Curated Corporate Collections

A carefully selected range of premium products that can be tailored to reflect your organisation's identity. From elegant desk accessories to beautifully crafted giftware, every piece is designed to create a lasting impression.

Bone China Mug

A timeless gift with everyday appeal for clients, colleagues and special occasions.

Ceramic Decorations

Ideal for commemorative pieces, seasonal ranges, visitor attractions and milestone moments.

Ceramic Coaster

A practical and elegant gift that keeps your brand in mind, every day.

Mirrors

A refined gift that combines style and function - ideal for everyday use.

Magnets

A versatile keepsake that celebrates places, people and moments.

Hardback Notebook

A classic gift for conferences, new beginnings and lasting impressions.

Resin Bottle Opener

A practical gift with personality, ideal for hospitality and celebratory occasions.

Glass Paperweight

A distinctive desk piece that makes a lasting impression.

Scented Candle

Create a signature scent for a truly distinctive and memorable gift experience.

Trusted by Leading Organisations

From luxury hospitality and financial services to heritage brands and global organisations, we've helped businesses create distinctive gift collections that recipients genuinely value.

Gleneagles

Commemorating Gleneagles' Centenary in 2024, featuring an elegant gold finish. New editions are produced annually, with the baubles becoming part of Gleneagles' Christmas tree decorations.

The View from the Shard

A bespoke retail collection featuring Chris Dalton Photography, celebrating iconic London views from The Shard.

Alliance for Responsible Citizenship

This mug and notebook were created for the 2026 ARC Conference. Premium, practical gifts designed to reflect the organisation's identity.

InterContinental London Park Lane

A luxury gifting collection featuring a bone china mug and scented candle, illustrated by our licensor Madeleine Floyd, with 100% natural wax hand-poured in the UK.

Why Work with Us?

We make the process straightforward, collaborative and enjoyable.
From your first idea to the moment your gifts are delivered,
our dedicated team is with you every step of the way.

1. DISCOVER

We take the time to understand your organisation, audience and the purpose of your gift collection.

2. DESIGN

Our in-house designers develop concepts that reflect your brand, ensuring every detail is considered.

3. REFINE

You'll receive visuals and samples to review, allowing us to perfect every element before production begins.

4. CREATE

Your collection is expertly produced using premium materials by our skilled manufacturing teams in the UK and Europe.

5. DELIVER

We manage your project through to completion, ensuring your gifts arrive ready to impress.

ORGANISATIONS**

**OVER 100 YEARS
COMBINED EXPERIENCE**

Two Companies. *One Shared Passion.*

For generations Customworks and Mclaggan + Co have been helping organisations transform ideas into beautifully crafted products.

Together we combine creative design, traditional craftsmanship and modern manufacturing to create premium gift collections that celebrate brands, reward people and leave lasting collections.

Whether you're recognising employees, thanking valued clients or celebrating an important milestone, you'll have one dedicated team guiding your project from first conversation to final delivery.

**DESIGNED TOGETHER. CRAFTED TOGETHER.
DELIVERED TOGETHER.**
