# WELCOME FROM THE POLEMARCH

2026 Bishopville-Manning-Shaw AFB (SC) Alumni Chapter Retreat

## THEME

# BUILDING UPON THE BMS FRAMEWORK

**Brothers,**

It is my pleasure to welcome you to the 2026 Bishopville-Manning-Shaw AFB (SC) Alumni Chapter Retreat.

Our theme, 'Building Upon the BMS Framework,' speaks directly to where we are as a chapter and where we are going. A strong organization does not happen by accident. It is built with purpose. It requires a solid foundation, a clear plan, committed leadership, and Brothers who are willing to do the work.

Today is about strengthening that framework. This retreat gives us an opportunity to look closely at the business of BMS, strengthen our chapter operations, improve how we communicate and serve, and make sure every Brother understands how his role connects to the larger vision of our chapter.

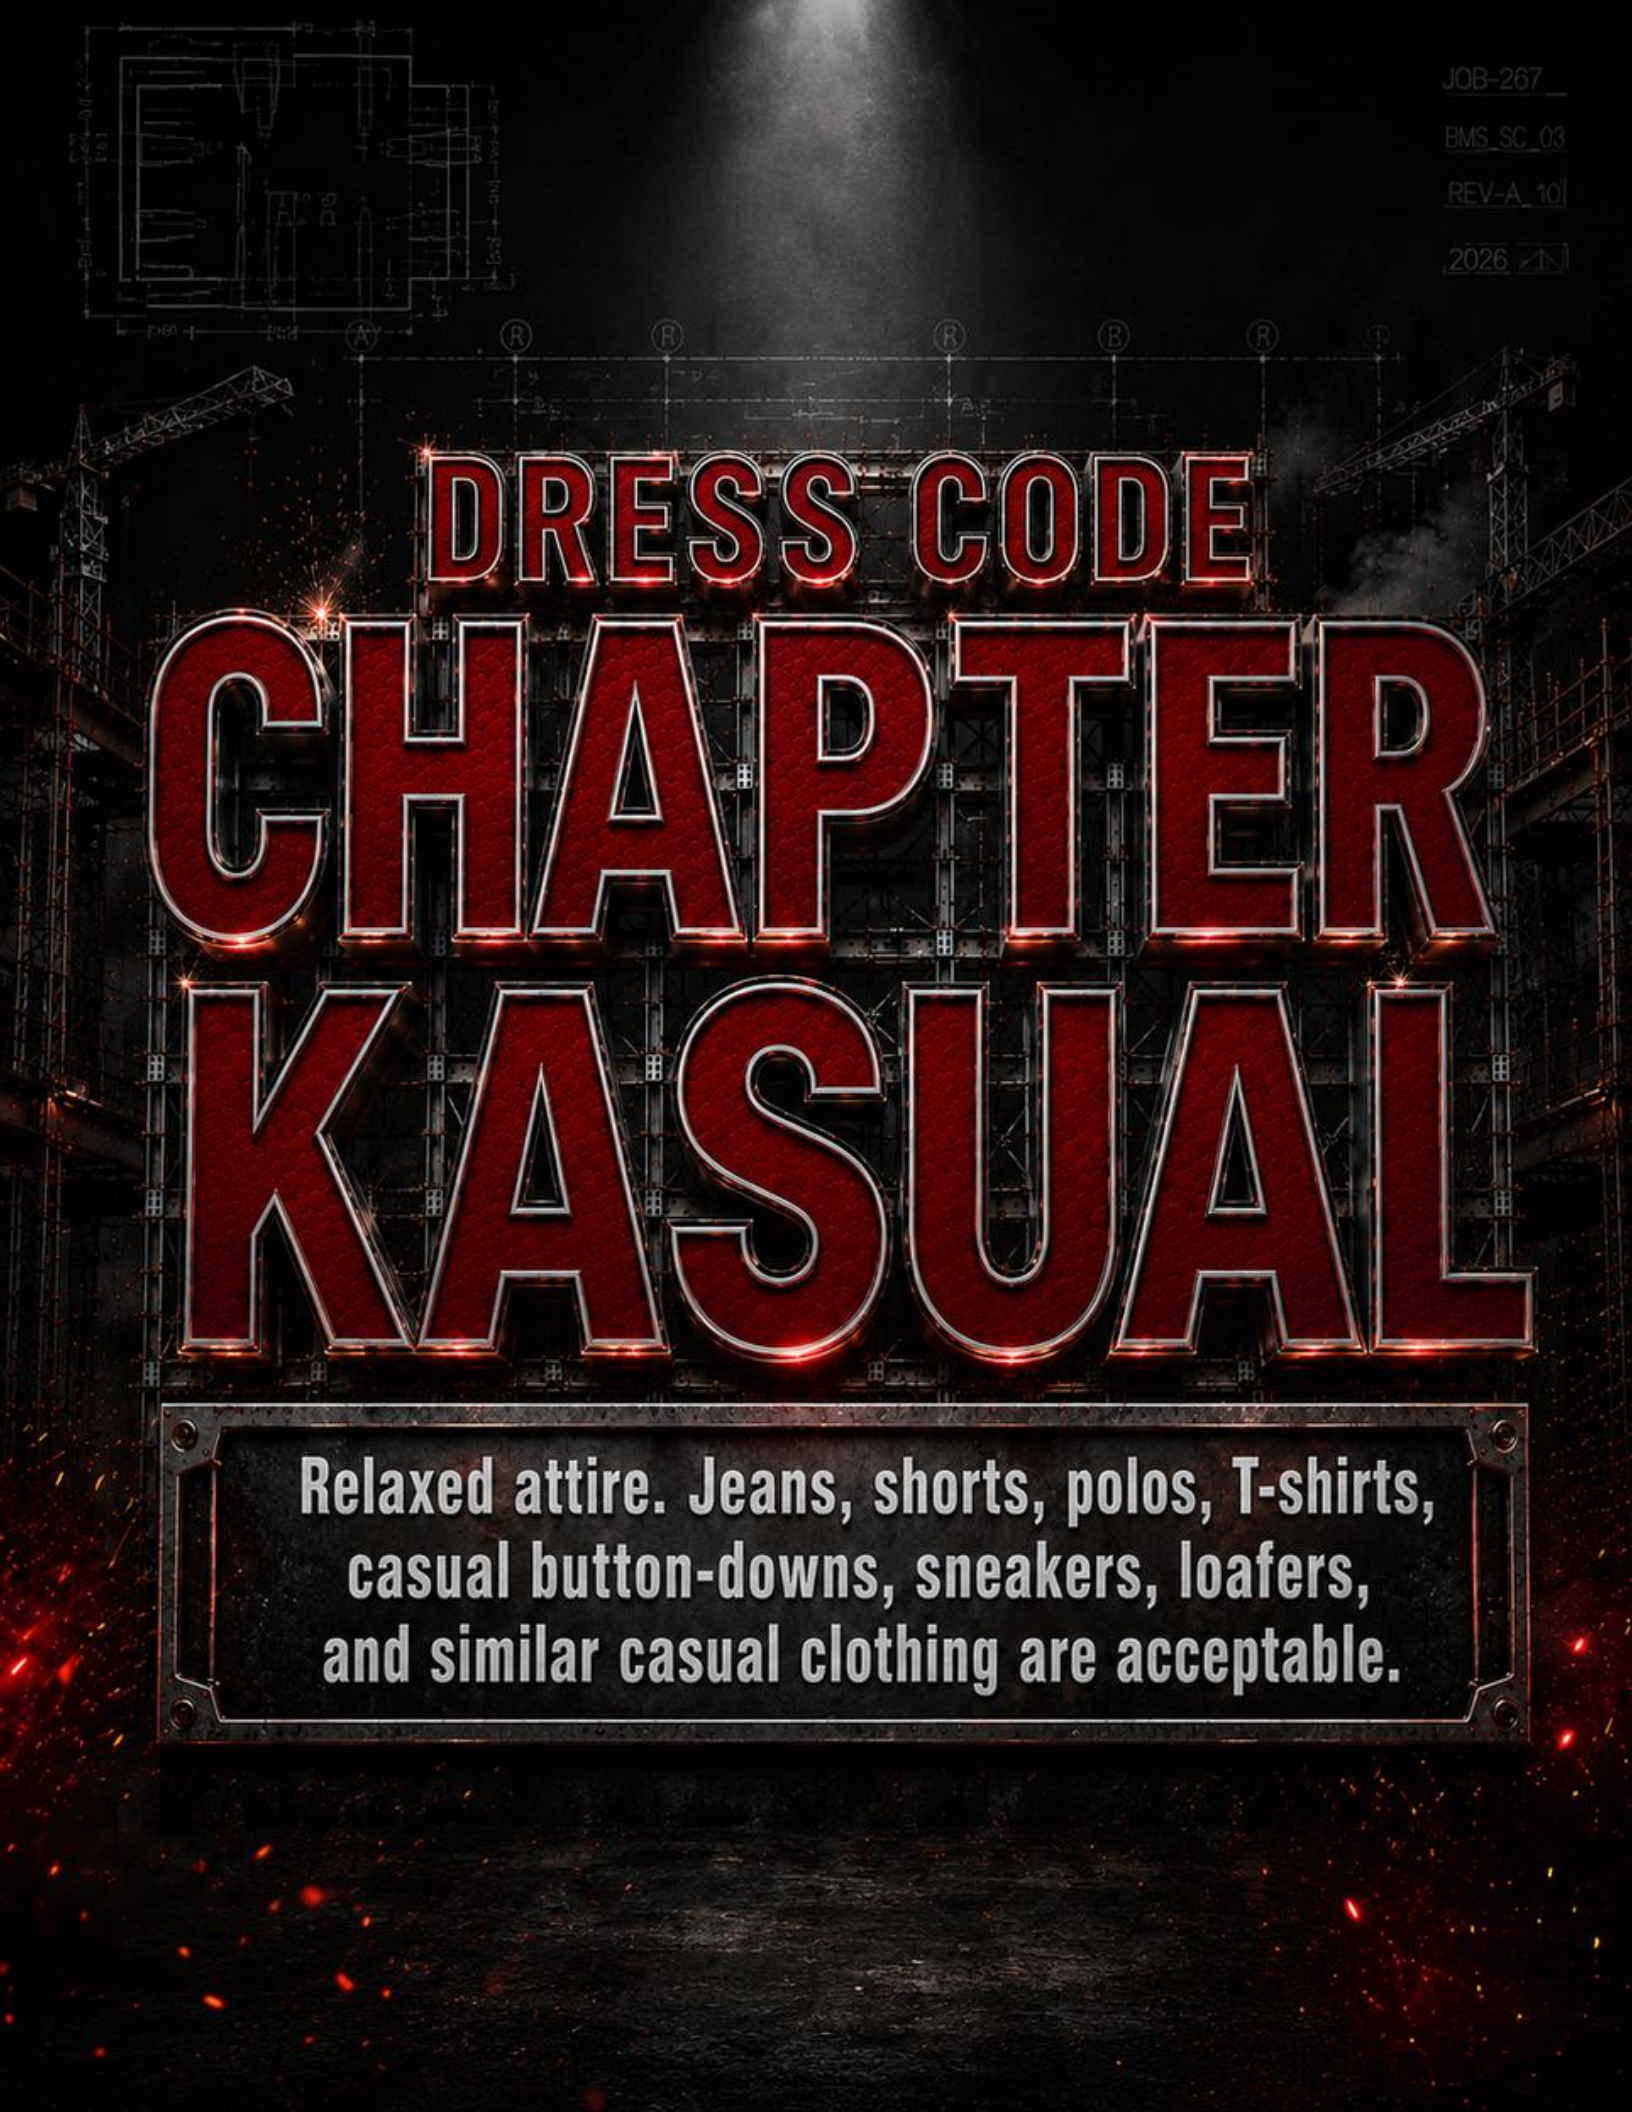

Every Brother has a place in this framework. Every Brother brings something valuable to the work. When each of us does our part, we become stronger together.

**Welcome to the retreat. Now, let us build.**

Yours in the Bond,

Terence Jackson
