Branding & Event Displays

A 3D rendering of a trade show booth for 'THERÜD'. The booth is a U-shaped structure with three walls. Each wall features a large graphic of a person in a white lab coat, with the 'THERÜD' logo and 'LABORATORY' text. The floor is covered with a patterned rug. In the center of the booth, there are two small, dark-colored cylindrical containers, each with the 'THERÜD' logo. The background is a light gray, and the overall image has a soft, faded appearance.

Rent. Display. Return.
