## ABS Material

Complete your bathroom with BelBagno ABS in-wall flush plates, designed to offer a refined finishing touch while ensuring everyday durability. Lightweight yet robust, ABS construction makes these flush plates ideal for modern bathrooms seeking clean lines and reliable performance.

## Stainless Steel

Designed for durability and timeless appeal, BelBagno stainless steel in-wall flush plates offer a premium finish suited to contemporary and high-use bathrooms. Crafted to resist wear while maintaining a refined appearance, these flush plates integrate seamlessly with modern toilet suites, delivering both performance and understated elegance.

## Glass

BelBagno glass in-wall flush plates bring a contemporary, architectural feel to the bathroom. Featuring smooth glass surfaces paired with precisely detailed buttons, these flush plates elevate the overall aesthetic while maintaining functionality. Ideal for modern and minimalist spaces, they add visual depth and refined contrast to wall-hung or wall-faced toilet installations.
