OUR PRODUCTS

Basmati Rice

Premium Basmati Rice

Our premium basmati rice is aged for 2 years to develop its extraordinary aroma and long, slender grains. Each grain expands to double its size when cooked, offering a fluffy texture and authentic taste. Perfect for biryanis, pulao, and special occasion meals. Sourced from the finest farms in India, this rice ensures consistent quality and excellent cooking results every time.

Golden Basmati Rice

Golden basmati rice is carefully selected for its unique golden hue and superior cooking quality. This premium variety offers a mild aroma and soft texture that makes it ideal for everyday meals and special dishes. The grains remain separate and fluffy after cooking, never sticky or clumpy. Perfect for serving with curries, stews, and grilled vegetables.

OUR PRODUCTS

Basmati Rice

Pusa Basmati Rice

Pusa Basmati is a premium variety known for its exceptional taste, texture, and elongation properties. The grains are long, slender, and aromatic, making it a favorite for festive occasions and fine dining. When cooked, each grain elongates beautifully while maintaining its shape and integrity. This rice is perfect for making authentic Indian biryanis and pulaos.

Organic Basmati Rice

Our organic basmati rice is grown using traditional farming methods without any chemical fertilizers or pesticides. This ensures pure, chemical-free grains that are rich in essential nutrients. The rice has a natural fragrance and delicate flavor that enhances any dish. Certified organic and sustainably sourced, this rice is ideal for health-conscious consumers who value quality and purity.

OUR PRODUCTS

Non Basmati Rice

Super Fine Rice

Super fine rice is specially processed to deliver exceptional cooking quality and taste. The grains are polished to perfection, resulting in a soft, fluffy texture when cooked. This versatile rice is perfect for daily meals, including fried rice, steamed rice, and side dishes. It absorbs flavors well and pairs beautifully with all types of curries and vegetables.

Medium Grain Rice

Our medium grain rice is versatile and perfect for everyday cooking. The grains are plump and tender, offering a soft texture that works well in various dishes. This rice is ideal for making risotto, rice puddings, and traditional comfort food. It cooks evenly and absorbs flavors beautifully, making it a favorite for home cooks and professional chefs alike.

OUR PRODUCTS

Non Basmati Rice

Long Grain Rice

Long grain rice is prized for its distinct flavor and non-sticky texture. Each grain cooks up separate and fluffy, making it excellent for serving with gravies and sauces. This rice has a subtle nutty taste that complements various cuisines, from Asian stir-fries to Caribbean dishes. Its versatility and consistent quality make it a pantry staple.

Short Grain Rice

Short grain rice has a soft, creamy texture that makes it ideal for traditional dishes like risotto, sushi, and creamy rice puddings. The grains are plump and tender, releasing natural starches that create a rich, velvety consistency. This rice is perfect for comfort food and dishes where you want a more luxurious, creamy mouthfeel.

Indian Spices Collection

Premium Saffron

Our premium saffron is sourced from the finest farms in Kashmir, India. Each strand is handpicked for its deep red color and intense aroma. This grade A+ saffron is rich in flavor and color, perfect for enhancing sweets, biryanis, and traditional dishes. A little goes a long way in adding elegance and richness to your culinary creations.

Premium Cumin Seeds

Our premium cumin seeds are carefully selected for their strong, earthy aroma and rich flavor. These seeds are essential in Indian, Middle Eastern, and Mexican cuisines. When toasted, they release a warm, nutty fragrance that enhances curries, rice dishes, and spice blends. High-quality cumin seeds add depth and complexity to any recipe.

Pure Coriander Seeds

Our pure coriander seeds are premium quality with a golden brown color and citrusy aroma. These versatile seeds are a cornerstone of Indian cooking, used whole or ground to add a warm, slightly sweet flavor to curries, stews, and marinades. Rich in antioxidants and essential oils, they offer both culinary and health benefits.

Premium Turmeric Powder

Our premium turmeric powder is made from the finest dried turmeric roots, ground to a fine, vibrant golden powder. It has high curcumin content and a strong, earthy flavor. This versatile spice is essential in Indian and Asian cuisines, adding color and health benefits to curries, soups, and traditional remedies.

Premium Chilli Powder

Our premium chili powder offers the perfect balance of heat and vibrant color. Made from carefully selected dried red chilies, this powder adds authentic spiciness to curries, marinades, and seasoning blends. It has a bright red color that enhances the visual appeal of dishes while delivering a robust, fiery flavor.

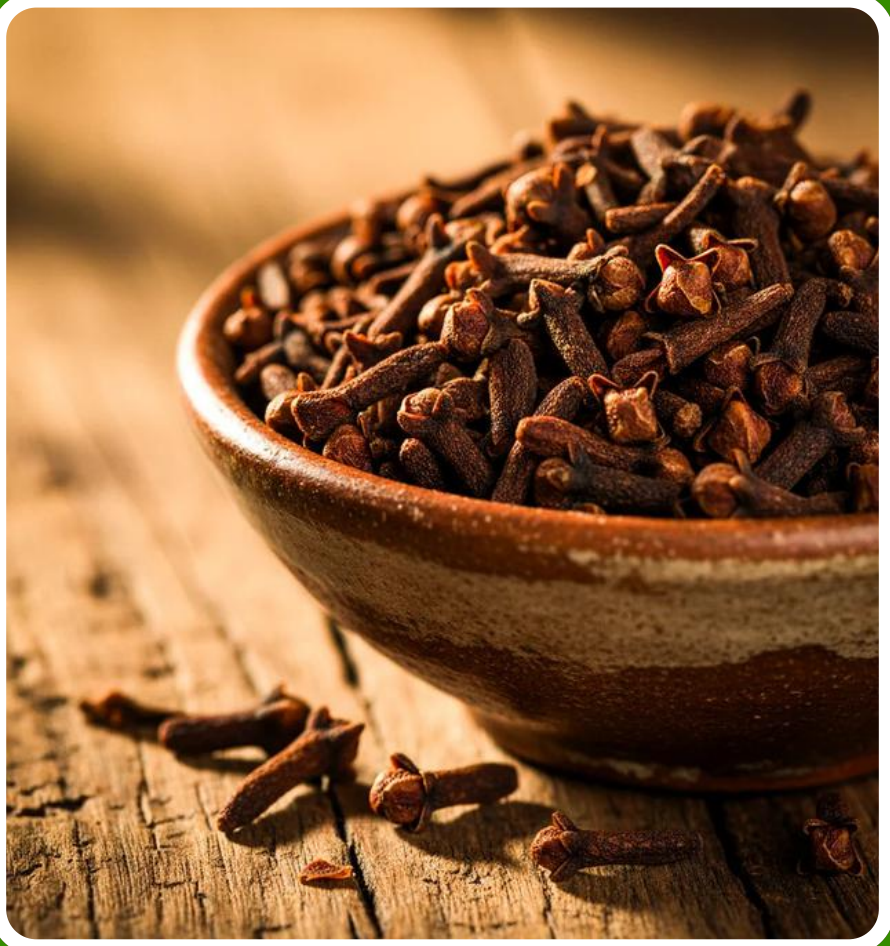

Green Cardamom

Our green cardamom pods are premium quality with an intense, sweet, and floral aroma. These fragrant pods are essential in Indian sweets, chai tea, and savory dishes like biryani and korma. The small black seeds inside are packed with flavor and essential oils, making cardamom one of the most prized spices worldwide.

Premium Cloves

Our premium cloves are rich in aromatic oil and have a strong, warm, and slightly sweet flavor. These dried flower buds are essential in Indian spice blends like garam masala and are used to enhance rice dishes, curries, and baked goods. Cloves also have natural antiseptic properties and are commonly used in traditional remedies.

Premium Black Pepper

Our premium black pepper is sun-dried and carefully selected for its bold, pungent flavor and strong aroma. Known as the "king of spices," black pepper enhances almost any savory dish. It adds warmth and depth to soups, curries, marinades, and salads. Freshly ground black pepper offers the most intense and satisfying taste experience.
