When I went in to the time store and
looked around, there were a lot clock on
the wall.

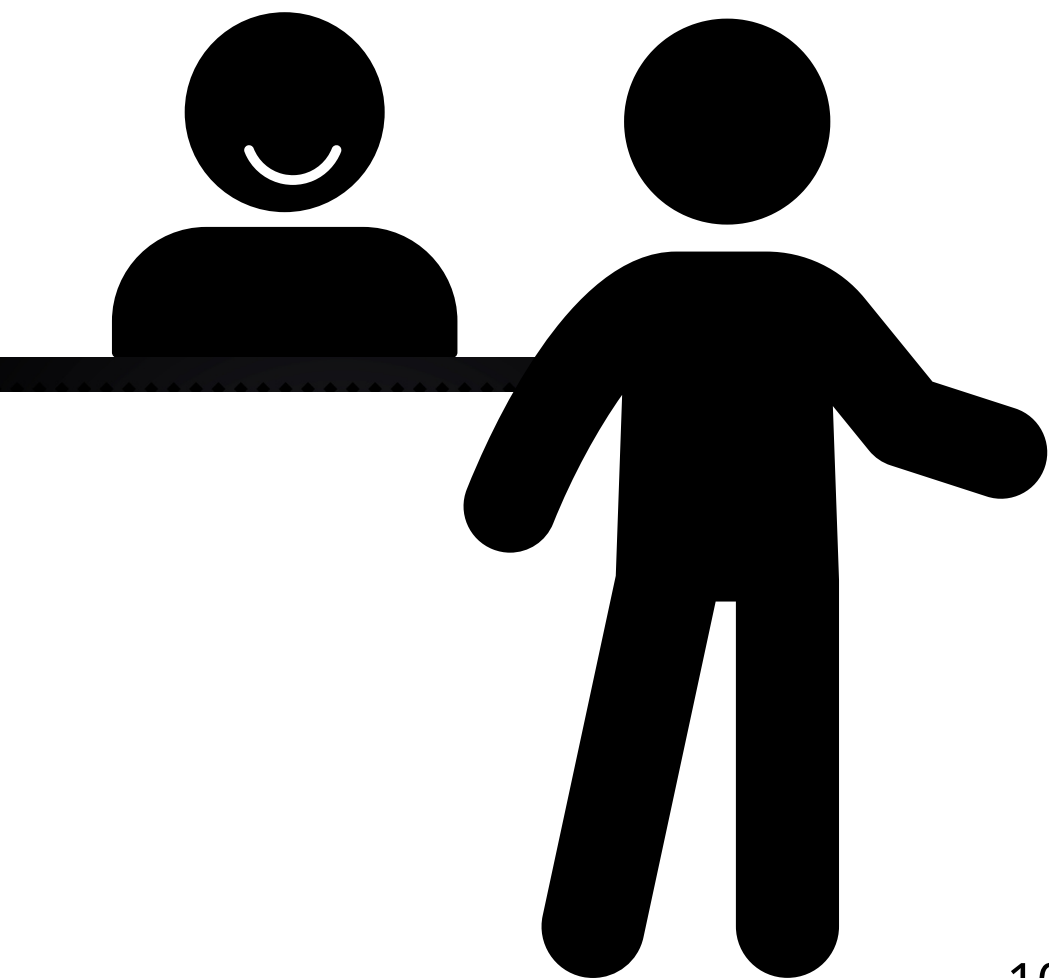

the shopkeeper says. “What going on?”
Sehee says “I ran away because it was
hard live in time.”

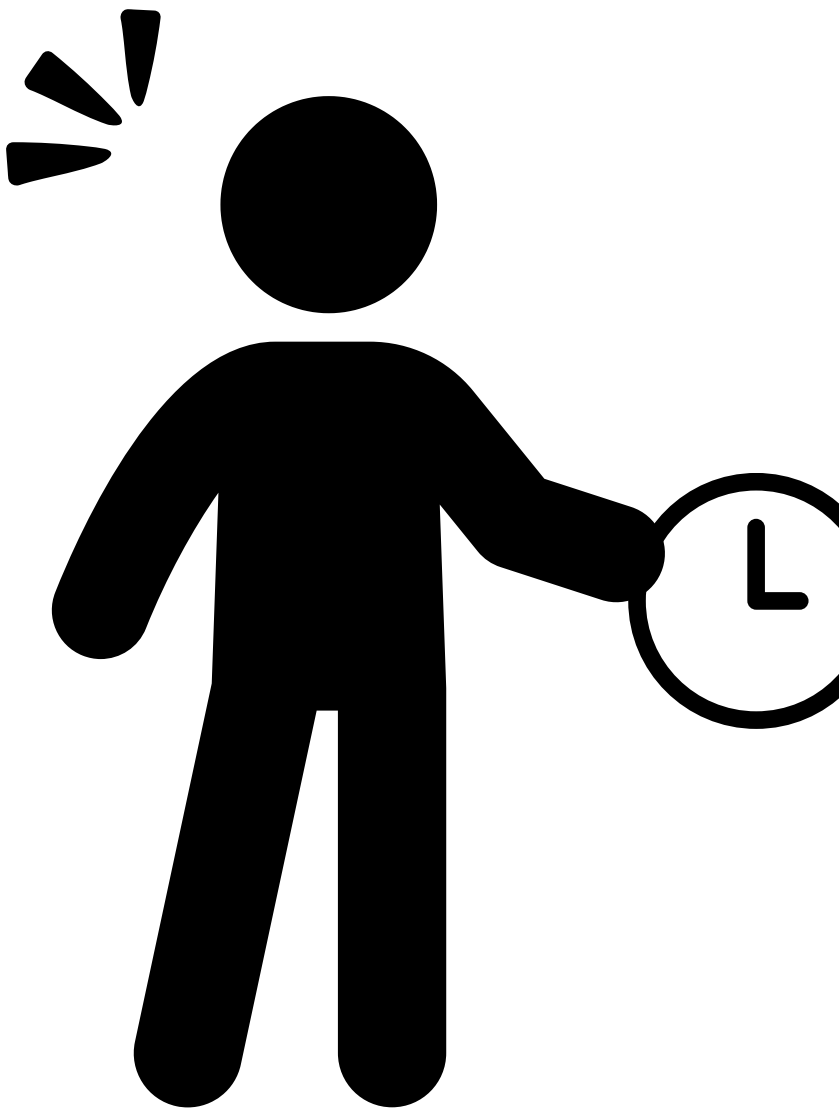

“then...” The shopkeeper hands a watch
to Sehee.

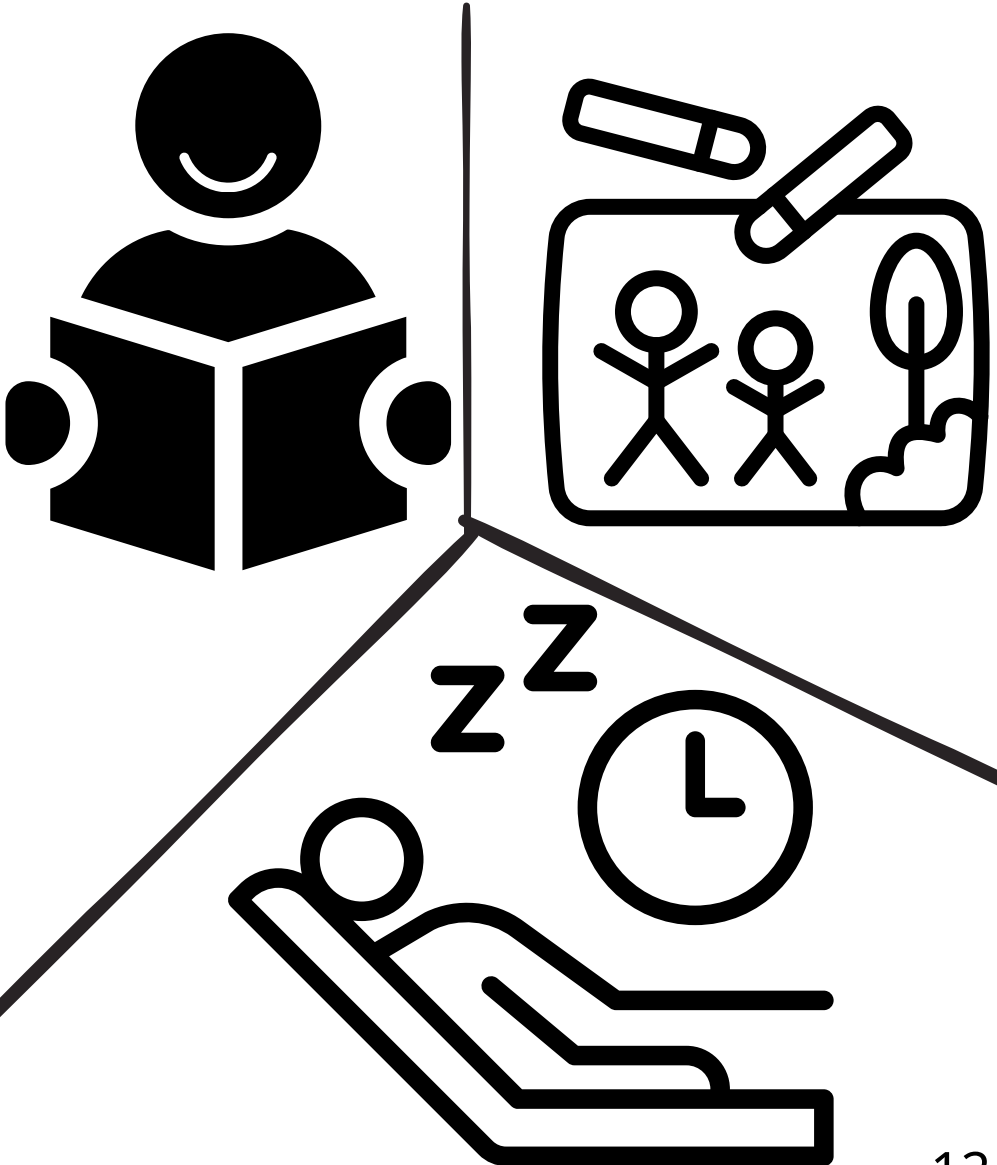

“Just one day. Do what you Want. Give it
back after 24hour,”

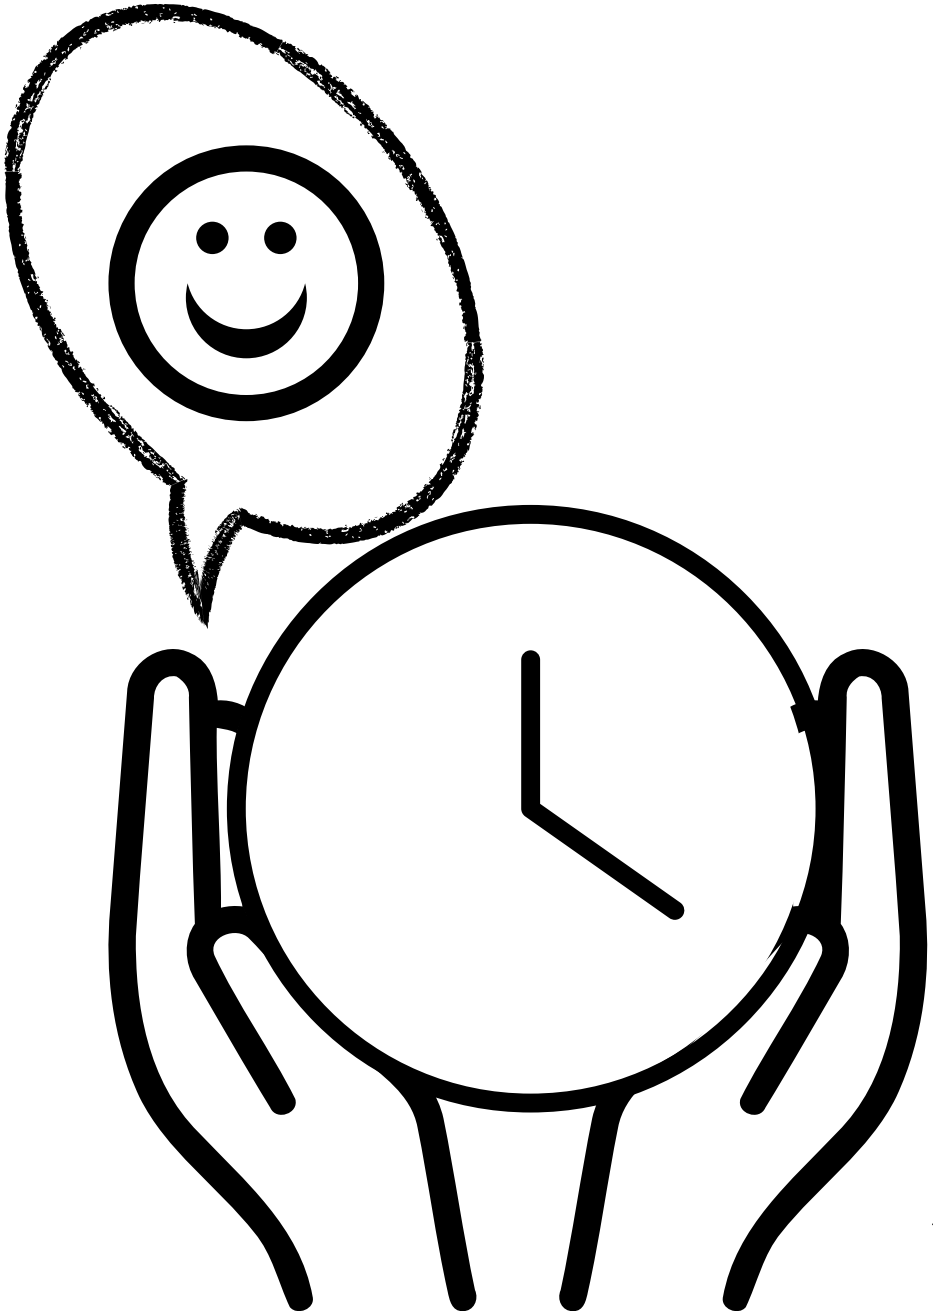

Sehee comes out of store and turns on
the clock. Then the whole world stop
with out store.

After talking a break, sehee turn the clock back and say. “I did what I wanted to do. I was happy.”
