

THE HOUSE CATALOG: DISCOVER YOUR LEGACY

WHERE VALUES COME TO LIFE: THE DELCAMPO HOUSE SYSTEM

At DelCampo, our mission is to foster every student's highest potential and our vision is to inspire — and be inspired by — high-quality education. The House System was created to bring these principles to life each and every day.

Each house represents a unique set of values that shape how we learn, lead, and connect with one another. Together, they strengthen our sense of belonging, foster collaboration, and empower every student to shine.

We carefully selected symbols from the rich flora and fauna of our country, ensuring that each one also reflects the heritage and history of DelCampo. Every house design was thoughtfully created to intertwine nature, history, and our core values, all deeply aligned with our school's mission and vision.

Through the House experience, students will find opportunities to develop leadership, serve their community, and participate in meaningful traditions that will continue to shape and enrich our school culture for years to come.
