

BOARDROOM LAYOUTS

* Camera, Two Displays.

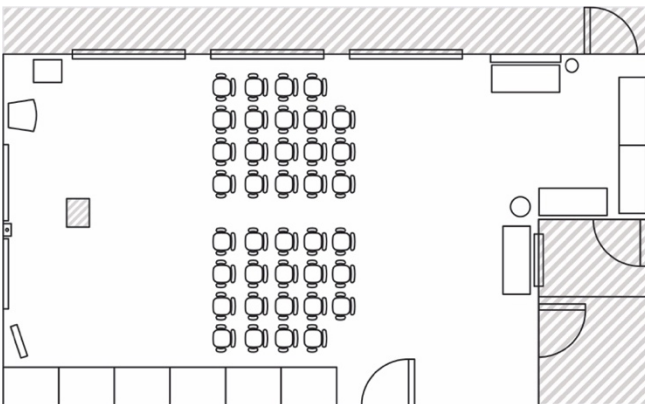

V-Shaped

Our default boardroom setup. The chevron shaped setup allows a focal point. Grants access to our technologies* and centres the table's head.

BEST FOR: Video conferencing, meetings, business proposals.
SEATS: 21

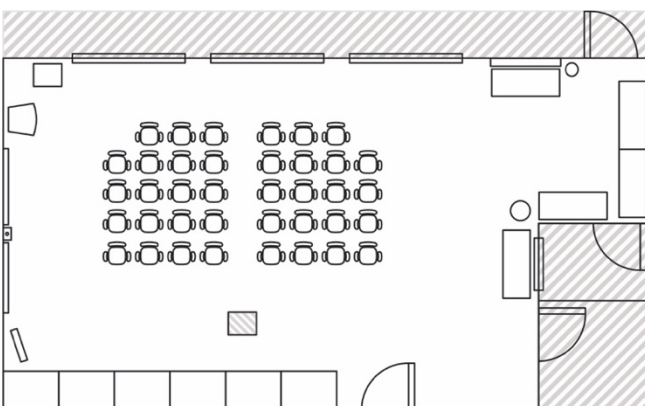

Presentation

An auditorium-style setup, with rows of chairs facing our technologies*.

BEST FOR: Presentations, award ceremonies and brainstorming.
SEATS: 38

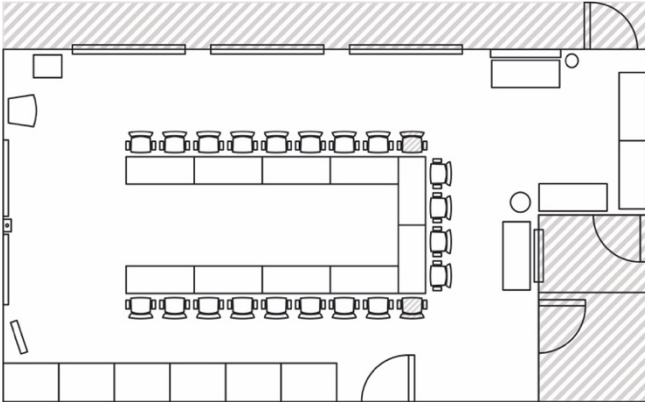

Presentation Alternative

An auditorium-style setup, with rows of chairs facing our benches. This setup does not provide access to our screens.

BEST FOR: Presentations, award ceremonies and brainstorming.
SEATS: 38

U-Shaped

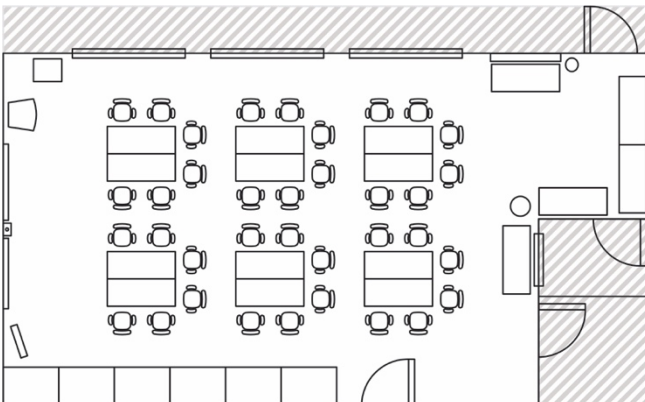

A U-Shaped setup that allows many people to become a focus, great for interactivity. Provides easy access to our technologies*.

BEST FOR: Interactive presentations and training sessions.

SEATS: 20-22

Session

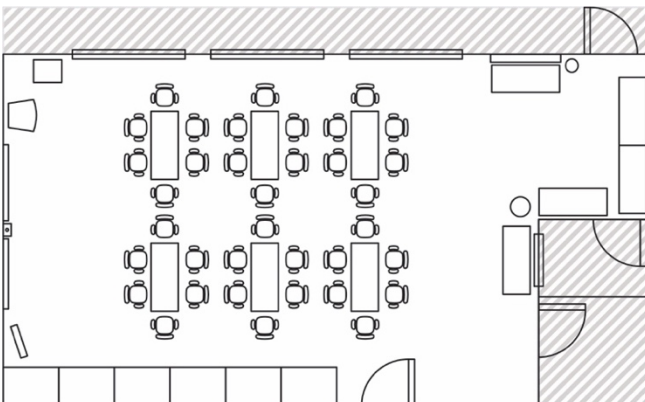

A non-distracting, highly adaptable setup for group work.

BEST FOR: Focussed discussions, briefings and workshopping.

SEATS: 6-36

Mini Workshops

A setup that divides chairs and tables between 6 groups (6 chairs per table).

BEST FOR: Hands-on workshops, breakout sessions and collaborative activities.

SEATS: 36
