

KTJ Sixth Form - January 2027 Enrolment

An Exclusive 18-Month A Level Pathway

We are delighted to announce an exciting opportunity for students wishing to join KTJ Sixth Form. We will offer a tailored 18-month A Level programme designed to give motivated students a strong foundation for success.

- **Tailored start point:** Bridging Term 1 content so that no ground is lost.
- **Focused learning time:** Instead of study leave in Year 12, students will remain in lessons, ensuring every topic is fully covered and well supported.
- **Strong exam preparation:** All external exams (including AS) will be taken in May and June of Year 13, allowing maximum teaching and revision time.

Subject options

Students can choose three or four subject options.

Block 1	Mathematics	Block 3	Chemistry or Economics
Block 2	Further Mathematics or Biology	Block 4	Physics

Eligibility criteria

- Students must have achieved, or be predicted to achieve, at least an A grade in their chosen subjects.
- Students must demonstrate excellence through outstanding school reports.
- Candidates are required to complete an interview with the Sixth Form Team.
- All applicants will sit the ALIS Test.

Fee structure

- Lower Sixth (Term 2 & 3): **RM45,255 per term***
- Upper Sixth: **Standard Sixth Form fee applies**

*Inclusive of tuition and full boarding.
