How to Get Started

1. SHARE YOUR DESIGN

Send us your artwork along with your preferred design and dimensions. We'll review the details and provide a custom quote.

Don't have artwork?

No problem—we're happy to connect you with one of our recommended artists.

2. REVIEW YOUR MOCKUP

Our tile design experts will create a digital mockup to bring your vision to life. With a wide range of materials and styles available, we'll work closely with you to finalize the perfect mosaic tile design.
