Our Services

Meristem Design's commercial maintenance features a comprehensive set of upkeep services including:

Watering

Weeding

Pruning

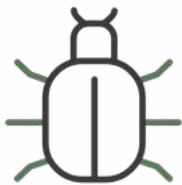

Plant Replacement*

Soil Health Monitoring

Cleaning

Pest Control

Plant-based Fertiliser

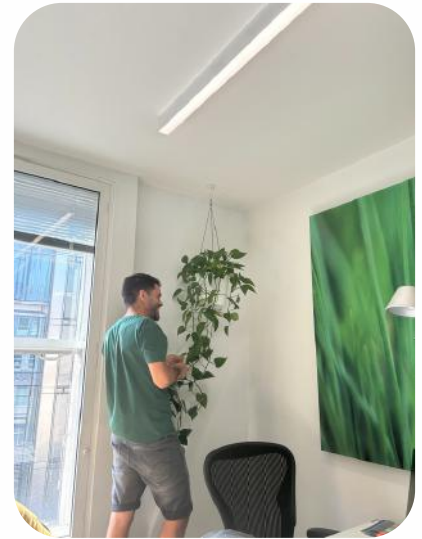

Living Wall checks

We offer a full range of maintenance services to keep your business's planting healthy, vibrant and presentable.

Tailored to the unique needs of your workplace, our horticultural team provides specialised plant care - from a one-off visit to a fully customised maintenance schedule.

*Plant replacement for natural failures only.

Our Maintenance Team

Our friendly and dedicated maintenance team brings expert horticultural care to every project, ensuring your commercial space or workplace planting stays vibrant and healthy all year round.

Whether you need one-off support or regular visits, our team works with care, precision, and a passion for sustainable practices to help your space thrive.

Our team visits each site to carry out general maintenance, recording notes on any issues, suggestions, or work carried out - ideal for busy workplaces where planting needs to look its best with minimal disruption.

From everyday office planting to more specialist features like living walls, terraces and rooftop gardens, our team has the horticultural expertise to keep every element of your workplace planting looking its best.

Each maintenance plan is tailored to fit your space, ensuring your planting continues to make the right impression, whatever the setting.
