Company Profil

PT Sinar Samudra Stevedoring We are a professional cargo handling company providing integrated services including stevedoring, cargodoring, receiving and delivery, and warehousing, operating at Tanjung Priok Port and Marunda Port. We specialize in domestic inter-island cargo handling, covering both breakbulk and containerized shipments, with a strong commitment to professional, fast, safe, and efficient service.

Backed by highly experienced personnel and modern equipment, we serve as a trusted strategic partner in supporting the seamless movement of national logistics.

Competitive Advantage

- **Highly Experienced** Backed by a team of seasoned professionals with extensive hands-on experience in stevedoring operations at major ports.
- **Fast & Secure** We deliver efficient stevedoring operations supported by the highest safety standards, ensuring your cargo remains secure and intact at every stage.
- **Strong Commitment** We deliver consistent and professional services to ensure partner satisfaction and seamless vessel operations at all times.
- **Service Flexibility** We offer flexible solutions tailored to your operational needs, timelines, and cargo types, covering both breakbulk and containerized shipments.

Our Commitment

PT Sinar Samudra Stevedoring is committed to delivering safe, fast, and internationally compliant cargo handling solutions. We are ready to become your trusted strategic partner in ensuring seamless and efficient vessel operations at Tanjung Priok and Marunda Ports.

VISION & MISION

Mision

01

To deliver innovative, reliable, and high-quality stevedoring services, prioritizing customer satisfaction as the core of our operations.

02

To cultivate a professional and supportive work environment that values appreciation and continuous knowledge development for our people.

03

To generate sustainable value for our shareholders while actively contributing to the economic growth and well-being of the communities in which we operate.

VISION

To be a trusted and leading stevedoring company, delivering professional, safe, and value-driven services, while actively contributing to the advancement of Indonesia's maritime industry.

Company Values

Reability To consistently deliver timely and reliable services that meet and exceed customer expectations.	Inovation To develop effective solutions that ensure smooth and efficient operations.	Integrity To uphold the highest standards of integrity, transparency, and ethical business practices in all aspects of our operations.
Safety To prioritize workplace safety and operational security in all aspects of our operations..	Customer Satisfaction To prioritize the satisfaction and success of our business partners in every project we undertake.	Continues To implement sustainable practices that support long-term operational and environmental responsibility.

Our Service

Stevedoring

we provide efficient and reliable loading and unloading operations to and from vessels, ensuring smooth and timely cargo handling.

Cargodoring

we provide efficient cargo handling services between the quay and warehouse, ensuring smooth and well-coordinated operations.

Receiving & Delivery

we manage the efficient receiving and dispatch of cargo to and from the port area, ensuring smooth, timely, and well-coordinated operations.

Gudang & Penumpukan

we provide secure and well-managed temporary storage facilities for various types of cargo, ensuring safety and efficiency throughout the handling process.

Pelayanan Lainnya

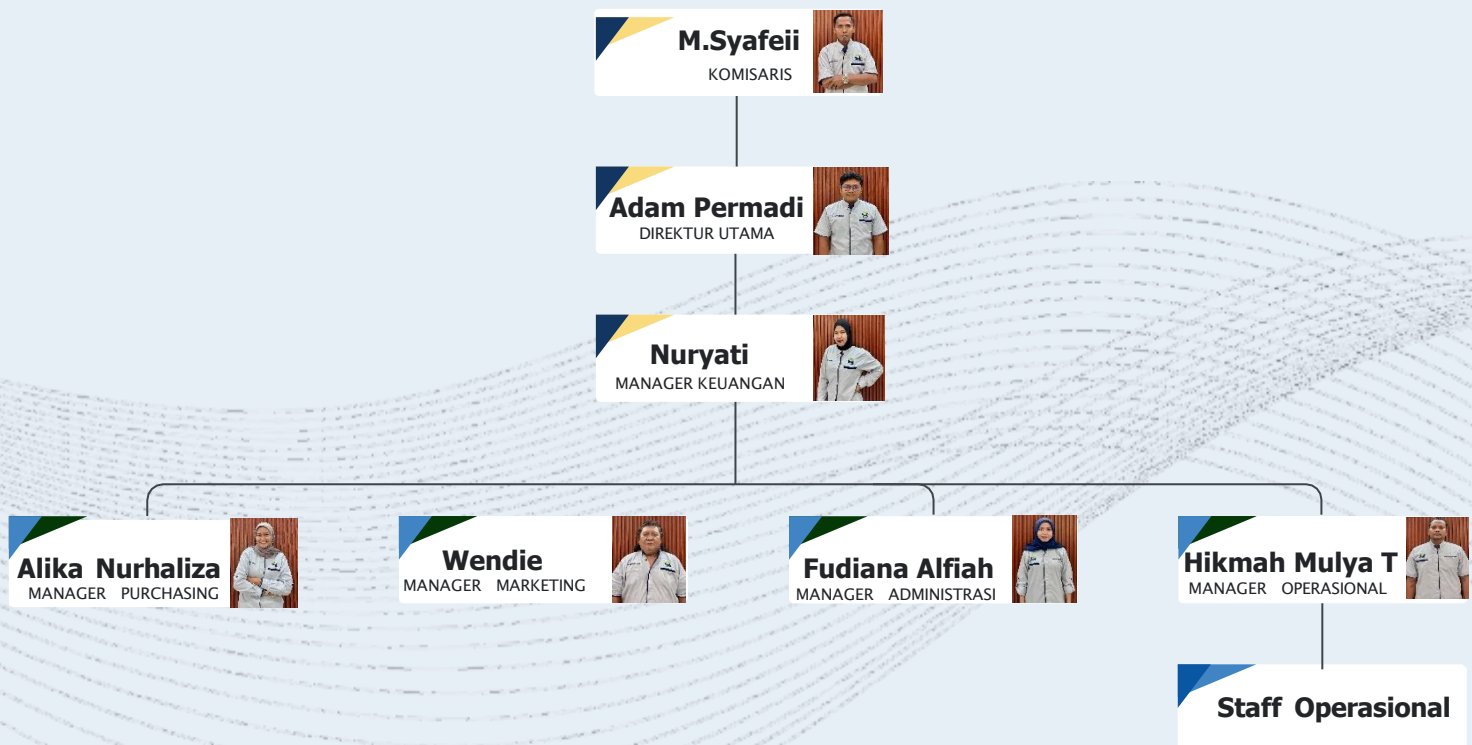

we provide flexible supporting services that can be customized to meet specific operational needs and project requirements.

About us

We are a team of highly experienced professionals driven by collaboration, dedication, and a strong commitment to excellence. With diverse expertise and backgrounds, we work seamlessly to achieve our corporate objectives and deliver outstanding service to every partner we serve.
