

SPLICE SOLUTIONS

— COLLECTION —

ESD SAFE

Protects products and processes

SECURE & RELIABLE

Strong, consistent tape joins

BOOST EFFICIENCY

Streamline processes and reduce downtime

COMPLETE RANGE

Tapes, tools, accessories and handling solutions

SMART CONNECTIONS.
RELIABLE PRODUCTION.

ESD SPLICE TAPE

ESD-safe splice tapes for SMT production.
Secure, reliable connections for smooth and
continuous machine operation.

SMART CONNECTIONS. RELIABLE PRODUCTION.

ESD SMT SINGLE SPLICE TAPE

Single Splice Tapes join SMT carrier
tapes using pre-cut ESD-safe
PET strips.

NEW

Part No	Size	Price
G-TSS-08-ESD	8mm/1000pcs	£45.80

ESD SMT DOUBLE SPLICE TAPE

Double Splice Tapes join SMT carrier
tapes using pre-cut ESD-safe PET
strips with 10 indentations per side
for sprocket alignment.

NEW

Part No	Size	Price
G-TDS-08-ESD	8mm/500pcs	£32.90
G-TDS-12-ESD	12mm/500pcs	£36.90
G-TDS-16-ESD	16mm/500pcs	£44.90
G-TDS-24-ESD	24mm/250pcs	£46.90

ESD SMD COVER EXTENDER/FEEDER TAPE

SMT Cover Tape Extenders lengthen
cover tape when leaders are short
or missing, reducing waste and
feeder load time. ESD-safe pre-cut
strips quickly extend reels of any size.

NEW

Part No.	Size	Price
G-TFT-08-ESD	8mm/500pcs	£34.90
G-TFT-12-ESD	12mm/500pcs	£46.90
G-TFT-16-ESD	16mm/500pcs	£43.90
G-TFT-24-ESD	24mm/250pcs	£45.90

SPLICE / FEEDER TAPE

Splice tape, including double, single, and cover extender/feeder types, connects and extends component reels for smooth SMT production.

SMT Single Splice Tape

SMT Single Splice Tape in yellow (8mm or 12mm) joins cover tapes for smooth SMT feeding.

Part No.	Size	Price
G-TSS-08-Y	8mm/1000pcs	£37.80
G-TSS-12-Y	12mm/1000pcs	£39.80

SMT Double Splice Tape

SMT Double Splice Tape in yellow (8-24mm) ensures secure joins and smooth SMT feeding.

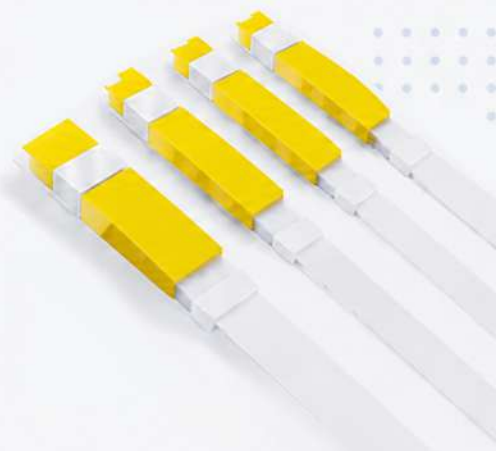

Part No.	Size	Price
G-TDS-08-Y	8mm/500pcs	£24.30
G-TDS-12-Y	12mm/500pcs	£27.35
G-TDS-16-Y	16mm/500pcs	£33.98
G-TDS-24-Y	24mm/250pcs	£35.98

SMD Cover Extender/Feeder Tape

The SMD Cover Extender Tape adds 500mm of leader tape for easier feeder loading, reducing waste and ensuring smooth, continuous feeding in SMT assembly.

Part No.	Size	Price
G-TFT-08-Y	8mm/500pcs	£24.75
G-TFT-12-Y	12mm/500pcs	£26.75
G-TFT-16-Y	16mm/500pcs	£32.78
G-TFT-24-Y	24mm/250pcs	£35.65

WHY CHOOSE OUR SPLICE TAPES?

ESD SAFE

Protects products and processes.

SECURE & RELIABLE

Strong, consistent tape joins.

REDUCE DOWNTIME

Keep production running smoothly.

IMPROVE EFFICIENCY

Tools and solutions that save time.

SPLICE ACCESSORIES

Streamline your SMT production with our complete splicing solution, featuring the SMD Splice Tool, SMT Splice Scissor and Sawtooth Positioning Scissor for precise, durable and efficient tape joining every time.

ESD REEL SEALER

The Reel Sealer securely marks and prevents SMT tape reels from unravelling during storage. ESD-safe pre-cut strips peel and apply easily to reels of all sizes.

Part No.	Quantity	Price
G-RS-07-ESD	3000pcs	£44.80

50mm x 7mm per piece

Ideal for long-term storage.

Use within 6 months; store at 20°C–28°C, 40%–70% humidity.

NEW

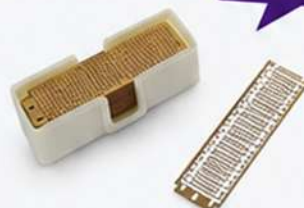

SMD BRASS SPLICE CLIPS ON FRAME

The Splice Clip is a brass shim with sharp edges for joining SMT carrier tapes of any type or width.

Part No.	Quantity	Price
G-SC-02	4000pcs	£49.00

ONLY FOR USE
WITH THE
SMT STAPLER
SPLICE TOOL

SMD BRASS SPLICE CLIPS

SMD brass splice clips join component tapes securely for reliable and continuous SMT machine operation.

Part No.	Quantity	Price
G-SC-01	4000pcs	£38.00

Keep your
PRODUCTION
running smoothly.

SPLICE ACCESSORIES

Streamline your SMT production with our complete splicing solution, featuring the SMD Splice Tool, SMT Splice Scissor and Sawtooth Positioning Scissor for precise, durable and efficient tape joining every time.

SMD Splice Tool 8 - 44mm Tapes

The SMD Splice Tool ensures seamless, secure tape reel splicing for 8-44mm reels, making it essential for uninterrupted SMD assembly line operations.

Part No.	Price
G-HST-4	£167.50

Blue Handle Metal SMT Splice Tool Scissor

The Blue Handle SMT Splice Scissor features a precision positioning function, durable sharp blades, and a spring design. Perfect for safely and accurately joining all sizes of carrier tape in SMT applications.

NEW

Part No.	Price
G-HST-5	£57.00

Black Sawtooth Metal SMT Splice Tool Scissor

The Black Sawtooth SMT Splice Scissor features a precise positioning function and sawtooth clip, making it ideal for accurately cutting and joining all sizes of carrier tape in SMT processes.

NEW

Part No.	Price
G-HST-6	£57.00

SMT STAPLER TYPE SPLICE TOOL

FAST. SECURE. EFFICIENT. EVERY SPLICE, EVERY TIME.

The Semi-Automatic Splice Tool holds 20 Bandolier Brass Shims, securing tapes quickly and efficiently for all SMT materials.

For use with the Splice Clips on Frame.

Its stapler-style steel design ensures durability, comfort, and reliable splicing performance.

NEW

Part No	Price
G-HST-7	£178.80

**COMPATIBLE WITH
SMD BRASS SPLICE
CLIPS ON FRAME**

Brass shims with sharp edges, designed for securely joining SMT carrier tapes of any type or width.

Part No.	Quantity	Price
G-SC-02	4000pcs per box	£49.00

- ✓ 20 clips per frame
- ✓ Suitable for all carrier tape widths

Keep your
