Two children were swimimming in
the sea

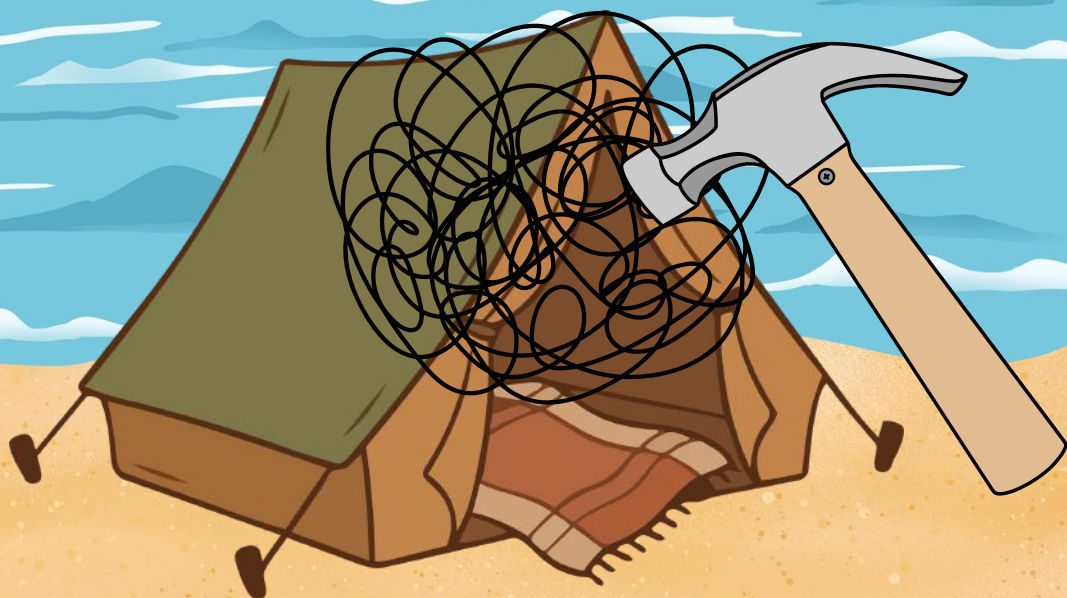

**Then, they was swept away by the wave
and they were washed up on the island**

**The two began to work out away to
survive together.**

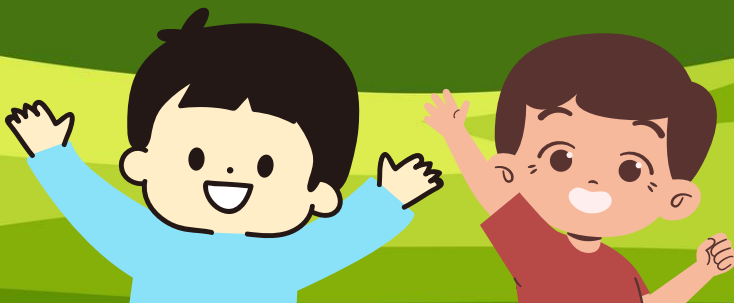

First, they made tent for live.

And they go on an adventure to find food.

In the meantime, they find the treasure!!

**They fight for each other's treasure, so
they fall out.**

One of them is in danger!

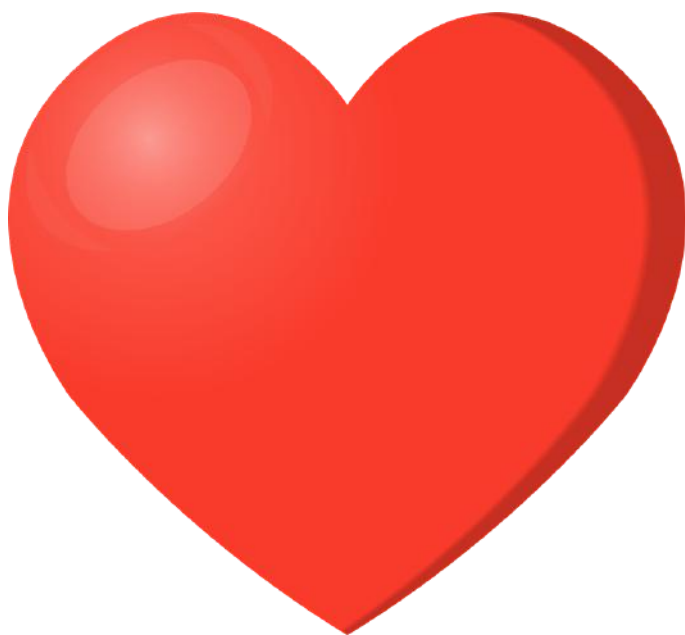

Noooo

The other one saves a child in danger.

Eventually, they make up

Fortunately, they are rescued and they
realize what the real treasure is
