

"Smart Farming for a Sustainable World"

www.akshar-trading.co.in

Akshar Trading is an India-based import and export company focused on connecting quality Indian products with buyers and business partners across international markets.

We specialize in sourcing, supplying, and exporting a carefully selected range of Rice, Peanut, Spice, and Dehydrated products from India. Our approach is built around reliable sourcing, consistent product quality, professional documentation, transparent communication, and efficient order coordination.

We work with suitable suppliers and processing partners to meet buyer-specific requirements for product specifications, packaging, labeling, quantity, quality standards, and shipment terms. From enquiry and sourcing to documentation and shipment coordination, we aim to provide a smooth and professional international trading experience.

Our goal is to support importers, wholesalers, distributors, retailers, and international buyers by providing dependable sourcing solutions tailored to their business needs.

RICE

We export premium quality Indian rice including Basmati, Non-Basmati, Sona Masoori, and Parboiled rice. Our rice is carefully sourced from trusted farmers and processed with modern technology to retain its natural aroma, taste, and nutritional value.

Our rice is available in various grades and packaging options to meet the requirements of global markets.

- Long grain & short grain varieties
- 100% natural & hygienically packed
- Custom packaging available
- Worldwide shipping

JAGGERY

Our natural jaggery is made from pure sugarcane juice without any chemical additives. It is a healthier alternative to refined sugar and is rich in minerals and antioxidants.

We offer jaggery in blocks, cubes, and granulated forms suitable for both domestic and international markets.

- Chemical-free & natural
- Rich in iron & minerals
- Available in blocks & powder
- Bulk export available

SPICE

We export a wide range of Indian spices including turmeric, red chilli, cumin, coriander, black pepper, and more. Our spices are known for their strong aroma, rich colour, and authentic taste.

Sourced directly from farms and processed hygienically, our spices meet international quality standards.

- Whole & ground spices available
- No artificial colours
- Hygienically processed
- Custom packaging & labelling

JAGGERY POWDER

Jaggery powder is a fine, granular form of natural jaggery that dissolves easily and is perfect for daily use in tea, coffee, sweets, and desserts. It retains all the nutritional benefits of traditional jaggery.

Our jaggery powder is 100% natural, free from chemicals, and packed hygienically for long shelf life.

- Easy to dissolve & use
- No chemicals or preservatives
- Rich in minerals
- Bulk & retail packaging

PEANUTS

We supply high-quality peanuts (groundnuts) in bold and java varieties, suitable for oil extraction, snacks, and confectionery. Our peanuts are cleaned, sorted, and packed with care to maintain freshness.

Available in raw, roasted, and blanched forms as per buyer requirements.

- Bold & Java varieties
- Raw, roasted & blanched
- High oil content
- Export-quality packaging
