

Journeying with Comboni as we draw from the Charism, our fermenting force.

Commission - Spirituality and Charism
Comboni Missionary Sisters

Introduction

The Commission proposes a "Year of Dialogue with Comboni" where each Sister is invited to personally engage in this spiritual journey and then work with her community. The aim is to deepen our relationship with Comboni and our congregation's spirituality.

Program Overview

March 2024 – Introduction videos/podcasts to examine where each Sister is in her relationship with Comboni. Reflect on questions to stir your heart.

April 2024 – Explore Comboni's identity through congregational media resources. Dialogue with who he was.

June 2024 – Unpack the spirituality of Comboni's "Pierced Heart of the Good Shepherd" through video/audio reflections.

August 2024 – A virtual pilgrimage retracing the significant places that shaped Comboni's life "Plan." See our calling illuminated by his project and passion.

October 2024 – Share our passion for mission with the local Church through community activities, parish groups, videos etc.

December 2024 – Contemplate God-made-man through an icon exercise. Appreciate God's presence among and within us.

February 2025 – Examine the role of women in Comboni's mission using first Sisters' experiences, his writings and archives.

April 2025 – Reflect on how Comboni related to the Church through his letters. Observe how we dialogue with the local Church.

June 2025 – Reconfiguration reflection: How can we embrace the new realities emerging, like Comboni did, through a survey?

.....
The Commission will follow-up in each province and designate a Sister as the contact person to bridge communications.

Let this "Year of Dialogue with Comboni" be a grace-filled time to be reconfigured by encountering anew the heart of our spirituality and charism!
