PRINCIPAL'S MESSAGE

A New Beginning... A New Journey !

The academic year 2026-27 commenced on 18th May with renewed enthusiasm, fresh aspirations, and a shared commitment to excellence. The campus came alive with the joyful energy of our students, marking the beginning of another exciting year of learning, growth, and endless possibilities.

Mrs. Suma S Rao
Principal

The new academic session began with Teacher Induction and Professional Development Programmes, empowering our educators with innovative teaching practices while reaffirming our vision and mission. We also welcomed our parents through orientation sessions, strengthening the partnership between home and school to support every child's holistic development.

A special highlight of the month was the release of Imprints, our commemorative school magazine celebrating five remarkable years of Soundarya CBSE School's journey. The magazine captures the milestones, achievements, cherished memories, and collective efforts that have shaped our school into the vibrant learning community it is today.

The month was further enriched with a host of meaningful activities, including World Biodiversity Day, World Environment Day, World Oceans Day, World Reading Day, International Yoga Day, Student Council Elections, the Investiture Ceremony, Pre-Primary activities and field trips, along with many student achievements that reflected their enthusiasm, leadership, and talent.

As we embark on this new academic year, we look forward to inspiring young minds, nurturing values, and creating opportunities for every learner to dream, discover, and excel.

Here's to another year of learning with purpose, growing with confidence, and achieving excellence together!

WELCOME BACK TO SCHOOL

A Heartfelt Welcome to a New Academic Year!

Soundarya School CBSE began the new academic year with a special assembly beautifully conducted by our Grade 10 students to warmly welcome their juniors back to school.

The assembly was filled with:

Warmth & Enthusiasm – Setting a positive tone for the year ahead.

Inspiring Messages – Words of encouragement from senior students.

Joyful Moments – Smiles, laughter, and a sense of belonging.

Motivation – Excitement for the journey of learning and growth.

A wonderful beginning to a year filled with learning, friendship, and growth!

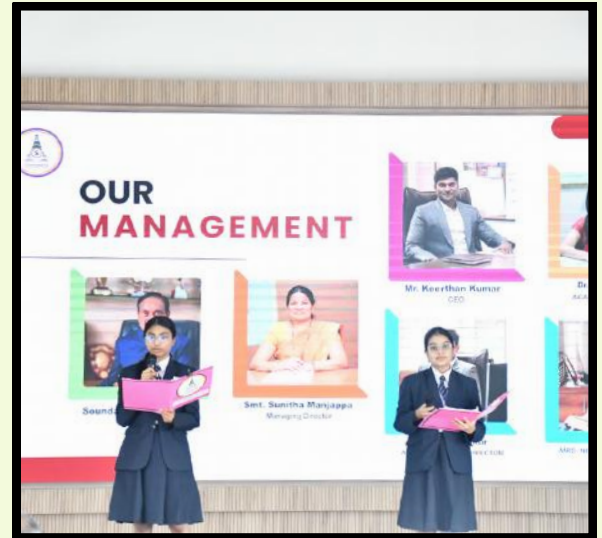

Here's to a bright and successful year ahead!

Soundarya School CBSE successfully conducted the Parent Orientation Programme for Grades 9 & 10, creating a meaningful platform to connect, collaborate, and prepare students for a successful academic journey ahead.

- **Curriculum Insights** - Understanding the academic roadmap for Grades 9 & 10
- **Assessment Patterns** - Clarity on evaluation and grading systems
- **Board Exam Preparedness** - Strategies to excel in CBSE board exams
- **School Expectations** - Aligning parents with school policies and goals
- **Student Well-being** - Supporting mental, emotional, and physical health.

We extend our heartfelt gratitude to all the parents for their active participation and continued trust in our shared mission of nurturing future-ready learners.

TEACHER INDUCTION PROGRAMME

MICRO TEACHING

Learning, Reflecting, Growing!

At Soundarya School CBSE, our educators recently participated in an engaging *Micro Teaching* Practice Session, showcasing innovative teaching strategies, classroom techniques, and creative lesson delivery methods. This enriching session provided teachers with an opportunity to demonstrate their teaching skills, receive constructive feedback, and collaboratively learn from one another. From interactive activities to student-centered approaches, every presentation reflected dedication towards creating meaningful learning experiences.

At Soundarya, we believe that great teachers never stop learning. Through continuous professional development, we strive to build classrooms that inspire curiosity, confidence, and excellence in every child.

CPD (Continuing Professional Development) Training for Teachers

Shaping Future-Ready Classrooms Begins with Empowered Educators!

On 5th May 2026, Soundarya School CBSE organised a Continuous Professional Development (CPD) Training Session on Computational Thinking & Artificial Intelligence for all teachers.

The inspiring session was led by, who shared innovative teaching approaches to integrate CT & AI into modern classrooms. The session encouraged educators to embrace technology-driven learning that enhances creativity, critical thinking, and problem-solving skills among students.

A meaningful initiative towards creating smarter classrooms and future-ready learners!

Parent Orientation

For Grades 6 to 8

**A meaningful start. A stronger partnership.
A brighter journey ahead.**

Our Grade 6-8 Parent Orientation was successfully conducted, marking the beginning of an exciting and enriching academic year for our middle school students.

The session created a wonderful platform for parents and educators to connect, collaborate, and gain deeper insights into the learning experiences, student well-being programs, academic expectations, and opportunities that await our young learners.

From shared aspirations to inspiring conversations, the orientation reflected our collective commitment to nurturing confident minds, compassionate hearts, and future-ready individuals.

A heartfelt thank you to all the parents for your enthusiastic participation and continued trust in our journey together. Here's to a year filled with growth, discovery, and success!

IMPRINTS MAGAZINE RELEASE

IMPRINTS – 5 Years of Legacy

A journey of creativity, excellence, and unforgettable memories!

We are proud to unveil the latest edition of IMPRINTS, celebrating 5 glorious years of legacy at Soundarya School CBSE.

This magazine reflects the talents, achievements, innovations, and inspiring voices of our students and school community. Every page is a testament to learning, growth, and the beautiful journey we continue together.

Celebrating the past, inspiring the future.

World Biodiversity Day

Special Assembly

Special assembly presented by Grade 8B on International Day for Biological Diversity.

Our school observed the International Day for Biological Diversity through a meaningful Special Assembly that highlighted the importance of protecting and preserving the rich variety of life on our planet.

Students enthusiastically participated through thought-provoking speeches, informative presentations, inspiring messages, and creative performances that emphasized the need for environmental conservation and sustainable living. The assembly served as a reminder that every individual has a role to play in safeguarding biodiversity for future generations. Together, let us cherish nature, protect ecosystems, and contribute towards a greener and healthier world.

"Harmony with Nature and Sustainable Development is the key to a better tomorrow."

Parent Orientation For Grades 3 to 5

A positive start to a new academic year!

Our Parent Orientation Programme for Grades 3 to 5 provided parents with an insight into the curriculum, teaching-learning practices, assessment methods, school policies and enrichment opportunities planned for the year. The session fostered meaningful interactions between parents and educators, creating a strong foundation for collaboration and student success.

Together, we look forward to nurturing confident, responsible, and lifelong learners in a supportive and engaging environment.

World Environment Day

Soundarya School-CBSE celebrated World Environment Day with a special assembly that inspired students to become responsible environmental stewards.

The celebration began with the inauguration of the event and an insightful talk by the Guest of Honour Dr. Rajendiran Selladurai, Senior Scientist, ICAR-IIHR, on the importance of protecting our environment. Students presented a meaningful skit promoting environmental awareness, followed by a delightful fashion show by our young learners showcasing nature-inspired creativity.

The event concluded with the distribution of saplings to students and parents, encouraging every family to contribute towards a greener future.

World Environment Day

Special Assembly

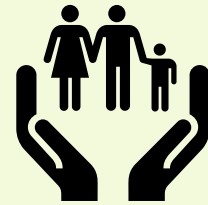

Nurture nature today for a greener tomorrow.

On the occasion of World Environment Day, Grade 9 conducted a meaningful special assembly, inspiring everyone to become responsible guardians of our planet. Through engaging presentations, thought-provoking messages, and creative performances, students highlighted the importance of environmental conservation and sustainable living. Together, let's plant the seeds of change and grow a future where nature thrives and communities flourish.

Plant today, protect tomorrow! 🍀

Parent Orientation Pre-Primary to Grade 2

Together, we shape young minds and inspire bright futures.

Our Parent Orientation Programme for Pre-Primary to Grade 2 marked the beginning of a meaningful partnership between parents and educators. The session offered valuable insights into our curriculum, learning experiences, and the nurturing environment that supports every child's academic, social, and emotional growth.

As we embark on another exciting year of learning, we look forward to working hand in hand with our parent community to help our young learners explore, discover, and thrive.

Together, we nurture curiosity, build confidence, and create a strong foundation for lifelong learning.

STUDENT COUNCIL ELECTION

“Every vote is a voice, and every voice has the power to lead change.”

The Student Council Elections 2026-27 were successfully conducted at Soundarya School CBSE with great enthusiasm and participation. Students embraced the democratic process with responsibility, confidence, and integrity, making their voices heard through their votes.

Highlights of the Elections:

Active Participation – Students from across grades engaged wholeheartedly

Democratic Spirit – Campaigns rooted in vision, respect, and fair play

Responsible Voting – Every vote reflected thoughtful choice and commitment

A Heartfelt Congratulations & Thank You:

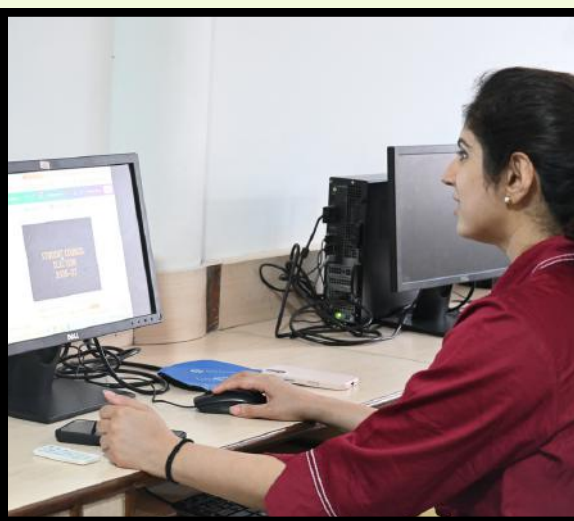

To all the candidates – for their dedication, hard work, and sportsmanship

To every student – for participating in shaping the future of student leadership

Empowering student voices, nurturing future leaders!

STUDENT COUNCIL ELECTION

World Ocean Day

Special Assembly

"Every wave tells a story, and every action shapes the future of our oceans."

On the occasion of World Ocean Day, Grade 7A presented a vibrant special assembly, spreading a powerful message on ocean conservation and environmental responsibility. Through engaging performances and thoughtful reflections, students inspired everyone to value and protect our planet's precious blue treasures.

Together, let's make waves of change for a cleaner, healthier ocean and a brighter tomorrow.

World Reading Day

Special Assembly

Read. Imagine. Explore. Grow. Celebrating the Joy of Reading!

Our school came alive with the magic of stories and the joy of reading as Grades 6A and 9C conducted a special assembly on Reading Day. Through inspiring presentations, captivating performances, and thoughtful reflections, students showcased how reading opens windows to new worlds and nurtures creativity, curiosity, and confidence.

From turning pages to turning dreams into reality, the assembly reminded us that every great journey begins with a book. As young readers shared their love for literature, they inspired the entire school community to discover the wonders hidden within every page.

MONTESSORI ACTIVITIES

Little hands create, little minds explore, and every activity becomes a joyful learning adventure."

Our Pre-KG learners enthusiastically participated in a range of sensory and creative activities that made learning both fun and meaningful. Through leaf printing and vegetable printing, the children explored colors, patterns, and textures while expressing their creativity. Scribbling activities encouraged free expression and helped develop early writing skills, while tearing activities strengthened fine motor coordination.

The little learners also enjoyed tracing with sand, a hands-on sensory experience that enhanced their pre-writing skills and finger control. To make the learning experience even more special, the children proudly took home their handmade creations as cherished takeaways.

It was wonderful to see our young explorers learning, creating, and discovering the world around them with excitement and confidence.

Little Learners' Lane

PRE KG ACTIVITIES

Little Learners' Lane

LKG ACTIVITIES

Our curious little learners enjoyed engaging activities to understand the concepts of Long & Short and Empty & Full through hands-on experiences and interactive learning. By comparing objects, observing differences, and experimenting with everyday materials, they developed essential early mathematical and observation skills in a fun and meaningful way.

Learning through play helps children build confidence, strengthen their thinking skills, and develop a deeper understanding of the world around them.

To make the day even more exciting, our little learners had a joyful time participating in outdoor games that encouraged teamwork, coordination, confidence, and active play. Every jump, run, and smile contributed to building stronger minds, healthier bodies, and happier hearts!

Little Learners' Lane

UKG ACTIVITIES

"Every child is an artist, every activity is a step towards learning."

Our enthusiastic UKG learners had a wonderful time exploring and strengthening their foundational skills through engaging classroom activities. From colouring vibrant pictures and understanding pre-number concepts to practicing forward numbers, thumb printing, and tracing activities, each task encouraged creativity, fine motor development, and early numeracy skills.

As a special takeaway, our little learners proudly carried home their handmade creations, reflecting their efforts, imagination, and the joy of learning through hands-on experiences. Learning becomes meaningful when little hands explore, create, and discover. We are proud of our young learners for their active participation and growing confidence every day!

Kindergarten FIELD TRIP

“A divine beginning for a year of joyful learning”

Our little learners had a joyful and enriching visit to Soundarya Venkata Ramana Temple, where they experienced a beautiful blend of spirituality, culture, and learning. The children observed the serene temple surroundings, offered prayers with devotion, and learned about the importance of respecting traditions and values. Their bright smiles, curiosity, and enthusiasm made the trip a truly memorable experience. Such experiential learning opportunities help nurture gratitude, discipline, cultural awareness, and a sense of community in our young minds.

Learning Through Creativity

BULLETIN BOARDS

Our classroom bulletin boards are more than just colorful displays—they are vibrant learning spaces that spark curiosity, celebrate creativity, and reinforce classroom concepts in an engaging way.

Thoughtfully designed with student-centric themes, each board reflects the joy of learning, encourages exploration, and showcases the talents and achievements of our young learners. Every display transforms our corridors into interactive spaces where learning comes alive beyond the classroom walls.

INTERNATIONAL YOGA DAY

Yoga is the journey of the self, through the self, to the self."

Our school enthusiastically celebrated International Yoga Day, promoting the importance of a healthy body, a calm mind, and a balanced lifestyle. Students participated in various yoga asanas and breathing exercises, demonstrating discipline, focus, and mindfulness.

The session highlighted the significance of incorporating yoga into our daily lives to enhance physical well-being, mental clarity, and emotional strength. Through their active participation, students learned the value of fitness, self-care, and inner peace.

The celebration served as a reminder that yoga is not just an exercise but a way of life that nurtures harmony between the mind, body, and spirit.

Let's embrace yoga and take a step towards a healthier, happier, and more mindful future

INVESTITURE

CEREMONY

Lead with integrity, serve with humility, and inspire with action.

Soundarya School - CBSE proudly conducted the Investiture Ceremony 2026-27, a momentous occasion where the newly elected student leaders were entrusted with their duties and responsibilities. The young leaders took the oath to uphold the values of integrity, discipline, commitment, and excellence, pledging to lead by example and serve the school community with dedication.

The ceremony marked the beginning of a new journey of leadership, teamwork, and accountability. We congratulate all the leaders and wish them success as they embark on this important role of guiding and motivating their peers.

THE POWER OF WORDS

Every Conversation Shapes a Child's Future

💬 "Children become the voice they hear most often."

Every conversation at home leaves an invisible mark on a child's heart. Words can either build confidence or create self-doubt. A few minutes of meaningful conversation each day can strengthen your child's emotional well-being, resilience, and self-esteem.

🌟 **Did You Know?**

Research shows that children who experience warm and positive communication with their parents are more likely to:

- 🌱 Feel emotionally secure.
- 🧠 Develop stronger problem-solving skills.
- ❤️ Build healthy relationships.
- 📖 Stay motivated to learn.
- 😊 Express emotions in healthy ways.
- 💪 Become more confident and resilient.
- 🎈 Everyday Conversations Matter More Than You Think

Children don't always need advice.

Sometimes they simply need someone who will...

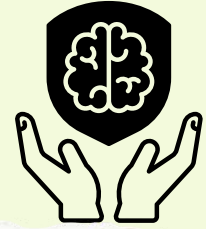

- 👂 Listen without interrupting.
- ❤️ Understand without judging.
- 👉 Guide without controlling.
- 🌟 Encourage instead of criticize.
- 😊 Believe in them, even when they make mistakes.

🌈 The 5:1 Rule

Psychologists suggest that children thrive when they hear at least five positive interactions for every one correction.

- ✓ "I'm proud of your effort."
- ✓ "Thank you for helping."
- ✓ "I noticed your kindness."
- ✓ "I believe in you."
- ✓ "I'm happy we spent time together."

Wellness Insights

🚫 Swap These Words...

❌ Instead of...

✅ Try Saying...

"Stop crying."

"I'm here. Tell me what happened."

"You're always careless."

"Let's see how we can do it differently next time."

"Because I said so."

"Let me explain why this is important."

"You never listen."

"Let's solve this together."

"Why did you do that?"

"Help me understand what happened."

Positive words don't spoil children—they strengthen their confidence and encourage positive behaviour.

💬 Conversation Starters

Instead of asking...

❌ "How was school?"

Try asking...

✨ What made you smile today?

✨ What did you learn that surprised you?

✨ Did you help someone today?

✨ What was the funniest moment today?

✨ Is there anything you'd like to tell me?

These questions encourage children to open up naturally.

❤️ One Small Habit... One Big Difference!

📱 Put away your phone.

👁️ Make eye contact.

😊 Smile.

⌚ Spend just 10 uninterrupted minutes talking with your child every day.

Those few minutes tell your child,

"You are important to me."

🌻 Remember...

Children may forget the toys you bought or the places you visited, but they will always remember...

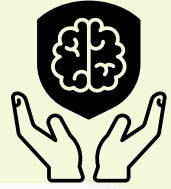

❤️ How safe they felt with you.

😊 How patiently you listened.

🌈 How you encouraged them after a mistake.

☀️ How your words made them believe in themselves.

Wellness Wednesday

Wellness Wednesday – Continuing Our Journey of Well-being

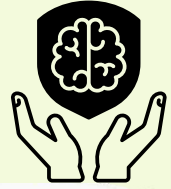

As part of our ongoing commitment to staff well-being, Wellness Wednesday, introduced last year, continues to be a cherished weekly initiative in our school. Every Wednesday, teachers participate in short and engaging activities that encourage relaxation, creativity, mindfulness, and meaningful connections with colleagues.

This week's activity was Mandala Colouring, a simple yet effective mindfulness exercise. Mandala colouring helps reduce stress, improve concentration, promote emotional balance, and provide a calming break from daily routines. It encourages teachers to slow down, be present in the moment, and recharge, enabling them to return to their classrooms refreshed and energized.

Through Wellness Wednesday, we continue to nurture a positive, healthy, and supportive environment where the well-being of our educators remains a priority.

Fun Friday

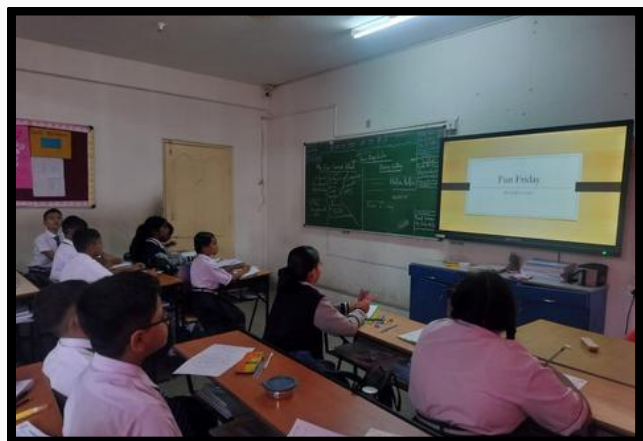

Fun Friday – Making School More Joyful

To make school a place where children look forward to coming every day, we introduced Fun Friday. Every Friday, students take part in short, engaging activities that help them relax, refresh, stay focused, and build stronger connections with their classmates. These activities include fun games, awareness videos, brain teasers, team-building activities, and interactive challenges that promote learning in an enjoyable way.

As part of this initiative, the entire school recently participated in a Memory Challenge, conducted simultaneously across all grades. The difficulty level of the game was designed according to each grade, making it age-appropriate and exciting for every child. Students also enjoyed solving riddles and thinking challenges that improved their concentration and observation skills.

Adding to the joy, we also organised a "Lunch with Friends" day, where students were encouraged to sit and enjoy lunch with their friends. This simple initiative helped strengthen friendships, improve social interaction, and create a warm and happy school environment.

Through Fun Friday, we aim to make learning enjoyable while supporting students' emotional well-being, confidence, teamwork, focus, and overall happiness in school.
