the tempo to get their passing game on and went 3-2 up 10 minutes later through Curt Modest, but nerves on the sidelines were still showing until 3 minutes later when Mitch Kent made it 4-2.

The 100 plus home crowd thought it was all over, but Wisewood didn't give up and Sam Civil grabbed their third to make the last 5 minutes very nervy. Loca managed them out though to claim a title for the 2nd season in a row and go up to the CBC Premier league for the first time.

Both Cotts FC and Kelham Island completed their season against each other and despite goals for Cotts from Reece Rogers and Ty Gunter, an entertaining game saw Kelham just came out on top, 3-2, with goals from Tommy Palmer, Alex Simons and Lewis Atkins.

Premier North Drama Belongs to South Yorkshire

CENTRAL
MIDLANDS
ALLIANCE
RICHARD LANE

South Yorkshire sides played starring roles as the Camper UK Premier season reached its dramatic conclusion. With Burngreave United, Brodsworth Main, Harworth Colliery, Rossington Main Reserves and SJR Worksop all figuring prominently in a packed end of season schedule. While Selston claimed the Premier South title with a 2–0 win at Borrowash Vic-

toria – sealing an immediate return to Step 6 thanks to Josh Smith’s goals in the 42nd and 87th minutes – the real intrigue for South Yorkshire readers came in the Premier North, where the region’s clubs delivered storylines ranging from resurgence to late season collapse. Burngreave United closed their campaign with real authority, securing a fifth straight victory as they swept aside Brodsworth Main 3–0. Goals from Theo Peat, Hassan Mohammed and Nasser El Hyane ensured Burngreave ended the season as one of the division’s form sides. For Brods-

worth, however, the defeat confirmed a miserable run of five consecutive losses to finish the year. Harworth Colliery wrapped up a strong season in fifth place after a 3–1 win away at Rossington Main Reserves. Alex Gibbins struck just before half time, only for Toby Hopson to level on the hour. Harworth responded immediately: Billy Stafford converted a penalty five minutes later, and Ewan Plant added a decisive third with 12 minutes remaining. SJR Worksop, fresh from beating Teversal by three goals just days earlier, were held to a

breathless 3–3 draw in the return fixture. Joe Bean opened for Teversal, but Josh Parfitt equalised before the break. Alex Fereday and Parfitt then fired Teversal into a 3–1 lead, only for Bean and Tom Mullen to drag SJR level. It was a chaotic, compelling contest – and a reminder of SJR’s resilience in a demanding run in. Rossington Main Reserves continued their late season improvement with a 2–1 win at Elite AFC. Trailing at half time to Tommy Pallett’s strike, Rossington turned the game around through two well taken goals from James Kirk,

sealing a deserved away victory. The individual performance of the weekend belonged to Teversal’s Josh Parfitt, who scored all four goals in a 4–1 win at Ollerton Town. After breaking the deadlock just before the interval, Parfitt completed his hat trick by the 62nd minute and added a fourth eight minutes later. It was a ruthless display of finishing that lit up the final round of fixtures. AFC Bentley bowed out with a 2–1 win over SJR Worksop, thanks to goals from Daniel Dickinson and Peter Razmoski. Staveley Reserves defeated Elite

AFC 3–0 with a brace from Alex Coates and one from Louis Hall, while Glapwell’s promising first half against Staveley unravelled in a 4–1 defeat despite Dan White’s reply. The Premier South season concluded with Blidworth and Linby Colliery sharing a dramatic 2–2 draw. Henry Eastgate put Blidworth ahead before Will Knowles levelled. A red card left Linby down to ten men, yet Tassi put them in front against the odds. Eastgate, however, had the final say, equalising with the last kick of the campaign.

Hayton fires Wells to double glory

COUNTY SENIOR
WARREN BIRD

Hemsworth Miners Welfare completed a superb league and cup double as the County Senior League season came to its conclusion, lifting the League Cup with a 2-0 victory over Penistone Church Reserves’ at Doncaster Rovers’ Eco-Power Stadium.

Adam Hayton proved the difference on the big stage, netting twice to settle a tight final played in front of a strong crowd. His first came midway through the opening half with a long-range effort, before he wrapped things up just after the hour with a free-kick from the edge of the box that took a slight deflection on its way in. [msn.com]

Penistone battled throughout and carved out late chances, forcing a good save in the closing stages, but could not find a breakthrough against a disciplined Hemsworth side who have hit top form at exactly the right time.

The victory seals a league and cup double and caps an outstanding end to the campaign, with Hemsworth putting together an impressive unbeaten run to finish the season in dominant fashion. [msn.com]

It continues a strong tradition in the competition for Hemsworth, who have now lifted the League Cup in successive seasons and further underlined their status as the team to beat in the County Senior League. [fulltime.thefa.com]

In the Premier Division standings, Hemsworth’s consistency across the campaign saw them finish clear at the top ahead of closest challengers Stocksbridge Park Steels Reserves, while Penistone Church Reserves’ cup run adds to another solid season in the upper reaches.

Division Two also has its champions confirmed, with Denaby Main Development securing the title after an outstanding season that saw them set the pace from the front and hold off strong competition from Dearne & District Development and Swin-

ton Athletic Reserves.

There was still quality on show in the closing fixtures. Swinton Athletic Reserves signed off in style with a commanding 6-1 victory at Sheffield Medics. Walton led the way with a hat-trick, while Thompson, Yoxall and Harris were also on target in a dominant display, with Medics replying once.

Elsecar Dynamos and Tusaale United served up one of the games of the final round, the visitors edging a 4-3 success in an open contest to finish their campaign on a high.

Wombwell Main Reserves also ended strongly with a 2-1 win at North Gawber Colliery Reserves, Kieran Bradley and Zack Bond grabbing the goals to secure the points.

With the season now complete, Hemsworth Miners Welfare’s Premier Division title and cup success, Ecclesfield Red Rose’s Division One crown and Denaby Main Development’s Division Two triumph complete the full picture of a competitive campaign across all three divisions.

Westville Power On Toward Trophy Number Seven

MEXBOROUGH SUNDAY
SHAUN BEST

Dominant Westville added another two domestic cups to their growing tally this week.

Both the Brian Hardeman Challenge Cup and Steve Venables Memorial Trophy will take their occupancy in a very impressive trophy cabinet, as the West Melton outfit ruthlessly despatched of two more opponents.

Justin Greenwood, Jake Phillis, Jack Wilson and Marcus Edwards got the proverbial ball rolling by netting in a 4-2 victory against Gym Bar

to secure the Challenge Cup. Two days later, a double from Phillis, another Greenwood goal and a Jack Waldron strike gave Westville a 4-1 win against Groves Social to bring home the Steve Venables Memorial Trophy.

With the Premier Division title already in the bag, Westville have one final hurdle to overcome - the Wath & West Melton Charity Cup. Victory against Wath U17 would land the club an impressive seventh piece of silverware.

Elsewhere, Denaby United put themselves in pole position to claim the Division One title thanks to a 4-2 victory at Union Jack. Cobi Rush-ton and Patrick Swift each bagged a brace,

with the result dealing a blow to Union Jack’s own promotion hopes.

Swinton Athletic’s title hopes hit a snag when they were held to a 2-2 draw at Barnburgh WMC. Josh Stead netted both Swinton’s goals, but Matthew Tinker and Jack Rodgers pegged Athletic back.

Three of the four promotion spots have already been decided in Division One. White Hart Wadworth occupy the fourth and final position and strengthened their grip on that place with a 6-3 victory at Highgate WMC. Triston Taylor fired a hat-trick, with Aaron Harrison, Tom Doherty and Chris Barker also finding the net.

ROTHERHAM SUNDAY

MARK PILLEY

Titles are falling into place across the Rotherham & District Sunday League, but Division One is heading for a nail-biting finish.

gate eased their position in the lower half while the Travellers remain looking over their shoulder.

In Division Three, Sheffield Spartans are already confirmed champions and underlined it with a 6-3 win at Crown Inn Newhill. Jack Arundel, Owen Goddard and Thomas Simpson were all on the score-sheet in another impressive display.

East Dene's hopes of catching them had already gone and they slipped to a 2-0 defeat against Aston Athletic, where Daniel Jenkinson and Tyler Doman netted.

The Woodman Woodlathes kept up their strong season with a 4-2 win at Wincobank Rovers. Harley Blake-man scored twice for the hosts, but Nathan Hooper matched that tally and Frazer Apple-yard also grabbed two.

Brunsmeer Fire Six, Dronfield Smash Eight

WOMENS FOOTBALL
JULIAN BARKER

Brunsmeer Athletic need a point from their final game of their debut season in the North East Women's Regional League Premier Division to finish in seventh (of 11).

They recorded their highest score of the season when beating South Shields 6-4 at home thanks to goals by Nat Shaw 2, Harriet Lloyd, Millie Kenyon, Melissa Turton-Burrell and Bradie Wild.

That took Kenyon on to 14 League goals, one more than Shaw, ahead of Sunday when Brunsmeer, seeking a third successive victory, host Ponteland United. That game represents an intriguing scoring contrast.

Brunsmeer's games have the highest scoring aggregate for the Division, both at home and away, while Ponteland's away games have yielded just 27, the lowest such tally.

Meanwhile, elsewhere in Sheffield on

Sunday, Handsworth will be bidding for a six goal margin of victory to claim the Southern Division title.

Dronfield Town claimed runners up spot in the East Midlands Women's Regional League Division One North by winning the Division's final game of the season, 8-0 away to Cleethorpes Town.

Dronfield only needed victory to finish above Arnold Eagles by virtue of a vastly superior goal difference, but they did so in style, recording their best score of the season.

Kris Humble bagged a hat trick, assisted by braces by Charlotte Bennehan and Maia Taylor and a single by Ruby Burns as Dronfield concluded their season with a fourth successive victory.

Champions Grimsby Town Academy had a 100% record form their 16 games, with an 80-10 scoring record. Dronfield were comfortably the Division's next highest scorers with 54 and their 29 goals against was the joint next best along with Arnold.

Giants Fall to Vikings, But Resilience Shines

ADULT CONTACT

The Sheffield Giants faced a challenging afternoon against the Newcastle Vikings, and while the scoreboard may have favoured the opposition (54-2), the stats reveal a team that fought with immense heart and produced moments of genuine brilliance. In a game defined by grit and defensive determination, the Giants showed that they never stopped competing.

The absolute highlight of the day came on special teams defence, providing a moment of pure magic for the Giants. After a Vikings touchdown, Elliot Jeffrey (#0) showcased his incredible timing by breaking through the line to block the PAT. The ball was scooped up by Ronan Burger (#8), who then turned on the jets for a spectacular 70-yard return all the way to the house, securing a hard-earned 2-point conversion. It was a play

that exemplified the "never-say-die" attitude of this squad.

The Giants' defence was under constant pressure but remained resilient throughout the contest.

- Ronan Burger (#8) was a force all over the field, leading the team with a massive 10 solo tackles and a tackle for loss (TFL), in addition to his special teams heroics.

- Elliot Jeffrey (#0) had a monster game at the line of scrimmage, recording 8 solo tackles, a TFL, and 2 huge sacks, proving to be a constant thorn in the Vikings' side.

- The secondary also put in a shift, with Eli (Anthony Marsden) (#2) and Alex Crossley (#42) each recording 2 Pass Breakups (PBUs) to disrupt the Newcastle aerial attack. Kade Chirwa (#63) also added to the defensive pressure with 3 tackles and a TFL.

On the offensive side of the ball, the Giants worked hard to move the chains against a stern Newcastle front.

- Quarterback Sam Hays (#16) threw for 69 yards, finding success on several key drives.

- Jhamar McDonald (#10) was the primary engine of the offence, contributing 33 receiving yards and consistently fighting for extra yardage on returns.

- Jacob Hill (#44) proved to be a reliable target with 2 catches for 24 yards, while Lewis James (#33) led the rushing attack, gritting out 26 yards on the ground.

Harvey Evans (#82) was instrumental in the field position battle, punting 5 times for a total of 162 yards, consistently forcing the Vikings to start their drives from deep in their own half. In the return game, Luke Spooner (#87) and Elliot Jeffrey (#0) also chipped in with solid returns of 22 and 19 yards respectively.

Though the final result was a heavy loss, there are significant positives for the Giants to build upon. The defensive front demonstrated they can

Photos: spxphotography

generate pressure and finish plays, while the special teams unit provided the most exciting play of the game. This team showed they have the speed, the hustle, and the resilience to compete until the final whistle.

Upcoming home games: 21st June vs Yorkshire Rams; 5th July vs Chester Romans. All home games played at Warminster Road, Sheffield.

Second-Half Spark Offers Positives for Giants U16 After Tough Lions Test

U16 CONTACT

JEREMY HOOK

The Sheffield Giants U16s faced a tough test at the weekend as they took on a strong Birmingham Lions side, eventually falling 7-42 in a physical two-half contest. From the opening whistle, the Lions' powerful run game set the tone, and the Giants defence found themselves under sustained pressure throughout.

Giants 7 – 42 Birmingham Lions
(Half-time: 0-23)

Despite the challenges, the Giants worked hard to stay in the fight. The defensive unit put in a determined shift, making key tackles

and continuing to compete even as the Lions' ground attack kept coming. The effort and attitude on display were a credit to the players, who refused to let their heads drop.

On offence, the Giants had moments where things began to click, putting together a couple of promising drives that pushed deep into the red zone. Unfortunately, those opportunities couldn't be converted into points, leaving the team frustrated but knowing exactly where the improvements need to come.

The Giants' lone score came in the second half, a well executed passing play that showed the team's po-

tential when timing and decision making come together. It was a reminder that, even on a difficult day, this squad has the ability to create chances and challenge opponents.

While the result wasn't what the team hoped for, the game provided valuable learning moments and highlighted areas to build on in training. The players showed resilience, teamwork, and commitment — qualities that will serve them well as they continue their development through the season.

The Giants will regroup, refocus, and come back stronger for the next fixture.

The predicted rain caused some disruption to the Saturday programme, but it was not as bad as had been feared and the majority of games were completed.

Sheffield Collegiate retained their unbeaten record by beating Whiston Parish Church, whom they put in to bat at Church Fields. Jamie Carrington took 4-43 when the hosts were bowled out for 123, and Collegiate completed a four-wicket win with 16 overs to spare.

Level with Collegiate are Tickhill, who asked Whitley Hall to bat first at Baxter Field and bowled them out for 117, Biswick Kapala taking 4-23 against his old club. The visitors duly completed a six-wicket win in 19 overs.

Two points behind these two are Wakefield Thornes, who made 227 all out after being put in by Sprotbrough at Melton Road; skipper Matty Taylor making 62 for the visitors and Nick Graves taking 4-42. Taylor then took three early wickets and the hosts were in trouble at 29-4 in reply, but Parteek Khasa (61) helped steer them to a more respectable 147-7.

Doncaster Town skipper James Dobson elected to bat first at home to Cleethorpes, and he made 82 off 86 balls, adding 158 for the first wicket with Jayden Fell (68) in his side's 239-7. Brothers Tom (103 off 132 balls) and Nic Keast (54) put on 94 for the visitors' first wicket, and David Mansfield made 46 to help the Meggies to a five-wicket win.

Opener Mike Jepps made an unbeaten 103 off 148 balls in Wickersley Old Village's 276-8 after they chose to bat first at the Beerpig Oval, Neev Joshi taking 4-57 for visitors Hallam. Andre Bradford made an unbeaten 91 at the top of the order when Hallam replied, but Sam Drabble (4-57) caused

an early collapse, and they were 40-6 before Jonathan Freeman (56) helped Bradford add 106 for the seventh wicket, and the visitors closed on 194-8.

Appleby Frodingham were all out for 164 after electing to bat first against Cawthorne at Dark Lane, but the weather prevented the hosts from starting their reply.

Championship Division

The one remaining undefeated record in the division fell when Elsecar beat Ackworth at the Al-Murad Stadium. After being put in to bat, Bilal Imtiaz (66) and Arsalan Mir (68 not out) took the hosts to 243-6. Chasing a DLS-adjusted target of 155 in 30 overs, the visitors lost half their side for 73; Edward Cole, with an unbeaten 64 off 51 balls, then raised their hopes, but they fell 14 runs short at 140-5.

Barnsley Woolley Miners returned to winning ways after putting Tickhill 2nds in to bat at the Brookfield Oval and bowling them out for 223, with Hernus Marais making 92 and Harvey Round taking 4-47. In reply, the visitors were coasting at 207-2, after William Chapman (64) and Ali Zaryab (80 not out) had put on 109 for the first wicket, and they were 73 runs ahead of the DLS par score when rain ended play in the 38th over.

Aston Hall moved up into the top four with a 20-run win over Upper Haugh at Green Lane. Opener Nathan Ward made 82 in the hosts' 215-6; then Muhammad Khan took 6-66 to help them bowl their visitors out for 195, Ali Asghar top-scoring with 52.

Coal Aston won for the second week running, with a hard-fought success over previously third-placed Oughtibridge War Memorial at Stonelow. Michael Hunter took 4-51 when the visitors were bowled out for 139 after being asked to bat first; then Coal Aston edged their way home by two

wickets with five overs to spare.

Jak Hotchkiss (60) was in the runs again when Doncaster Town 2nds made 185 all out against Rockingham Colliery at the Spinks ground, Lasith Lakshan taking 4-52.

The experienced Warren Graca then took 5-32 when the Colliery were all out for 173 in reply. Opener Haris Khan (76) and wicket-keeper Haris Khan (56) took Shiregreen to 214-9 after they were put in to bat by Sheffield Colle-

giate 2nds at Abbeydale; Muhammad Rameez then took 4-31 when the hosts were bowled out for 115 in reply.

Division 1

The two leaders, Treeton and Warmsworth, strengthened

their positions with comfortable wins. James Loveridge (108 off 116 balls) and Liam Cotton (64) put on 101 for Warmsworth's first wicket, and then Loveridge and skipper Liam Marshall (100 not out of 108 balls) added 129 for

the second, and they reached 334-2 after being put in to bat by Parkhead at Common Lane.

Joe Milner made an unbeaten 71 when the visitors replied, but they were 111-4 when rain prevented further play, 115 runs short of a DLS target of 227 from 36 overs. Gareth Davis made 53 at the top of the order for Treeton when they made 201-7 after being put in to bat by Whitley Hall 2nds at Washfield Lane, and the visitors were all out for 152 in reply.

Monk Bretton moved into third place after bowling out Wickersley Old Village 2nds for 77 after asking them to bat first at the Castle Ground, with four wickets each for Steven Honeyman and Dominic Fell; then knocking off the required runs for the loss of three wickets in 19 overs.

There was an interesting finish at Park Lane, where Cawthorne 2nds were all out for 168 after being asked to bat first by West Bretton, Niranjana Venkatakrishnan making 62 at the top of the order for the visitors, whilst Kyle Clayton took 5-30 for West Bretton.

Facing a revised target of 134 in 30 overs,

the hosts were 133-8 at the close, level with the par score, and the match was tied. Fifties from Isaac Wainwright and Syed Shah helped Wath to 257-9 after being put in by Frickley Colliery at Moor Road, then Shah followed up with 4-47 and the visitors were all out for 167 in reply.

Samuel Grant took 5-28 for Conisbrough when they bowled Houghton Main out for 132 after putting them in to bat at Park Road, then Mathew Lowe hit an unbeaten 76 off 63 balls to see the hosts to a nine-wicket win in the 32nd over.

Division 2

Norton Woodseats now sit at the top of the table after beating previous leaders Thorpe Hesley & High Green at Smithywood Road. They asked their hosts to bat first and bowled them out for 151, in reply to which James Eyre and skipper Dan Loughlin (61) put on 103 for the visitors' third wicket to set up a six-wicket win.

Sheffield Collegiate 3rds are second after putting Hallam 2nds in to bat at Crimicar and restricting them to 131-9, Michael Goodchild taking 6-54; then easing to a seven-wicket win.

Hatfield Town bowled Penistone out

for 168 at Carr Side Lane, after asking them to bat first; then completed a four-wicket win.

Norton Oakes put Millhouses Works in to bat at Millhouses Park, bowled them out for 106 and then won by four wickets with 19 overs left.

Lewis Sansome (70 not out) was in the runs again, adding 139 for Aston Hall 2nds' fourth wicket with William Thom (69) in their 245-5 after being put in to bat by Wakefield Thornes 2nds at Field Lane. But their efforts were in vain, as the game was abandoned before the home side could reply.

It was a similar situation at Shaw Lane, where Barnsley Woolley Miners 2nds were 179 all out against Elsecar 2nds, who were 69-3 in reply when proceedings came to an early end.

Division 3

The new leaders are Coal Aston 2nds, who restricted Worsbrough Bridge to 188-8 at the Warm Roofs ground; then edged home by two wickets, despite Joe McLee's 4-54, Laurence Pickford contributing 50.

Joel Wake made 71 for Frecheville Community, but Brad Gledhill took 5-24 and they were

all out for 171 against Higham at Royd Lane. Ryan Bagshaw (51) took the hosts to 107-2, but Mat Dexter took 6-42, and Higham sneaked home by just one wicket.

Previous leaders Shiregreen 2nds reached 214-9 at home to Darfield, thanks mainly to Akhtarzaman Khan (109 not out off 69 balls) but Ashley Potter (62) and Brooklyn Whitmill (51 not out) took the visitors to 159-4 in 32 overs, which was enough to win the game on the DLS method.

Jenny Beever recorded 9-3-11-4 for Oughtibridge War Memorial 2nds when they bowled Wath 2nds out for 40 at Waterside Gardens, and the hosts duly completed a seven-wicket win.

Solid contributions from the top six batsmen led Sprotbrough 2nds to 218-6 against Rockingham Colliery 2nds at Hoyland Common; then Matt Webb (4-25) and Harry Gateley (6.1-2-7-6) bowled the hosts out for 63 in reply.

Aqib Ahmed took 4-33 for Sheffield United when they bowled Upper Haugh 2nds out for 171 at Wentworth Road; then Gurvinder Singh took 4-16 to help the hosts bowl United

out for 105 in reply.

Division 4

Thorncliffe & Wentworth lead the division after Jack Pearson took 4-26 to help them bowl Sheffield University Staff out for 123 at Lound Side; but Waqas Tanveer took 4-29 when the hosts replied, and they had to work hard for their three-wicket win.

Joint second-placed Whiston Forge preserved their unbeaten record when they beat Barnsley Woolley Miners 3rds by eight wickets after restricting them to 77-6 in a match reduced to 20 overs per side at Woolley.

Opener Jake Marshall made 70 in Pledwick's 155-9 against Stocksbridge at Bracken Moor, but the hosts had 11 overs to spare when they knocked off the required runs for the loss of six wickets in reply, and they remain level with Forge.

Zakir Ali's 52 was the highlight of Sheffield Caribbean's 132-7 at home to Bradford Village Fellowship, but the visitors made short work of their target, completing a six-wicket win inside 29 overs.
