We only went and won!! 🏆

We're absolutely over the moon to announce that Stellantis has won the Vehicle Manufacturer Bodyshop Programme of the Year at the ABP Repairers Choice Awards 2025, with more than 900 repairers voting this year!

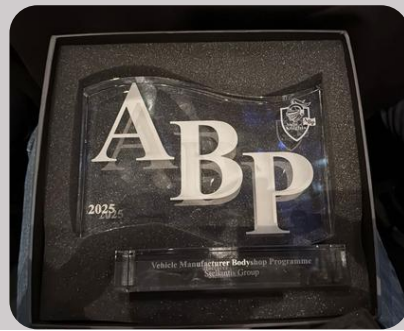

A huge thank you to all our Stellantis Accident Repair Centres who took the time to vote. We truly appreciate each and every one of you. Your support, partnership, and commitment make this programme what it is.

Congratulations as well to all the other winners and nominated finalists on the night - so many incredible achievements across the board!

Paul Glover, Stellantis Network Manager, commented: "So proud of our team – they work tirelessly throughout the year, up and down the country, supporting our amazing network of accident repair centres. All that hard work has paid off.

What a few years we have had! Well done to everyone else who won awards and was recognised for their dedication to our industry." Here's to continued collaboration, growth, and raising standards across our sector.
