Thank you for considering **tag** products!

The information below is designed to help your business dealings with **tag**. Please feel free to call us at any time, if we may be of further assistance in guiding you through our terms and conditions, which were revised on January 2025.

PRICING

All prices listed in our catalog, **tag**'s website, promotional materials, or quoted by our sales team are wholesale, for each, and are subject to change without prior notice. **tag** reserves the right to adjust prices or administer surcharges at any time due to changes in global or domestic economic factors including but not limited to import tariffs and duties, freight, and or price increases incurred from our supply chain.

NEW CUSTOMERS

Welcome! Please provide us with the following information so that we may properly set up your account: a copy of your resale certificate and complete customer information (either by providing us with a comprehensive credit sheet or filling out the appropriate form). When using **tag** forms, use the Customer Information Form if you are planning to pay by credit card. Please note that a credit card or prepayment will expedite the processing of your first order. All forms are available on our website at www.tagltd.com.

ORDERS

tag's minimum first-time order is $350; reorders must total $150 or more. All products are sold in case packs either per color or as assortments, and priced as eaches. When ordering, please take note to order in multiples of the pack size. **tag** reserves the right to increase the quantity to meet our pack size requirements. Order cancellations must have prior authorization and will be documented by a confirmation email issued by **tag**.

PAYMENT OPTIONS

Credit Card Payment: **tag** accepts Visa, MasterCard, Discover and American Express. **tag** will charge your credit card at the time of shipment for the total amount of goods shipped plus freight.

Net 30 Terms: **tag** extends Net 30 terms on approved credit. We require four trade references and one bank reference. Retailers who have been in business for less than one year require a waiting period of one year or more prior to being considered for terms. Accounts not paid within agreed terms are subject to 1.5% per month interest but in no event shall the interest charged exceed the maximum rate allowed by applicable state law. A 2% convenience fee will be added to any orders where the customer pays with a credit card after terms

Prepayment: Although we recommend use of a credit card for ease of processing your order, we do accept check prepayments. You may send in a check for the total amount of goods plus an additional 25% to cover freight costs. If an overage occurs, any remaining monies will be applied to your account as a credit. **tag** will deal with shortages on an individual basis.

Please note a $35 fee will be charged for any returned checks.
