ABOUT US

About Leezantra International

LEEZANTRA INTERNATIONAL is a dynamic export-import company committed to connecting global markets through the supply of high-quality products sourced from India. Established with a vision to become a trusted international trading partner, the company focuses on delivering excellence, reliability, and long-term value to customers across the world.

The name "LEEZANTRA" represents innovation, global ambition, and a commitment to building strong business relationships. By combining modern business practices with deep market knowledge, LEEZANTRA INTERNATIONAL aims to bridge the gap between manufacturers and buyers worldwide while promoting Indian products in international markets.

As a Exporter, we work with multiple partner mills and offer flexible packaging, customized solutions, and export-ready supply to buyers across the globe.

With a strong emphasis on quality, transparency, and customer satisfaction, LEEZANTRA INTERNATIONAL works closely with trusted manufacturers, suppliers, and business partners to ensure that every product meets the expectations of international buyers. The company understands that successful global trade is built on trust, consistency, timely communication, and a clear understanding of customer requirements.

LEEZANTRA INTERNATIONAL is committed to exploring diverse product categories and identifying reliable sourcing opportunities that create value for both suppliers and customers. From product sourcing and quality coordination to packaging, documentation, logistics, and export support, the company strives to provide a smooth and professional trading experience.
