YOUR IMMERSIVE JOURNEY

Each day at Amanwana is a bespoke weaving of movement, nourishment and wonder. Designed around your own pace; here is what you may experience, though no two journeys are alike.

DAWN & MORNING

Gentle awakening: Breathwork, Meditation, Pilates or Yoga as sunlight filters through the jungle and meets the ocean horizon. You are guided inward.

MID-MORNING & AFTERNOON

A nourishing, family-style lunch. Time for sea swims, snorkelling and forest walks. Spa treatments where you release tension, physically and energetically. Quiet writing and reflection beneath the trees or in your tent-porch.

EVENING

Sunset cruise over crystalline water. A ritual: perhaps by candlelight. Herbal teas and refreshments. Dining under a canopy of stars. Gentle movement, Breathwork. Stretch, reflect, and enter night held in serenity.

You step into each moment with intention. We are here to guide, to hold space, to elevate and to honour your inner rhythm, always.

YOUR HOSTS & GUIDES

You are supported every step of the way by a team of consummate practitioners:

CHRISSY SUNDT-DOLAN

Founder & lead curator; ballet artist turned movement visionary, your constant companion through this retreat.

ANNE-MARIE KRAMER

CLARISSA LENHERR

Harley Street nutritionist; her guidance ensures your nourishment aligns with both pleasure and precision.

DEWANTA FRENDY

Healer of ancestral lineages; holder of sacred space, integrating energetic wisdom rooted in Balinese & Javanese heritage.

THE AMANWANA TEAM

Guardians of sanctuary, service, and soulful detail.

RITUALS, NOURISHMENT & MOVEMENT

Everything here is intentional. Not wellness for its own sake, but wellness transformed.

- Embodied practises: sunrise Yoga, Pilates mat work, oceanside strength work and guided meditations attuned to your unique energy. Bonfire sessions beneath the stars, sound bath relaxation and mindful movement inviting your body and mind into profound alignment.
- Nutrition as a ritual: vibrant, clean and creative cuisine that celebrates the art of eating well. Meals designed to delight the senses, balance the body and nourish from within.
- Restorative therapies: a signature Aman massage and bespoke treatments drawn from both modern science and ancestral wisdom guide you deeper into renewal and balance.
- Nature as a teacher: kayak journeys, jungle walks, snorkelling among coral, an invitation to slow down, listen and reconnect. Time in nature becomes part of your ritual.

AMANWANA

A MAGICAL SETTING

Nestled within Moyo Island's National Park, Amanwana offers barefoot luxury with all the quiet refinement the Aman name carries.

Choose between the Ocean Tent, with sea-breeze and open views across the bay, or the Jungle Tent, held within forest canopy and the sounds of wildlife. Each is a private refuge composed as much for stillness as for comfort. A veranda to watch the dawn. Refined touches throughout. An environment designed to draw you into deeper sleep.

The sea, the forest, and the sky will be your walls.
