Introducing FIKAFast

YOUR CHAIRS. YOUR COLOURS. READY IN 5 WORKING DAYS.

FIKAFast lets you choose seating that fits your space, without the usual made-to-order wait.

Pick from 3 chair designs, 2 frame finishes and 19 Seren faux leather colours. Every chair is upholstered to order in the UK and **ready in 5 working days**.

So you can open on time, refresh between seasons, or add chairs later without holding up your plans.

152 ways to make it yours

01 **Match your theme.**

Choose the chair, the frame finish and the colour, so your seating suits your interior rather than the other way round.

02 **Ready when you are.**

A 5 working day lead time means a refit, an opening or a late change doesn't have to wait on your chairs.

03 **Built for busy spaces**

FSC-certified solid beech frames, severe contract grade upholstery and a 5-year structural warranty. Supplied fully assembled.

Every FIKAFast frame is FSC-certified solid beech, stained and sealed with a hard-wearing polyurethane lacquer.

OAK

A NATURAL FINISH. AN INDIVIDUAL CHARACTER.

Natural variations in timber grain and tone give every frame its own character. Choose your stain, then complete the look with one of 19 Seren faux leather colours.

Why Seren faux leather

THE LOOK OF LEATHER, MADE FOR EVERYDAY LIFE.

Every FIKAFast chair is upholstered in Seren, a faux leather with a warm, tailored finish that's simple to look after.

It's built for the busiest service: Crib 5 fire rated, waterproof and tested to 250,000 Martindale rubs.

19 Seren colours, each with its own code

01 **Spills wipe away.**

Tea, coffee, wine, ketchup and cooking oil lift with a soft cloth and warm water. Anti-bacterial sprays can be used too.

02 **Made for heavy use.**

Severe contract grade, tested to 250,000 Martindale rubs and 250,000 bending cycles.

03 **Hygienic and waterproof.**

Passes anti-microbial testing (JIS Z 2801), resists water and keeps its colour in daylight.
