Reclaim the Night Rotherham

This annual event brings communities together in support of safety, and the right of women and girls to feel safe in public spaces. Now in its 12th year the free event will bring together arts, and community action through family-friendly activities, a community walk, a newly created soundtrack and opportunities for young people to perform and share their voices.

Reclaim the Night Soundtrack

This year's walk will feature a brand-new soundtrack featuring community voices made by artist Cherry Seraph and poet Vic Leeson.

Experience the soundtrack as young people bring it to life through a choreographed performance, carrying Fl0ck's backpack speakers during the walk.

WOW Rotherham Year Round

WOW Rotherham has become a big part of events and conversations across communities throughout the borough and are proud that we are able to bring experiences to communities throughout the year.

WOW Rotherham Year-Round work in the heart of communities to create their own year-round content. WOW Rotherham are proud and loud, we focus on having difficult conversations and finding joy in those situations.
