

YOUR NEXT BUSINESS ADVANTAGE

Discover why leading companies
are choosing downtown London.

THE DOWNTOWN ADVANTAGE

Downtown offers a connected business environment where employees and businesses can thrive.

As London's economic, civic, and cultural heart, it brings together a diverse mix of restaurants, cafes, professional services, cultural destinations, and meeting spaces that support productivity, collaboration, and talent attraction. With ongoing public and private investment, downtown London continues to strengthen its position as the city's premier business district.

Everything is within walking distance:

- Cafés and bakeries
- Restaurants, patios, and after-work dining
- Professional services, banks, law courts, and government offices
- Meeting spaces and everyday conveniences
- Entertainment and cultural venues
- Festivals, concerts, and community events
- Transit connections and walkable streets

With ongoing investment and public realm improvements, downtown continues to strengthen its position as the city's premier location to work, connect, and do business.

LDBA SERVICES

The London Downtown Business Association (LDBA) supports more than 1,400 businesses located in the heart of the city. Commercial property owners within the district contribute through a levy that is reinvested directly back into downtown through business support, enhanced services, events, promotions, beautification, and public realm improvements.

Collaborating with the City of London and community partners, the LDBA helps ensure downtown remains a welcoming, vibrant, and well-cared-for place to work, visit, invest, and do business.

Clean and well-maintained streets

- Dedicated Clean Team
