PASTORAL LETTER

Woodside Cottage
Colton
ULVERSTON

December 2019

Dear Friends

At this time of year we are beginning to turn our thoughts to Christmas and it is fairly common to write a Christmas to do list, for example.....

- Buy presents
- Wrap gifts
- Send gifts
- Shop for food
- Go and see the lights

Perhaps we could change that and make a new list!

So here's a NEW Christmas to do list

- Be PRESENT. Don't make excuses not to join in.
- WRAP someone in a hug– a lot of people never get a hug and it might be the nicest thing they receive this Christmas. Go on....don't be shy!
- SEND peace
- Donate FOOD. Now is the time to start to give our local food bank a head start by giving Christmas goodies so that no-one is left out.
- Come to worship THE LIGHT OF THE WORLD!

Who is this light of the world? It is Jesus!

John writes

In the beginning the Word already existed.
The Word was with God, and the Word was God.
He existed in the beginning with God.

God created everything through him,
and nothing was created except through him.
The Word gave life to everything that was created,
and his life brought light to everyone.
The light shines in the darkness,
and the darkness can never extinguish it.

Jesus can and will bring light into your life too, if you only ask.

Wishing you all a peaceful time this Christmas

Your sister in Christ

Joanna

P S. A thought.....When did Jesus say you should buy so much stuff to
celebrate his birthday?

COLTON CHRONICLES

Harvest-Again! Mrs. Susan King has taken me to task for not fully
covering the Farmer’s Harvest fully. Apparently, she approved of my ‘Talk’
and stated “We could even have taken more!” Now there is a first.

Also, I failed to thank the caterers Carol Dickson who provided a ‘tasty supper’ and one Roderick Smith for organising the wine and ‘generously kept us lubricated’.

And we have to thank dear Susan for organising the raffle which raised £80 which will be donated to the ‘Open Book’ a charity in Ghana. *A penitent Editor.*

Boasting: As human beings we do love to have a little boast now and then and this time it is your editor who, in November, completed the 240th. edition of the Colton Parish News i.e. over a period of 24 years. This issue is, therefore the first of the 25th.year which sadly will, in all probability, be the last year, not only because this editor is about to enter his 94th.year, but there could be distribution problems.

PARISH NEWS

Sadly, we have to tell of the death of Derek Parkin who lived in the parish for many years before emigrating to Ulverston. Derek was financially knowledgeable, being in his working life, a Bank Manager. He was a good friend to many of us and not only did we enjoy his company in the White Hart but appreciated his work, over a period of many years, keeping the church on the financial straight and narrow by auditing our accounts and also the many charities he actively supported He will be sadly missed and we send our prayers and condolences to his wife Pauline and his family

Congratulations: We are always delighted to print congratulations for those with a significant birthday or anniversary but in order to do so please let us know. Details on the front cover page. Thank you!

And we have one, so congratulations to Ronnie Mein of Bouth, our wonderful local historian, who celebrated his 80th.Birthday on 10 October!!

Not to be outdone more congratulations to Sue and Ken Dean who celebrated their 60th. Wedding Anniversary on 1 November and Sue her ?th birthday two days later. Which neatly gives us the opportunity to thank Sue for all her work compiling the Sidepersons Rota, in her words, “Since Adam was a Lad”.

Rusland Spring Show: Now is the time to plant your bulbs to exhibit at the show. There is plenty of choice at our garden centres so let us make it an even more magnificent display in 2020.

*

The eagle-eyed who watched the BBC on Remembrance Sunday might have noticed local resident Roger Perry, ex Royal Fleet Auxiliary, as a civilian ‘formation walking’ past the Cenotaph, marching would be a slight exaggeration.

*

New Benefice Magazine: The first edition is due to be launched in January 2020 and will replace all the existing parish magazines except Colton. The deadline for contributions is **Sunday 8 December**. Also, if you would like to advertise.

For details and booking go to our web site *What’s On* page. <http://www.ruslandhorizons.org>

A stunning book on ‘Field Names & Old Maps’ is now available for sale at Suttons Book shop in Ulverston or can be bought by emailing Rusland Horizons Trust: secretary@ruslandhorizonstrust.org £17.50 or £16.50 for members + £3.00 postage

*

Doorstep Callers: Apparently there has been a spate of ‘Door Step Callers’ in the community which, in some cases, has caused distress especially to vulnerable adults. The advice is simple just **DO NOT BUY!**

CITIZENS ADVICE BUREAU

I'm looking online for fancy dress costumes for my kids. But I'm worried as I've read stories about some costumes not being fire-safe and some children being hurt. What should I look for to keep them safe?

Unfortunately, you're right. There have been a number of incidents where children's costumes were set alight by accident. Check that the costume comes with safety instructions, a CE marking and the manufacturer's name. A CE marking means the product complies with health and safety requirements, and the product has been tested for flammability. (Sometimes a fake CE mark is used. A giveaway is the middle line of 'E', which should be shorter than the other parts.)

Make sure you're buying from a reputable online retailer. Find out as much about them as you can, like customer reviews, or ask them directly for safety information. Also check whether the product has ever been recalled before, on the website **productrecall.campaign.gov.uk**.

Talk to your children about how best to stay safe while having fun in fancy dress, like keeping away from candles and open flames. And if you're in doubt, don't buy the product. You can always contact Citizens Advice consumer helpline on 03454 04 05 06 for further help or to report an issue.

Free, confidential advice and help is available from South Lakes Citizens Advice on any aspect of debt, consumer problems, benefits, housing, employment or any other problems. We can give detailed advice over the phone – telephone 03444 111 444. For email see our website: www.southlakescab.org.uk. We have various outlets across South Lakeland if an appointment is required. COLTON PARISH COUNCIL

Councillor vacancies

Our full complement of councillors is nine and for a considerable amount of time we have operating with only six councillors. Following interest expressed by two individuals, at our October meeting we were pleased to co-opt as councillors Abigail Bennett from Spark Bridge and Prof. John Taylor from Finsthwaite. This leaves just one vacancy and notices have been posted advertising the vacancy for any individuals who may be interested to contact our clerk at clerk@coltonparishcouncil.org.uk

Planning

As councillors we receive numerous issues raised by parishioners re planning some of which we can answer immediately and others we refer to the National Park Planning for a resolution. The planners ask the Parish Council to be the eyes and ears re possible planning issues but we have become concerned that, despite raising these issues, we have had little feedback and often this takes up to twelve months. Due to these concerns we arranged a meeting with three members of the planning department to attempt to address the situation and see if we could improve communication. The meeting was constructive and both the council and planners have a better understanding of the process and concerns. Individual outstanding issues were discussed which hopefully will be resolved, but only time will tell.

Community Grants

The council has allocated an amount of money to support community organisations which could make use of additional funds to provide new or replacement items, or towards minor repairs, or it could help a community group buy equipment. Notices have been posted and whilst the deadline for applications was the **Friday 22 November** we will still accept applications after this date.

The Oxen

Christmas Eve, and twelve of the clock.
“Now they are all on their knees,”
An elder said as we sat in a flock
By the embers in hearthside ease.

We pictured the meek mild creatures where
They dwelt in their strawy pen,
Nor did it occur to one of us there
To doubt they were kneeling then.

So fair a fancy few would weave
In these years! Yet, I feel,
If someone said on Christmas Eve,
“Come; see the oxen kneel,

“In the lonely barton by yonder coomb
Our childhood used to know,”
I should go with him in the gloom,
Hoping it might be so.
