SWARTZ CREEK HIGH SCHOOL

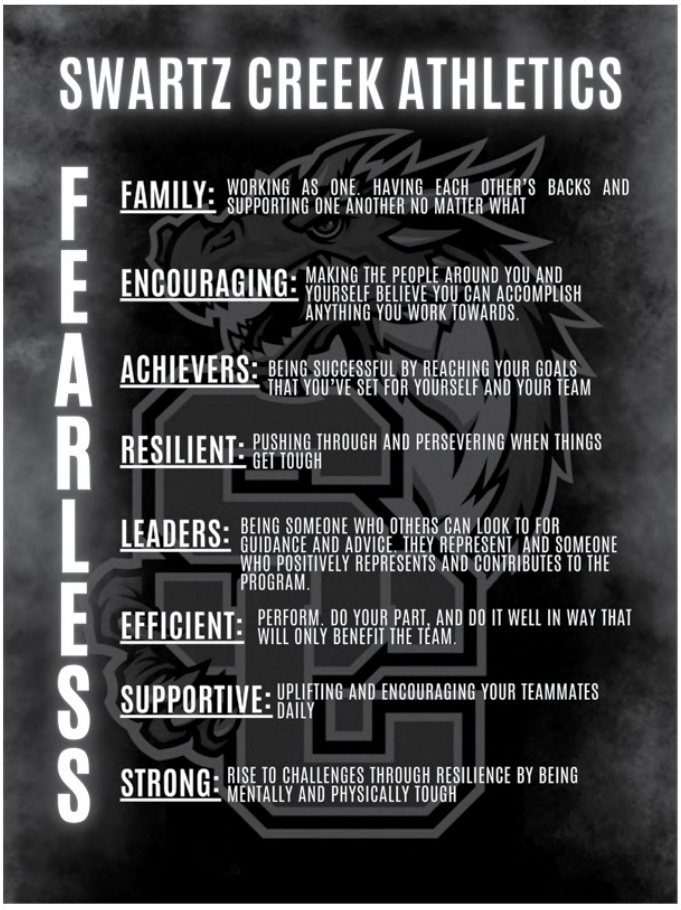

Adrian Trzebiatowski, CAA
Athletic Director

Hello Fearless Dragons!
This fall is already shaping up to be an exciting sports season, and I'm proud to be a part of it! Our student-athletes have been working hard to give their best both on and off the field and court. High school athletics provide meaningful opportunities for growth, and we are committed to fostering a collaborative approach to educational athletics. Not only are our students learning valuable life lessons through competition, but our coaches are also consistently reinforcing our expectations for "above the line" behavior and our FEARLESS Principles. This year, we are bringing those principles to life by equipping coaches with practice plans designed to integrate them throughout the week. Check out the graphic below!

High School Assistant Principal

Together we are FEARLESS!
As Rob Miller reminded us this fall, when parents and coaches work together, the athlete wins. Please continue to support our coaches and student-athletes as they strive for excellence. We feel truly blessed to partner with our athletes, parents, coaches, boosters, and community to build an athletic program we can all be proud of. Thank you for your ongoing commitment and encouragement—it truly makes a difference!

Kenneth Janczarek
Superintendent
Swartz Creek
Community Schools

Welcome back to the 2026–27 school year!

As both a former student-athlete and the father of two student-athletes, I understand the important role athletics can play in the lives of our students. Athletics are an important part of the Swartz Creek experience, helping our student-athletes develop a strong sense of belonging within the Swartz Creek family while also growing into quality young adults.

Through athletics, our students have opportunities to build lasting relationships, develop problem-solving and leadership skills, learn the value of teamwork, and demonstrate integrity both on and off the field.

I am excited for the 2026–27 school year and look forward to watching our student-athletes compete, grow, and represent Swartz Creek with pride throughout the upcoming seasons.

Best of luck to all of our teams, coaches, and student-athletes. Go Dragons!

Norman Says:
GO CREEK!

Thank You!

The staff of the Swartz Creek Athletic Department would like to send a heartfelt message of appreciation to our senior athletes!

The end of the season signifies the culmination and payoff of your hard work through the years. Think about how far you have come perfecting your craft as an athlete. All the long, hot summer workouts, endless off-season weight room and classroom sessions. Those countless days of hard work have taught you leadership, teamwork, accountability, dedication and will help set the tone for our next wave of student athletes to demonstrate what it means to be truly Fearless. We hope you have realized the impact that athletics and competition have had on you. We hope that you have realized that your coaches and teammates pushed you to be the best version of yourself. They wanted you to recognize this in you, so that you would challenge yourself now and always.

Continue to push yourself out of your comfort zone and become comfortable with being uncomfortable. Sports have taught you to constantly better yourself on and off the field and to never settle for mediocrity.

Being a leader, being organized and playing with heart are all the qualities that you should continue to pride yourself on. Understanding what sacrifice is and how to put others ahead of yourself is crucial to you succeeding in the future. You will always be a part of the Swartz Creek athletic family. It has been a true honor to have watched you grow and succeed on and off the field. We hope that you remember those days with fondness, as we will remember you with gratitude and appreciation. Those relationships will not soon be forgotten trust yourself, have faith, embrace that fearless spirit, and know that we are always in your corner cheering you on.

We wish you all nothing but the best as you take on the future. ***Remember, once a Dragon always a Dragon!***
