FORBES TRAVEL GUIDE FIVE-STAR

ONE MICHELIN KEY

SKY-HIGH LUXURY IN ROPPONGI

Thank You

Thank you for joining our Tokyo Luxury Curated Vacation. ❤️

I created this trip to be a once-in-a-lifetime experience, and I didn't want the touristy version. So what I gave you is New York City energy meets Bangkok on crack, in the best way possible.

From foodie tours through the city's best spots, to fireworks lighting up the sky over the river, to shopping at Louis Vuitton, to sipping cocktails from a world-famous mixologist, to dinners you'll be talking about long after you're home — this trip has it all.

I hope you enjoy it as much as I enjoyed creating it.'

To every traveler joining us in Tokyo — thank you, from the bottom of my heart. I will give everything I have to make this one of the most unforgettable experiences of your life.'

TOKYO 2027

The JetLife Tokyo Experience

FIVE NIGHTS. TOKYO IS YOURS.

What's ahead —

TOKYO 2027

Shibuya

Night One

SHIBUYA AFTER DARK

Shibuya lights. Noodles and sake. R&B after dark

Your first night begins beneath Shibuya's glowing billboards and giant 3D cat, right in the middle of Tokyo's electric energy. From there, we'll slip into a lantern-lit alley for noodles, skewers, and sake shared together. Then we'll close the night at an R&B club with cocktails, smooth music, and Tokyo still moving around us.

SHIBUYA YOKOCHO

Noodles, skewers, and sake —
Tokyo's version of a welcome dinner.

THE R&B ROOM

The night closes out low-lit, smooth,
and loud in all the right places.

Asakusa

Day Two

TOKYO SKYTREE BY NIGHT

The night is
yours to take.

Choose your look by day. Take over Tokyo by night.

Day Two begins with your choice of photoshoot: traditional kimono portraits or a high-energy Shibuya street session with a professional photographer. Vintage luxury shopping is optional, with authentic designer bags priced up to 90% below retail. By night, the experience shifts to Asakusa and the Tokyo Skytree district, where we suit up, take the wheel, and ride through the city together on street carts beneath the lights.

OPTIONAL: THE VINTAGE HUNT

Authentic designer bags,
below retail.

TOKYO 2027

The Kimono Shoot

**A thousand gates.
One perfect frame.**

Step into silk and walk a path lined in red. Professional styling, a private photographer, and a backdrop built for stillness — this is the portrait you'll frame at home. Some moments in Tokyo aren't meant to be rushed.

Option One — choose your shoot.

TOKYO 2027

The Shibuya Shoot

Neon behind you.
Energy in front.

This one's loud on purpose.
A photographer who knows
the streets, neon that never
sits still, and a crew that
isn't afraid to show it.
This is Tokyo caught
mid-laugh — the shot
that gets the most
likes and the best
stories.

Option Two —
choose your shoot.

TOKYO 2027

Shinjuku

Day Four

KABUKICHO AFTER DARK

Where the
night ends,
the magic
begins.

Neon streets. Teppanyaki flames. Cocktails made like theater.

Day Four takes us into Shinjuku, beginning with a neon walk through Kabukicho — Tokyo's famous red-light and entertainment district, where the signs glow late and the energy never really slows down. From there, we sit down for teppanyaki and an easy, social dinner in the middle of it all. Then the night closes with our world-famous mixologist experience, where every pour feels like a performance and every drink arrives with a little drama.

TOKYO 2027

Ginza

Day Five

THE FINAL ROUND

Front-row sumo. One final hidden toast.

Day Five takes us to Tokyo Tower for a live sumo exhibition — strength, ritual, and centuries of tradition — with a Japanese set meal served as you watch. As the sun sets over the city, we close the trip behind the hidden doors of Tír na nÓg, Ginza's enchanting speakeasy, for one last cocktail and one final toast to Tokyo.

LIVE SUMO

A live exhibition of strength, ritual and tradition — with a Japanese meal included.

THE MEAL
