RELEASE, WAIVER, HOLD HARMLESS, ASSUMPTION OF RISK, DEFEND, AND INDEMNIFY AGREEMENT FOR INFECTIOUS DISEASES INCLUDING COVID-19 RELATED LOSS AND BIOSECURITY ARRIVAL

WARNING: IMPORTANT NOTICE

BY SIGNING THIS AGREEMENT, YOU ARE GIVING UP CERTAIN LEGAL RIGHTS, INCLUDING THE RIGHT TO RECOVER DAMAGES IN CASE OF ILLNESS, INJURY, OR DEATH (collectively "Loss") ARISING OUT OF YOUR PRESENCE AT THE FACILITY (defined below) SPECIFICALLY RELATED TO COVID-19 OR ANY OF ITS MUTATIONS, FORMS, DERIVATIVES, OR OTHER INFECTIOUS DISEASES (collectively "COVID-19").

I, the undersigned, hereby enter into this Release, Waiver, Hold Harmless, Assumption of Risk, Defend, and Indemnify Agreement for Infectious Diseases Including COVID-19 Related Loss (this "**Agreement**") in consideration of my, and my minor child if applicable (collectively "**I**", "**me**", or "**my**"), ability and permission to access, utilize, occupy, visit, attend, or otherwise be present on Released Parties' (defined below) property (the "**Facility**") during and after the COVID-19 pandemic, for any reason, whether or not related to equines or equine activities.

1. Risk of Loss/Protective Measures/No Guarantee: By signing this Agreement, I hereby acknowledge that I have familiarized myself with the risk of Loss accessing, utilizing, occupying, visiting, attending, or otherwise being at the Facility (collectively "**Using**") for any reason and the current protective measures at the Facility intended to minimize my risk of exposure to COVID-19. I agree the protective measures are satisfactory and sufficient for me to accept and assume the risk of my COVID-19 exposure resulting from Using the Facility occupied by other individuals. I understand and agree that Released Parties (as defined below) cannot guarantee: (a) the protective measures can or will prevent my exposure to COVID-19; (b) will be complied with by all individuals at the Facility; or (c) that others will not act in a negligent manner that may contribute to my Loss or contraction of COVID-19. I agree to fully comply with all protective measures required by the Facility as they now exist or may be revised from time-to-time as posted on the property or available on www.deserthorsepark.com. I accept full responsibility for my own safety and the sanitization of myself and personal property I contact at the Facility. If I am a parent or legal guardian of a minor individual, I consent to the minor Using the Facility and agree to remain responsible for the minor's Loss and compliance with all required protective measures.

2. Medical Attention/Disclosure: I understand and agree that engaging in equine activities or merely Using the Facility exposes me to inherent risks of personal injury that may require medical attention including, but not limited to, first aid and/or emergency medical care. I therefore consent to personal contact by Released Parties and/or medical personnel deemed necessary for providing for my care at the Facility and/or the hospital, even at the risk of my COVID-19 exposure. I agree to hold Released Parties harmless for such medical attention and any Loss directly or indirectly resulting therefrom. I agree that in the event I am diagnosed as infected with COVID-19, I authorize medical personnel to provide Released Parties information regarding my Loss and treatment for contact tracing or any other purpose.

3. Release/Hold Harmless/Defend/Indemnify: I agree to release, hold harmless, defend, and indemnify Coachella Horse Park LLC, doing business as Desert International Horse Park, CHP Land Company LLC, CHP Show Management Company LLC, doing business as Apex Equisport, and each of their respective parent, affiliate and subsidiary companies, agents, successors, assigns, employees, volunteers, contractors, representatives, assistants, sponsors, members, managers, shareholders, officers, directors, owners, trustees, licensees, invitees, related entities, as well as any other person or entity acting on their behalf or in any manner connected with the ownership and management of the above listed parties (collectively "**Released Parties**") from and against any liability, attorneys' fees, costs, or other Loss I may incur arising out of or in any way connected with my exposure to or contraction of COVID-19 as a direct or indirect result of my Using the Facility whether by my negligence or the negligence or other wrong doing of Released Parties (other than gross negligence or recklessness). I acknowledge that I hereby waive on my behalf and on behalf of my heirs and assigns, and fully understand the effect of such waiver, all benefits flowing from any state statute that would otherwise limit the scope of this Agreement release, including but not limited to **Section 1542 of the California Civil Code**, which provides: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

4. Bound Parties/Governing Law/Jury/Expiration/Time Limit/Severability/Modification: I understand and agree this Agreement is binding on my spouse, partner, family, minor child, heirs, agents, trustees, beneficiaries, representatives, relatives, successors, and assigns, and I agree to all the terms and conditions of this Agreement on my own behalf and on behalf of my minor for purposes of permitting our Using the Facility. For any claims or disputes (collectively "**Claims**") relating to the interpretation or enforcement of this Agreement, I agree California law applies, must be resolved by the Los Angeles county, California state court, and I waive my right to a jury trial. I agree that this Agreement does not expire and that any surviving Claims must be brought within one (1) year of the date accrued. If any provision of this Agreement is deemed invalid or unenforceable, the remaining provisions shall be valid and enforceable to the fullest extent of the law. PART I — ACCESSING THE DESERT INTERNATIONAL HORSE PARK

1.1 Entering DIHP

- All horses entering and staying at the Horse Park must be entered in the horse show, registered/recorded (with a USEF, FEI, and/or Equine Canada horse ID number), and have an assigned DIHP 2026/2027 back number.
- Horses competing exclusively in FEI classes and accessing the Horse Park must go directly to FEI stabling and follow FEI entry protocols.

EVENTPASS & ARRIVAL AT DIHP

After you complete your EquiTrace EventPass document uploads, provide an arrival, and sign the Equine Declaration of Health with EquiTrace EventPass, you will be issued a QR code. DIHP will scan this QR code upon arrival. Share this code with any drivers bringing horses into the showgrounds. Depending on the risk, as determined by DIHP, USEF, and CDFA, all arriving horses may receive a visual inspection for signs of infectious diseases. Click here to access our DIHP Biosecurity website.

1.2 California Horses

- An equine health declaration is required to be completed by the owner/trainer within 7 days of horse(s) arrival at DIHP within the EquiTrace EventPass platform, stating that each horse has not had a fever (defined as greater than 101.5°F) or clinical signs of disease within the 72 hours before arrival and has not been exposed to or treated for a fever of unknown origin within the past 30 days. Any horse tested for EHV-1 in the last 30 days must have tested negative for EHV-1 twice in the previous 30 days by an approved, accredited laboratory.
- No USDA-accredited CVIs are required for horses originating/residing in the State of California to enter Desert International Horse Park at this time. Coggins tests are not required for California horses, but they are encouraged as part of your horse's regular health management program.
- Proof of vaccination for each horse stating that the horse is compliant with all vaccination requirements of USEF GR 844/845. GR 844/845 requires that at Federation-licensed competitions, horses more than seven (7) months of age entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (both EHV1 and EHV4 - Rhinopneumonitis) vaccinations within six (6) months before entering the stables. No grace period will be allowed for expired vaccination guidelines. If your horse's Rhino/Flu vaccinations expire while your horse is at DIHP, we ask that you update their vaccinations on site with the East-West Equine Sports Medicine or a private veterinarian. Please submit documentation to support their updated vaccination status to: biosecurity@deserthorsepark.com
- After completing your EquiTrace EventPass document uploads, completing an arrival, and signing the Equine Declaration of Health with EquiTrace EventPass, you will be issued a QR code. This QR code will be scanned upon arrival at DIHP. This code must be shared with any drivers bringing horses into the showgrounds. Depending on the risk, as determined by DIHP, USEF, and CDFA, all arriving horses may receive a visual inspection for signs of infectious diseases. Only healthy horses will be permitted entry to DIHP.

UPLOAD all health certificates, proof of vaccination documents, and equine health declarations in the EquiTrace EventPass system via the links on our website. Failure to complete this process online will prevent you from receiving your show number in the horse show office and may delay placement of horses in their assigned stalls. Horses may be temporarily placed in isolation stabling until requirements are met. Click here to access our DIHP Biosecurity website.

1.3 Out-of-State & International Horses

REQUIRED FOR ALL OUT-OF-STATE & INTERNATIONAL HORSES

- An official state-issued or approved International Certificate of Veterinary Inspection (CVI) with an inspection date by an accredited veterinarian within 14 days of arrival for out-of-state and international horses.
- For horses entering from outside the State of California, a CVI and a valid Coggins test performed within the previous 12 months are required to enter the state.
- Health certificates issued in Canada that meet USDA requirements for entering the United States will be accepted for entry into the DIHP.

- An equine health declaration is required to be completed by the owner/trainer within 7 days of horse(s) arrival at DIHP within the EquiTrace EventPass platform, stating each horse has not had a fever (defined as greater than 101.5°F) or clinical signs of disease within the 72 hours before arrival and has not been exposed to or treated for a fever of unknown origin within the past 30 days. Any horse tested for EHV-1 in the last 30 days must have tested negative for EHV-1 twice in the previous 30 days by an approved, accredited laboratory.
- Proof of vaccination for each horse stating the horse is compliant with all vaccination requirements of USEF GR 844/845. GR 844/845 requires that at Federation-licensed competitions, horses more than seven (7) months of age entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (both EHV1 and EHV4 - Rhinopneumonitis) vaccinations within six (6) months before entering the stables. No grace period will be allowed for expired vaccination guidelines. If your horse's Rhino/Flu vaccinations expire while your horse is at DIHP, we ask that you update their vaccinations on site with the East-West Equine Sports Medicine or a private veterinarian. Please submit documentation to support their updated vaccinations to: biosecurity@deserthorsepark.com

We encourage all out-of-state trainers, owners, and transporters to research the most current CA import requirements on the CDFA websites below:

- Animal Health Entry Requirements
- CDFA - AHFSS - Entry Requirements & Information About Livestock & Pet Movement

CVI REQUIREMENTS

Every CVI must include the following statement:

"I declare that the horse listed below is not demonstrating any signs of EHV-1, has not had any known exposure to EHV-1 in the past 30 days, and is not coming from a property with known EHV-1 positive cases."

TEXAS, NEW MEXICO, & COLORADO ARRIVALS

Horses originating from Texas, New Mexico, or Colorado have additional state-specific CVI and inspection requirements. See Sections 1.4 and 1.5.

All horses originating from Texas, New Mexico, or Colorado must be inspected at the DIHP-designated inspection area BEFORE entering their assigned stabling. Only healthy horses will be permitted entry to DIHP. Texas and New Mexico horses will be housed together to reduce the risk of NWSW. Staff will inspect them routinely over the first 10 days after arrival. After the 10-day inspection period, horses will be allowed to be stabled elsewhere within the DIHP property.

Plan to arrive during normal daylight business hours. Arrival outside these hours requires prior approval from Dr. Runk at 530-902-0750.

1.4 Texas and New Mexico Horses

Texas and New Mexico horses must meet all requirements in Section 1.3, plus the following:

- DIHP policy requires an official state-issued Certificate of Veterinary Inspection (CVI) with a pre-movement veterinary inspection for New World Screwworm (NWSW) 7 days prior to arrival in California, regardless of whether the horse originates from an area with confirmed NWSW cases. If current CDFA requirements are more stringent than DIHP policy, the CDFA requirements apply.
- A NWSW statement on the CVI that meets current California Department of Food and Agriculture (CDFA) requirements
- A California import permit for all horses coming from Texas.

The latest CDFA information available, at the time of publishing, for transporting animals from Texas, including horses and companion animals, can be found here.

1.5 Colorado Horses

While Colorado is listed as a VS-affected state, Colorado horses must meet all requirements in Section 1.3, plus the following:

- DIHP policy requires an official state-issued Certificate of Veterinary Inspection (CVI) with a pre-movement veterinary inspection for Vesicular Stomatitis (VS) 7 days prior to arrival in California, regardless of whether the horse originates from an area with confirmed VS cases. If current CDFA requirements are more stringent than DIHP policy, the CDFA requirements apply.
- A VS statement on the CVI that meets current California Department of Food and Agriculture (CDFA) requirements
- No California import permit is currently required for horses coming from the State of Colorado

1.6 Horses Leaving and Returning

- Horses leaving the property and returning must complete updated arrival and health declaration statements via the EquiTrace EventPass system for re-entry.
- If the horse competes as a daily haul-in, twice-daily temperature checks must be conducted and recorded off-site, and their temperature logs must be available upon request throughout the competition. Horses may be inspected daily before entry or while on-site at DIHP. All daily haul-in horses are required to have a temporary stall on site. For horse safety and welfare, haul-in horses may no longer be left alone in our parking lots or remain on trailers during their stay at DIHP.
- Horses leaving one circuit week and returning for another circuit week must complete a new arrival submission and potential document submission via the EquiTrace EventPass system as well as a new declaration of health.

PART II — MONITORING HORSES AT THE HORSE PARK

2.1 Initial Monitoring After Arrival

- Temperature checks are not routinely conducted at the front gate, and 3-day temperature logs are not required upon arrival. If disease risk is elevated, management may require entry temperature checks and temperature logs in EquiTrace EventPass.
- Once stabled and at rest, the horse's first temperature should be taken within 3–6 hours of arrival and before leaving the stall for initial work.
- If the initial temperature reveals a fever (101.5°F if not receiving an NSAID; 101.0°F if receiving an NSAID or other temperature-suppressing medication), immediately notify the show veterinarian and biosecurity officer. The horse must remain in its stall until a subsequent temperature is taken by the show veterinarian or biosecurity officer.

- The initial elevated temperature must be reported in accordance with the USEF mandatory fever reporting rule, effective December 1, 2024. Non-compliance is a violation and may result in sanctions.
- DIHP reserves the right to isolate and/or test any horse with fever and/or clinical signs for EHV-1 or other infectious diseases at the owner's expense. DIHP may require EHV-1 testing after the first or second temperature check based on clinical presentation and epidemiologic risk. Failure to comply with requested isolation or testing may result in removal from the event grounds.

2.2 Daily Monitoring During the Horse Show

- Twice-daily temperature checks, morning and evening, are requested throughout the horse's stay at the Horse Park.
- Under the USEF mandatory reporting rule, trainers/owners must immediately notify the show veterinarian and biosecurity officer of an elevated temperature (101.5°F if not receiving an NSAID; 101.0°F if receiving an NSAID or other temperature-suppressing medication).
- A horse with an elevated temperature must remain in its assigned stall. If no other clinical signs are present, the horse may remain there and have its temperature rechecked 1–2 hours later. If it remains febrile or develops signs of infectious disease, the show veterinarian or biosecurity officer must be notified again.
- DIHP reserves the right to require testing and/or isolation within two hours of any horse with fever and/or clinical signs. At any time, if the show veterinarian, biosecurity officer, and/or competition management determines that a febrile horse may pose an infectious-disease risk, the horse must be moved to isolation within two hours of DIHP's request.
- If the trainer/owner refuses isolation, DIHP management may require the horse and its cohorts to leave the competition grounds immediately. Failure to comply will result in referral to USEF for enforcement.
- Release from isolation will be based on the collective decision of DIHP show management, the biosecurity officer, East-West Equine Sports Medicine, and USEF, considering diagnostic test results, absence of abnormal clinical signs, and epidemiologic risk assessment.
- For the next seven (7) days, the show veterinarian or horse show biosecurity officer will oversee temperature checks of all horses in the trainer's cohort and may require logging of temperatures in the EquiTrace app. Additional febrile horses or horses showing signs of infectious disease may be required to report to isolation or may request permission to leave the premises for isolation.

PART III — BIOSECURITY PRACTICES DURING THE HORSE SHOW

3.1 Overall Practices

- A nighttime curfew will be in place each evening at 9:00 p.m. Noise must be kept to a minimum in barn/tent areas, and unnecessary lights will be turned off.
- DIHP will maintain hand-sanitizing stations at barn/tent entries and ringside. Individuals working with horses are encouraged to clean their hands frequently.
- Whenever possible, tack, rider clothing, horse-care tools, rags, buckets, and other equipment should be dedicated to an individual horse and not shared.
- Grooms, riders, and trainers should maintain a safe distance between horses throughout the property.
- DIHP will regularly clean and disinfect common areas, including wash racks, shade structures, and hoses, and perform vector control throughout barns, tents, and other populated areas.
- Signage throughout the Horse Park will identify best practices and required protocols.

3.2 Trainer Cohorts

- Access to each barn/tent should be limited to individuals with horses in that barn/tent.
- Grooms, trainers, and riders should avoid contamination between trainer groups, including sharing tack, cleaning materials, brushes, or other equipment.
- When moving between trainer groups, individuals are encouraged to change clothing and wash and/or disinfect hands, boots, and equipment.

3.3 Rings & Common Areas

- Maintain space between horses and take precautions to prevent cross-contamination.
- Do not share tack or horse-care materials between horses. Riders moving from one horse to another should wash their hands with soap and water or use disinfectant. Towels, nose rags, and similar materials should not be shared.
- Cleaning/sanitizing stations will be available throughout the competition area.

3.4 Third-Party Providers

Includes veterinarians, grooms, farriers, braiders, night check, equine spa services, horse exercisers, and others.

- Third-party providers must disinfect tools and work areas before moving between barns, tents, and trainer groups.
- Braiders, veterinarians, farriers, and night checkers must clean and disinfect their hands and shoes between horses. Night check personnel are also requested to disinfect shoes between barns/tents and use PPE when working with an individual horse.
- Equine spa vendors must sanitize spas after each use, use separate handling equipment for each horse, and require employees to sanitize their hands, clothing, and shoes between horses. Horses' temperatures should be taken before spa use and be less than 101.5F. Maintain a daily log of horses using the spa in the event an infectious disease is diagnosed.
- Only horses from the same barn may use the IDA horse walker at the same time. IDA must disinfect the walker before subsequent use by horses from another barn.
- All third-party providers must maintain a list of horses worked on and provide it to management or state officials upon request in the event of an infectious-disease incursion.

3.5 Veterinary & Farrier Stations

- Cleaning stations will be available at the veterinary clinic and farrier station.
- Veterinarians and farriers must clean and disinfect between horses.
- DIHP will regularly clean and disinfect the veterinary clinic and farrier station using a long-term disinfectant.

3.6 FEI Horses

- Standard FEI protocols for FEI-competing horses must be followed in addition to DIHP protocols.

PART IV — ISOLATION & INFECTIOUS DISEASE PROCEDURES

4.1 Horse Enters Isolation

- When a horse is moved to isolation, it may be placed in either the DIHP onsite or off-site isolation area. An onsite rapid test will be performed, and a sample will also be submitted to an accredited laboratory for confirmatory testing.
- If confirmatory testing is negative, the horse must remain in isolation until it has been afebrile for 72 hours without antipyretic medication. At the end of the 72-hour afebrile period, the horse will be retested using the same rapid and confirmatory testing process. If fever recurs at any time, the 72-hour afebrile period restarts.
- If testing is positive for an infectious disease agent, the timing of subsequent testing will be determined by the biosecurity officer based on the horse's clinical status and in consultation with the appropriate parties.
- At a minimum, release from isolation requires 72 hours afebrile without antipyretic medication and two validated/confirmed negative EHV-1 tests or, for other infectious disease agents, one confirmed negative test.
- No horse in isolation may compete. An exercise plan will be established by the show veterinarian and/or biosecurity officer.
- Release from isolation will be based on a collective decision by DIHP show management, the biosecurity officer, East-West Equine Sports Medicine, and USEF, considering diagnostic test results, absence of abnormal clinical signs, and epidemiologic risk assessment. Once released, the horse may return to its stall and resume exercise and competition at the discretion of the owner/trainer/veterinarian.

4.2 Horse Tests Positive for EHV-1

- A horse testing positive for EHV-1 on a Fluxergy rapid test may/will be moved within two hours or less to an off-site isolation barn on non-DIHP property. The DIHP biosecurity officer will maintain the facility; the horse will remain under the care of the show veterinarian, and the facility will operate under DIHP biosecurity protocols and USEF guidance. A confirmatory PCR test will be conducted, with the horse remaining off-site while results are pending. Additional testing and treatment will be determined collectively by DIHP management, the biosecurity officer, USEF, and East-West Equine Sports Medicine.
- At a minimum, an EHV-1-positive horse must remain isolated until afebrile for 72 hours without antipyretic medication and has two validated/confirmed negative EHV-1 tests. If fever recurs, these requirements must again be met. Once cleared, the horse may return to its stall and resume exercise and competition at the discretion of the owner/trainer/veterinarian.
- The trainer/owner may elect isolation at a home facility, subject to recommended guidelines from the show veterinarian, DIHP biosecurity officer, and USEF.
- Based on consultation with the biosecurity officer and East-West Equine Sports Medicine, EHV-1-positive horses will be encouraged to begin antiviral treatment and zinc/lysine supplementation to reduce the risk of EHM.
- The positive horse's cohort (barn/tent) will be placed under additional biosecurity protocols. For seven (7) days, twice-daily temperature logs will be monitored by the show veterinarian and/or biosecurity officer and temperatures may be required to be logged in the EquiTrace app. DIHP may limit cohort access and use foot baths and additional stall disinfectant. These precautions may remain in place for up to seven days if no additional febrile horses are identified.

- Asymptomatic cohort horses may exercise and compete if their temperatures remain below 101°F before leaving their stalls. Additional restrictions or testing may be required based on epidemiologic risk assessment.
- Additional febrile cohort horses will receive an at-stall Fluxergy rapid EHV-1 test. If negative, a febrile horse may still be required to enter isolation based on a collective decision by DIHP management, the biosecurity officer, USEF, and East-West Equine Sports Medicine.
- If a second horse in the cohort tests positive, the entire cohort will be under DIHP restrictions for at least seven days, or until no other horses are febrile or showing clinical signs. EHV-1-positive horses will be cleared and relocated to designated off-site isolation; all cohort horses must remain in their stalls and follow a restricted exercise plan. Competition eligibility will be determined collectively by DIHP management and associated veterinarians in conjunction with USEF.
- Isolation procedures for an affected competition barn may include fencing around the barn/tent, security personnel, and limited access, as determined in consultation with East-West Equine Sports Medicine, the DIHP biosecurity officer, and USEF.

4.3 Equine Herpes Myeloencephalopathy (EHM)

- A febrile or EHV-1-positive horse showing additional clinical signs consistent with EHM will be moved immediately to off-site isolation, and USEF and CDFA will be notified.
- The horse will receive a rapid EHV-1 test. If negative, it will remain off-site until a CDFA laboratory confirmatory PCR test 48 hours later.
- During this period, the horse's barn/tent will be placed under precautionary biosecurity protocols, including foot baths, veterinarian-monitored temperature checks, and further limited access.
- If the neurologic horse tests positive for EHV-1, CDFA assumes responsibility for quarantine and protocols until the Horse Park is officially released from state quarantine and restrictions.

4.4 Vesicular Stomatitis (VS)/New World Screwworm (NWSW)

- New World Screwworm and Vesicular Stomatitis are regulatory diseases subject to protocols established by state and federal animal-health officials.
- A horse showing compatible clinical signs will be immediately isolated, and all cohorts will be examined for similar lesions. DIHP will notify CDFA and USEF, and the affected horse will be tested for VS virus or treated for screwworm infestation. Further action will be determined by DIHP in consultation with CDFA and USEF.

PART V — WORKING TOGETHER TO KEEP HORSES SAFE

5.1 DIHP — Our Part

- DIHP has a Biosecurity Officer who is a licensed veterinarian. The Biosecurity Officer will guide implementation of DIHP biosecurity protocols, obtain feedback, provide assistance when needed, and help ensure that Horse Park staff and participants follow the daily measures necessary to protect horses on the grounds. The show veterinarian, East-West Equine Sports Medicine, together with the horse's private veterinarian, is primarily responsible for treatment.
- DIHP will regularly clean and disinfect the Horse Park, particularly high-traffic areas. Stalls will be disinfected whenever the occupant changes. Participants should notify DIHP if an area is not clean or if they have concerns.
- DIHP will implement vector-management controls to reduce risks from flies, gnats, and other pests.
- DIHP will maintain preparedness for an EHV-1 case and support the show veterinarian by ensuring that necessary supplies and medications are available onsite for immediate use.
- **DIHP will report all horses entering isolation to USEF as required.** All EHV-1-positive cases will be reported to USEF, and all instances of EHM will be reported to both USEF and CDFA.
- **DIHP will ONLY provide general press releases/communications regarding EHV-1/infectious diseases onsite if:**
    - There is evidence of disease-agent spread to one or more trainer cohorts on the venue grounds. A single isolated case of an infectious disease may not generate a press release.
    - A partial or entire show barn on the DIHP premises has been quarantined for a contagious disease. No notification will be made if all affected horses leave the DIHP premises promptly.
    - Epidemiologic investigation deems there is a high risk of disease transmission onsite or a high risk of disease incursion due to the presence of the disease agent in the geographic area.
    - CDFA, USDA, or both have found that certain criteria have been met and that the health and welfare of horses, as well as containment of infectious diseases, require such a statement.
- Any decision to limit, postpone, or cancel a competition, as well as subsequent decisions to resume competition, will be made in consultation with USEF and CDFA.

5.2 Participants — Your Part

- Do not bring sick horses to DIHP. Horses that have had a fever or clinical signs of illness within the previous seven (7) days should not be brought to DIHP until the issue has been resolved.
- Take your horse's temperature twice daily. If your horse becomes ill while at the Horse Park, immediately notify the show veterinarian and biosecurity officer, as required by USEF.
- The most important thing you can do is isolate sick horses as soon as possible and allow us to provide appropriate care. It is good for the horse and good for all the other horses as well. Horse Park staff are here to assist you.
- While at the Horse Park, practice good hygiene and common-sense biosecurity measures and follow all DIHP biosecurity protocols established to protect the health and welfare of horses on the premises.

Desert International Horse Park
Equine Declaration of Health

As the trainer/owner/agent/competitor, I declare that the horse(s) in this submission are arriving to compete at DIHP and HAVE NOT:

2. Tested positive for EHV-1 within the last 60 days. If they have tested positive within the last 60 days, all horses must have had two subsequent negative EHV-1 tests by an accredited testing facility before arrival at DIHP.

3. Been on a competition grounds with an active or suspected case of EHV-1, EHM, or other infectious disease in the last 30 days.

4. Been on the grounds of, or at a private facility, barn, stable, or veterinary clinic with an active EHV-1 or EHM positive horse or an active or suspected infectious disease in the last 30 days.

5. Been in contact with a horse that has tested positive for EHV-1, EHM, or any infectious disease in the last 90 days.

If any horse(s) fails to meet these criteria, please contact our biosecurity office Dr. David Runk for further guidance at 530-902-0750 or david@deserthorsepark.com

By signing below, I understand that any non-compliance by the trainer, owner, or competitor will result in USEF's notification for violating the DIHP biosecurity protocols, which may result in disciplinary action per USEF rules.

B. To compete in an NHD, Riders, Owners and Trainers must be current active members of the USEF and USHJA prior to the start of the class.
C. Foreign residents and horses in good standing with their National Federation are eligible to compete in an NHD but will not receive USHJA National and Zone HOTY bonus points unless they comply with Roman Numerals I.A and I.B above.
D. The same horse may not compete in the USHJA NHD and the USHJA International Hunter Derby at the same competition.
E. If specified in the prize list, horses entered in an NHD may be required to compete in one (1) or two (2) additional classes at the same competition.
F. If specified in the prize list, the number of horses a rider can compete in an NHD may be limited.

II. Competition Policies

A. Schooling
   1. All horses competing in an NHD must be ridden in official horse show schooling areas during both rounds of the class. (Exception: If management designates a specific schooling area for horses competing in the NHD, all horses must be ridden in that designated schooling area during both rounds of the class.)
   2. Horses that are competing in an NHD that are found being ridden or schooled in other than an official horse show schooling area, or a specific schooling area designated for the NHD during the class will be eliminated. Entry fees will be forfeited.
   3. Horses that are competing in an NHD that are found being ridden or schooled by a rider NOT wearing the number assigned to that horse will be eliminated from the class. Entry Fees will be forfeited.
B. Hand walking in the NHD arena is permitted prior to the start of the class.
C. ***When appropriate, management is encouraged to allow flatting in the NHD arena.***
D. In accordance with HU 174.14 the same horse-and-rider combination must compete in both rounds of the NHD.
E. Order of Go
   1. The order of go must be posted a minimum of one hour prior to the start of the class.
   2. The draw for the order of go may be performed by hand, or competition management may host a computer draw.
   3. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition.
   4. In the case of multiple rides, every effort will be made to have a minimum of eight horses (if available) separating horses in the jump order.
   5. In the second round horses will return in reverse order of their first round scores (lowest to highest). Any rider with multiple rides or a rider conflict may elect to move up in the order.
   6. Should a jump-off occur, horses will return in the same posted order in which they competed in the second round.
F. ***Formal attire is required***.
G. All riders placing in the top twelve (12) overall, or their designated representative, must ride for ribbons in order to receive prize money.

III. Competition Format

A. Traditional Format-Two Phases

   2. The Handy Hunter Round
   3. Each round will be run separately.
   4. All horse-and rider combinations will compete in the Classic Hunter Round.

   2. ***Adds and scratches may be accepted after entry numbers for the class have been finalized, but they will not affect the final entry numbers used to determine the combining and/or dividing of the class.***
   3. ***At the sole discretion of management, horses scratched from the class after the entry numbers have been finalized may be required to forfeit their entry fees.***

B. ***All National Hunter Derbies***

      a. National Hunter Derbies divided into two (2) separate classes:
         1. An NHD divided into two (2) separate derbies must divide the classes into an NHD and an NHD Restricted to Juniors and Amateurs.
         2. If, after being divided, there are fewer than twelve (12) entries in either the NHD or the NHD Restricted to Juniors and Amateurs, the original list of entries must be restored and divided into two NHDs by a random draw.
         3. ***If there is a further split, per HU160, prize money must be doubled whenever a section is divided.***
      b. National Hunter Derbies divided into three (3) separate classes:
         1. An NHD divided into three (3) separate classes must first offer the classes divided as an ***Open*** NHD, an NHD Restricted to Juniors, and an NHD Restricted to Amateurs.

2. If, after being divided, there are fewer than twelve (12) entries in the ***Open*** NHD, the NHD Restricted to Juniors, or the NHD Restricted to Amateurs, then the NHD will revert to a class divided into two (2) separate classes as outlined above in IV.B.2.a.

B. The Classic Hunter Round will be judged on quality, movement, jumping style, manners and way of going *with pace and brilliance to be rewarded.*
   1. Using the open numerical judging system each judging panel will award a base score for each round.
   2. No judging panel may award the same base score to any two horse-and-rider combinations in any one round unless that score is below the cut-off score.
   3. In addition to this base score, each judging panel will award an Option Bonus Score for each round.
      a. The Option Bonus Score will consist of one additional point for every higher height option fence jumped.
      b. The Option Bonus Score for each higher height option fence jumped must be awarded even if there ***are two refusals***, a rail down, or loss of good jumping style at the higher height option fence ***provided the horse-and-rider combination ultimately jump the higher height option fence.***
   4. These two scores must be announced separately and then added together to determine each horse and rider combination's score for this round from each judging panel.
   5. If two judging panels are used, the scores from each of the judging panels will be added together to determine the total score of each horse and rider combination for this round.

C. The Handy Hunter Round will be judged on quality, movement, jumping style, manners and way of going *with pace, brilliance and shorter tracks to be rewarded.* A horse-and-rider combination may not jump decorations or other obstacles in order to create a shorter track.

2. No judging panel may award the same base score to any two horse-and-rider combinations in any one round unless that score is below the cut-off score.
3. The handiness of each Handy Hunter Round will be reflected in the base score each judge or judging panel.
    a. Handiness is defined as ground saving movement without adversely affecting performance or style.
    b. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style.
4. In addition to this base score each judging panel will award an Option Bonus Score for each round.
    a. The Option Bonus Score will consist of one additional bonus point for every higher height option fence jumped.
    b. The Option Bonus Score for each higher height option fence jumped must be awarded even if there ***are two refusals,*** a rail down or loss of good jumping style at the higher height option fence ***provided the horse-and-rider combination ultimately jumps the higher height option fence.***
5. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judge or judging panel.
6. If two judging panels are used, the scores from each of the judging panels will be added together to determine the total score of each horse and rider combination for this round.

D. Soundness
1. ***Judges have the authority to disqualify a horse due to unsoundness at any time during the competition***.
2. In the Traditional Format horses are required to trot a circle on a loose rein at the end of their Classic Hunter Round.
3. Horses may be asked to return to the ring and trot another circle at the judge's discretion.

E. The Jump-Off Round, if required, will be judged on quality, movement, jumping style, manners and way of going *with pace, brilliance and shorter track to be rewarded*. A horse-and-rider combination may not jump decorations or other obstacles in order to create a shorter track.
1. Each judging panel will award a base score for each round using the open numerical judging system. The handiness of each round will be reflected in the base score of each judging panel.
2. No judging panel may award the same base score to any two horse-and-rider combinations.
3. If two judging panels are used, the scores from each of the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.
4. The total score of each horse-and-rider combination will determine the final overall standings of the class.

IX. Judging System-Hunt and Go Format

Note: The National Hunter Derby Hunt and Go Judging System may differ from the International Derby Hunt and Go Judging System.

A. Judges are required to pin to 12th place (plus two reserve placings) for the purposes of awarding USHJA National and Zone HOTY bonus points.

B. The judging system for the Hunt and Go Format is consistent with the judging format for the Traditional Format with the following exceptions:
1. Each of two judges or judging panels will be designated to judge either the Classic Hunter Round or the Handy Hunter Round.
2. Using the open numerical judging system, each judge or judging panel will award a base score for their designated round *that is separate and distinct from the other round.*
3. The judge or judging panel designated to judge the Classic Round will also award an Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped. (See VIII. B. 3. above).

   2. If there are two exhibitors that are tied, and one exhibitor declines to jump off, that exhibitor will receive second place.

III. Judging System

A. Each class must have at least one at least one USEF "R" or USEF "r" judge for any USHJA 2'6" Junior/ Amateur Hunter Derby that offers less than $5,000 in prize money. If a competition offers $5,000 or more in prize money, then two (2) judges are required. If using two (2) judges they will sit together in a panel. Each judge on the panel must be either a USEF "R" or USEF "r" judge. Each panel will provide one (1) score for each round. See "E" for calculating the Overall Score.

B. No judge or panel may award the same base score to any two (2) competitors in any one round unless a competitor's score is below the cut-off score. A numerical score must be given and may be a duplicate score if it is under the cut-off.

C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judge(s) base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)

D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. **Handiness is taken into account in the judges' base score.** After the judge(s)' base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)

E. Overall Score - The final score from each round will be added to obtain the overall total for each horse.

F. Hunt and Go

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will be combined from the Classic and Handy rounds and will result in elimination. (i.e. a horse who has two refusals in the Classic Round will be eliminated after one refusal in the proceeding Handy Round.)

1. Standard Hunt and Go Format
    a. The Classic Hunter Round, consisting of **five to seven (5-7) fences with two (2) high options**, shall be judged on quality, movement, jumping style, manners and way of going.
    b. After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of **five to seven (5-7) with two (2) high options,** shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
    c. **If using one (1) judge,** that judge will provide a single score for each phase, in addition to the Bonus points of one point per high option jump that will be added to the judge's score. The scores from each phase will be added together to determine the total score and placement.
    d. **If using two (2) judges,** each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
    e. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
    f. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.
    g. For the Hunt and Go Format, the Classic Round Score, including high options, is the tie-breaker.

IV. <u>Tie Breaking Procedures</u>

A. No judge or panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
B. Any ties in the Classic Round will be broken by the base score (before adding height bonus points) of that round.

C. The draw may be performed by hand or competition management may host a computer draw.

DESERT INTERNATIONAL HORSE PARK

$25,000 ROAD TO THE TOP JUMPER CHALLENGE (DESERT HOLIDAY 2)

CLASS FEE: $200 **CLASS NUMBER:** 943

The Jumper Challenge is designed for equestrians aged 25 and under who actively participate in and are considering a career in the equestrian industry. This competition offers individuals a platform to demonstrate their skills, acquire valuable competition experience, and build connections with peers, sponsors, and prospective employers.

Class Restrictions/Specifications
The competition is open to junior, amateur, and professional riders aged 25 and under.

Class Format
The competition will be run as a Table II, 2a jumper class format at a height of 1.15m.

The class will consist of two rounds.

In Round One, each rider will receive a jumper score (number of faults) and a numerical equitation score. Riders who jump clear and within the time allowed, and who receive an equitation score of 75 or higher, will advance to the second round.
- If only one rider jumps clear and within the time allowed, and with a qualifying equitation score, there will be no second round.
- If no riders jump clear and within the time allowed, then riders tied with the fewest faults (and a qualifying equitation score) will advance to the second round.

In Round Two, riders will return in reverse order of their equitation score.

Round Two begins with a “clean slate” for all qualified riders. To determine final placings, riders receiving an equitation score of75 or above in this round will be ranked by faults and time for the order of placing. Riders receiving equitation scores below 75 will be ranked by faults and time below the group receiving equitation scores of 75 or above.

- If fewer than 8 riders qualify for Round Two, the remaining placings for the class will be based on the faults riders incurred in Round One, with ties being broken by equitation scores, highest to lowest.

Any jumper tack allowed under the rules will be permitted (USEF JP 111). Standing and running martingales ARE permitted. Draw reins and German martingales are NOT permitted. Jumper braiding is optional.

Jackets are required, unless waived for weather conditions. No additional specific attire is required.

Judging Criteria
The class will be judged by two R licensed officials, one with a hunter/equitation license and one with a jumper license.

- The jumper judge will assess jumping and time faults
- The equitation judge will award a score based on technical skill and style of riding. The open numerical scoring system will be used. An equitation score will be given for both rounds and will not be cumulative.

Jumping faults and equitation scores will be announced after each round. Two refusals will incur elimination.

In Round One, riders who jump clear and within the time allowed, and who receive an equitation score of 75 or higher will advance to the second round.

In Round Two, riders receiving an equitation score of 75 or above will be ranked by faults and time for the order of placing.

Course Design
Courses will be designed to be technically demanding, incorporating various types of obstacles including:
- Verticals
- Oxers
- Triple bars
- Combinations (doubles and triples)
- Liverpool
- Open water (if available 2+ points)

Straw bedding on stall is prohibited except when the horse's health is at issue. Please obtain prior approval from the DIHP office staff at stabling@deserthorsepark.com. A clean-up fee may apply. At the closing date of entries, you will be financially responsible for all stall reservations made to that date. NO EXCEPTIONS. We will permit arrival on Sunday if your stalls are available for $100 fee. You must confirm with stabling prior to arrival that your stalls are available. During off weeks, any stall with set ups, fans, equipment, etc, will be billed and paid for at the weekly stall rate.

STALL PLACEMENT GUIDELINES: Front facing permanent stall location placement – Priority is given to barns that stay the longest during the season with the most stalls, i.e., season and circuit stall holders with the most stalls will be placed first. Sponsorship and past years' location assignments are not a factor in current year location placements.

Other permanent stall location placement – Priority is given first to additional weekly stall requirements of barns with front facing permanent stall locations. Second priority is given to larger, longer weekly stall requests. Barns requesting smaller stall allocations or individual weekly stalls will still be eligible for placement in the permanent barns as they "fit" into the stall map. Early reservations is not necessarily a factor in stall placement.

MATS: Mats are provided in all permanent and clear span tents.

FEED STORE: DIHP operates a full-service feed and bedding store. This season the feed store will offer multiple brands for both feed and supplements as well as a variety of hay options. All orders must be made on-line on the DIHP website. Prices for feed, shavings, supplements, and hay are posted on-line. Third party deliveries of feed and hay are not allowed. Individuals bringing their own bedding may do so but may only access the barns when competition access and parking restrictions are not in place.

BARN OFFICES: Barn offices are available for rent during the season. There are two offices located in each permanent barn. Email: stabling@deserthorsepark.com for information. The rate is $600 per week. Offices are NOT to be used for housing of any kind.

PADDOCKS: DIHP has 56 paddocks, of which 44 are pipe metal and 12 are wood fenced, and are separated on all four sides by walkways. They are roughly (50' x 75') in size and each has its own gate. Exhibitors are encouraged to bring their own locks to secure their reserved paddocks. Paddocks are NOT to be used for overnight turnout. Paddock reservations may be made on the DIHP website at www.deserthorsepark.com using our new Paddock reservation system. Preferences for location will be honored to the extent possible. Reservations are for a week at a time, Monday at noon to Monday at noon, and the price is posted on-line. Season paddocks are $9,000. Weekly (when available) are $650.

DAILY HAUL-IN: Daily Haul in is no longer allowed without a corresponding reserved stall. Exhibitors/trainers may haul in on a daily basis but only to their reserved stall/tent/barn location. Trailers must be parked in the secure trailer lot once horses are unloaded. Horses arriving for daily haul in must meet DIHP's biosecurity requirements.

SAFETY, HEALTH & VETERINARY:

SHARPS AND MEDICAL WASTE: In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, BioHazardous Medical Waste Containers will be provided in the stable area. Sharps & Medical Waste must be placed in the proper receptacles. EQUINE HEALTH REQUIREMENTS: Equine Health Requirements will be enforced. All horses (competing or not) that enter the grounds are required to present the Required Health Entry Requirements, including the Event Participation Declaration and Proof of Vaccination. All horses are subject to examination by DIHP officials/designated representatives and/or state officials (collectively "officials") for determining whether such animals are, have been infected/exposed, or are likely to become infected with an infectious or contagious disease. If after such examination, officials have reason to believe that an animal's health condition places other animals at risk, such officials, at their sole discretion, may quarantine such animal (and others that may have been infected/exposed) or, if appropriate, require that such animals be transported off the grounds. All participants agree to fully cooperate with event officials and abide by their decisions and instructions. Failure to comply shall be grounds for immediate expulsion and potential disciplinary action by organization, state/local or federal animal health officials. All exhibitors are encouraged to review the equine health entry/transport requirements of the destination state prior to entry. Additional information can be obtained from the State Vet Office. **New biosecurity rules are in place for this season and can be accessed on the DIHP website.**

POLING, LUNGEING AND OFFSETS: Manual poling and the use of bamboo offsets are prohibited for all horses competing at DIHP pursuant GR844. In the event of a head injury due to a fall/accident at a licensed competition, the competitor may be prohibited from further competition until released by medical personnel. In some cases, the competitor may not return to competition without a signed release from a licensed medical professional. The competitor may be placed on suspension by USEF until a release is provided. Competitors are advised to familiarize themselves with this rule.

BOATRIGHT STUDIO

MODERN LUXURY

Tom began to paint through a series of angelic experiences in which he was instructed how to infuse metals into raw oils and resins. Tom has synesthesia, experiencing sound as color. His atelier is a sound chamber of Heaven and Earth, a resonance hall. As he paints, he allows himself to experience the vibration of sound and light, a fluid state of consciousness. Tom grew up working on a quarter horse ranch and fell in love with the power and grace of horses. He captures their beauty in an abstract impressionistic style.
