LAURA ASHLEY

SINCE 1953

OTOÑO INVIERNO 2026

WE ARE *unashamedly romantic*

Con el cambio de estación y la llegada de días más serenos, la colección Otoño Invierno 2026 de Laura Ashley invita a bajar el ritmo y reencontrarse con la belleza del hogar. Arraigada en el estilo británico más atemporal, esta temporada apuesta por interiores acogedores, detalles cuidados y un diseño pensado para perdurar.

La temporada se despliega a través de tres historias con personalidad propia, cada una con una visión singular del otoño-invierno. Inspirada en el campo, el romanticismo europeo y los interiores ricamente superpuestos, la colección equilibra la nostalgia con una sensibilidad fresca y actual. Las paletas ganan profundidad, las texturas se vuelven más táctiles y los estampados se combinan con naturalidad por todo el hogar. Desde la serenidad inspirada en la naturaleza de Paseo por el bosque y la delicada elegancia de Un romance francés hasta la opulencia de Opulencia exquisita, esta colección ofrece propuestas para cada hogar y crea ambientes cálidos y acogedores durante toda la temporada.

Cerramos un año en el que celebramos el centenario del nacimiento de Laura Ashley: nuestra fundadora, pionera y auténtica visionaria del diseño. Esta colección refleja los valores que han definido la marca desde sus inicios: el amor por la artesanía, la conexión con la naturaleza y la convicción de que los hogares cálidos, acogedores y llenos de vida continúan inspirando cada diseño.

Woodland Walk

Escápate a la serena belleza de la campiña británica con Paseo por el bosque, una historia atemporal arraigada en el diseño tradicional y en el encanto perdurable de la naturaleza. Inspirada en el movimiento Arts & Crafts y en los poéticos paisajes de la Inglaterra rural, esta colección reúne artesanía clásica, texturas terrosas y cálidas superposiciones para crear un hogar nostálgico, acogedor y lleno de vida.

Sobre una paleta de verdes musgo, intensos tonos trufa y suaves marrones nogal, Paseo por el bosque incorpora la influencia apacible del exterior. Los delicados matices salvia aportan frescura y profundidad, creando interiores serenos, equilibrados y naturalmente elegantes.

Estampados botánicos superpuestos, flores trepadoras y paisajes de inspiración narrativa recorren la colección y capturan el romanticismo de los senderos del bosque y los jardines campestres. Los accesorios inspirados en tesoros recogidos en la naturaleza aportan autenticidad: vajillas de cerámica en relieve, cestas de ratán trenzado, flores artificiales y recipientes de inspiración artesanal añaden belleza táctil y un discreto encanto rústico a cada rincón.

A FRENCH ROMANCE

Romántica y delicadamente refinada, Un romance francés es una historia de elegancia serena, donde el encanto rústico se une a una graciosa sencillez. Inspirada en la visión contemporánea de la casa de campo francesa de Laura Ashley, esta colección combina el estilo francés más atemporal con sutiles influencias orientales para crear interiores cálidos, relajados y naturalmente sofisticados.

Flores suavemente pintadas, delicados estampados trepadores y motivos modernos inspirados en la chinoiserie aportan una narrativa sutil a toda la colección. Papeles pintados decorativos y elegantes diseños crean fondos serenos, mientras que los refinados detalles de la iluminación, la tapicería y las piezas de mesa añaden capas de discreta sofisticación.

La paleta combina azul tiza y azul denim con suaves tonos lino y gris paloma, logrando una estética fresca, apacible y bellamente equilibrada. Muebles tapizados en intensos azules denim, accesorios de cerámica artesanal, pantallas plisadas y acabados suavemente envejecidos aportan calidez y personalidad a cada espacio.

Richly Opulent

Opulencia exquisita celebra los interiores superpuestos y la grandeza atemporal; una interpretación maximalista del estilo heredado, concebida para la vida contemporánea. Brocados ornamentados, tapices de archivo y suntuosas chenillas se combinan para crear un hogar intensamente decorativo, acogedor y naturalmente refinado.

Inspirada en la opulencia renacentista y en el archivo histórico de diseño, la colección fusiona el glamour Art Déco con la elegancia Mid-Century en una estética cuidada y coleccionista. Terciopelos intensos, tapicerías táctiles y accesorios de latón envejecido aportan calidez y profundidad, mientras que las alfombras estampadas, la iluminación festoneada y los detalles decorativos crean un conjunto equilibrado, rico y lujoso.

La paleta parte de cálidos terracotas y neutros terrosos, combinados con profundos tonos arándano, carmesí y lino natural. Los acentos en azul denim, azul marino y oliva claro añaden riqueza y contraste, equilibrados con acabados metálicos bruñidos y tejidos de suaves texturas. Flores clásicas y motivos geométricos de archivo crean una estética envolvente, mientras la ropa de cama y los textiles aportan calidez, confort y una acogedora sensación de hogar.
