USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

UNITED STATES DRESSAGE FEDERATION™

US Dressage Finals Eligibility **NEW PROTOCOL FOR 2026!**

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Placing in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Placing in a Regional Championship Class:

The top four placed horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following requirements are met: US Citizenship and earning an eligible placing in a Regional Championship class.

- 1) **Placing in a Regional Championship Class:** Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's placing in a Regional Championship class. The top four placed horse/rider combinations in eligible classes will be automatically invited as long as they have achieved the prerequisite score of 57% or higher.
- 2) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen at the time they compete in the US Dressage Finals.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship placing (see above) will be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) **Eligible Wild Card Score:** Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.
- 2) **United States Citizenship Requirement:** To compete in any US Dressage Finals class, the rider must be a US citizen.

- 2) Invitation emails will be sent to combinations eligible for a Wild Card.

Note: Competitors do not need to receive an actual invitation to enter the US Dressage Finals. The entry system will have their eligibility status, and they can enter prior to receiving an email invitation.
