A Note From Marie

Egypt has always been one of those places that stays with you. Standing in front of the pyramids changes the way you see the world—and I want you to experience that feeling for yourself.

I designed this trip to give you the Egypt people dream about without making it feel out of reach. We'll spend three nights in Cairo, visit the Great Pyramids of Giza and the Grand Egyptian Museum, then fly to Aswan for the Nubian Village and a three-night Nile cruise to Luxor.

For those who want a little more time together, our optional Dubai Customer Appreciation Extension follows the Egypt experience. It's three relaxed nights to enjoy Dubai your way, with one special boat party created just for our travelers.

Thank you for continuing to trust Designer Vacations by JetLife with the places you've dreamed of seeing. I cannot wait to return to Egypt with you.

With love, Marie

DESIGNER VACATIONS BY JETLIFE

Welcome to Egypt

Relax — from here on out, we got it.

Your journey begins in Cairo, home to the only surviving wonder of the ancient world—the Great Pyramids of Giza — just minutes from your hotel.

Getting around is seamless. Private transportation is arranged for every excursion, so there's no navigating, no negotiating, no guesswork.

Breakfast is included every morning of your stay.

Over six days, you'll stand before the Great Pyramids of Giza, walk through the Grand Egyptian Museum, experience a Nubian Village, and set sail on a 3-night Nile cruise from Aswan to Luxor — tracing the same waters that carried pharaohs thousands of years ago.

When the sun sets, Cairo comes alive — rooftop lounges along the Nile, live music, and a skyline glow found nowhere else in the world.
