OUR VISITORS

Rothwell Corinthians began to play competitive football in 1934 when they joined the Kettering and District Amateur League.

The idea of the team was first put forward in a terrace house in Littlewood Street. At that time the league had three divisions and the Corinthians were placed in the Second Division.

When football resumed after the second World War, the Corinthians were playing at the old recreation ground. This venue was their headquarters for the majority of the next twenty years.

The Corinthians introduced their first reserve team into the league in 1950 and, nine years later, they brought the first senior league honours to the club when they became Champions of Division Three.

The following season the first team won the First Division Championship and they repeated this feat in 1964. However, the following season they were relegated and by the end of the decade they found themselves in the Third Division.

It was not until 1979 that they began to get themselves noticed again as they were promoted to the First Division and also managed to reach the N.F.A. Area Cup Final.

The 1980-81 season marked the beginning of the emergence of the club as we know it today. With the move to Rothwell Town's Cricket Ground came a more professional approach to the organisation of the club. Coinciding with this the League had re-styled itself as the East Midlands Alliance and lifted its standards, a move much appreciated by the Corinthians. I

In 1984 the Corinthians gained promotion to the Premier Division. Meanwhile, behind the scenes the club had purchased the land on which the present facilities are located. These facilities were officially opened by Northampton Town in 1986.

Season 1989-90 saw the Corinthians lift their first Premier Division Championship. The season 1994-95 saw them secure their second Premier Championship, and after consultation with the United Counties league Management Committee, promotion was secured.

Recent seasons has seen three appearances in the Northamptonshire Junior Cup Final with a win registered in 2008 Promotion to the United Counties Premier Division was

achieved the same season under the management of Frank Ielapi assisted by Paul Smith.

With Ielapi and Smith standing down after one season at the higher level Corinthians changed managers each of the following two seasons but struggled in their time at level 5. They still managed however to win the Youth League Cup and Reserve Supplementary Cup in 2009/10 but the First team dropped back down into Ucl Div1. Shaun Sparrow joined as manager rejuvenating the club with promotion back to the Premier Division in 2015 and more recently with Jim Scott as joint manager saw three mid table finishes.

The Reserves have also had recent success with two UCL knockout Cup Finals in 2016 and 2017 , winning the first, and were losing finalists in the NFA lower Junior Cup in 2014. Our under 18's losing finalists in the 2018 NSYFL league cup final. Mitch Austin took the reigns for the 2019/20 season and led the team to the 1st Qualifying round of the FA Cup and the UCL Knockout Cup Final before its curtailment. Upon the leagues resumption after the Covid-19 lockdown and under the stewardship of Wayne Abbott, the club finally played the delayed UCL knockout League Cup final and claimed the trophy for the first time in the clubs history with a 1-0 win over Holbeach United in November 2020. In 22/23 we dropped to step 6 and the Spartan South Midlands League Division One after our relegation from the United Counties League. .

TAMWORTH's heroics aside, the most romantic story of FA Cup third round weekend was one which never actually materialised.

In 154 years of the competition, no father and son have ever played against each other, so when Premier League Everton pulled Peterborough United out of the hat, all talk was of the possibility of Everton full-back Ashley Young facing his 18-year-old son Tyler.

Tyler was named on the Posh bench but, in the end, a tight game at Goodison Park meant that Peterborough boss Darren Ferguson had to put the needs of his team before the purists and the young midfielder didn't get on.

And in another twist to the tale, Ashley's brother, and Tyler's uncle, Lewis Young took charge of only his second game as caretaker manager, leading out Dagenham & Redbridge at Millwall on Monday night.

Despite not quite etching their names in cup folklore, it proved a memorable weekend for the Young family – one to tell the grandchildren one day.

"It was fantastic to be there [at Everton] on Thursday night," Lewis told The NLP. It was a dream for me and the whole family all dotted around.

"We probably ended up making it nearly a sell out because the amount of us went up."

Ask any footballer of a certain age and they'll tell you it's every player's dream to see their son or daughter make their own way in the game – better still playing alongside them.

And that was the case for two former full-time stalwarts who lined up alongside their sons in Non-League last week.

Ronnie Henry says he has fulfilled the final ambition of his 23-year playing career after playing alongside son Louie for Potters Bar.

Stevenage legend Henry, 41, joined the Scholars in June after watching 17-year-old Louie play at the Lantern on loan from his former club last season.

The centre-back even admitted that the possibility of left-back Louie returning to the Isthmian Premier division side had convinced him not to hang up his boots.

@sportsshotnews

Henry was made to sweat, with talk of loan moves elsewhere, but the deal was completed last week and on Tuesday night the pair lined up in Max Mitchell's back four, helping the Scholars to a 2-1 win at Canvey Island. "I've achieved quite a few things in my career, but playing alongside Louie is right up there with any of them," Henry, who won two FA Trophies, a Conference title and the League Two play-offs during two glittering spells at the Lamex, told The NLP.

"When I decided to play on for another year, it did depend on what Louie was going to do. And at times it looked like he would go elsewhere. So for him to come to Potters Bar and for me to play alongside him was a special, special moment.

"It's a moment that I didn't think was ever going to happen. I didn't even dream of it happening, to be honest. Even driving to the game, I thought 'This is surreal'. But when we crossed that white line, everything just felt really natural.

"It was a fantastic experience and it almost feels like 'OK, I've achieved everything I could have hoped for in football now'."

Someone who knows exactly how Henry is feeling right now is Danny Kedwell. The Ashford United player/manager says it's an "amazing feeling" to partner his son in the Nuts & Bolts front line in the Isthmian South East division – even though he'd really rather not to!

Kedwell has been forced to dust down his predatory scoring boots in recent weeks at the age of 41 to cover an injury and suspension crisis at the Homelands, which has propelled his 16-year-old schoolboy son Preston into the spotlight having netted three goals in his first six starts in senior football.

"He's only 16, he's still at school, so to get experience of men's football at his age is fantastic," said Kedwell Snr, who scored over 250 career goals for the likes of AFC Wimbledon, Gillingham and Ebbsfleet United.

"In all my footballing career, I never thought I would ever be playing alongside my son.

"It's an amazing feeling, albeit unexpected because I don't really want to be playing at 41 to be honest! But with all the injuries and suspensions we've had, I had no choice.

"I was buzzing for him, because it's hard for him being 16 years of age and the manager's son.

"It's an easy option not to play him but he doesn't deserve that. He's had six starts this season and got three goals. As a manager, if I think you are good enough to play then you'll play, and I'll treat you the same as anyone else.

"When it comes to matchday, he's just a normal player. He's deserved his start like anyone else. He's been patient and every time he's come on he's done really well."

"He's a natural goalscorer. He knows where the goal is and has a habit of being in the right place at the right time, You just can't buy that."

CLUB HISTORY

Buckingham Football Club is a football club based in Buckingham, Buckinghamshire, England. Formed by a merger of Buckingham Athletic and Buckingham United in 2023, they are currently members of the Spartan South Midlands League Division One and play at Stratford Fields.

The club was first formed in 1933 as **Buckingham Juniors**, but it was three years before a ground was found, allowing the club to enter the Brackley and District League. When they got their ground, it was originally called Timm's Meadow, before later becoming Stratford Fields. In 1939 the club adopted **Buckingham Athletic FC** as its name. It then took the club 27 years to win its first trophy when in 1960–61 they won their first trophy, the North Bucks League Shield.

In 1965 they applied and was accepted to the Hellenic League where they played in Division 1 finishing a creditable mid-table position in their first season but also won the Berks & Bucks FA Junior Cup. Their success continued and in 68/69 was promoted to the Premier Division after finishing Division runners-up.

The late 60's brought about some good success for the whole club with the Youth, Reserve and First teams all picking up trophies with the First winning the Buckinghamshire Senior Cup for the first time.

After a steady decline in fortunes in 78/79 the club returned to the North Bucks League and it wasn't until the mid-80's that further success was achieved.

This was the start of a successful period for the club and after winning the North Bucks Premier League title they moved to the South Midlands Division 1 in 1985 winning the league at their first attempt, losing only 3 games throughout the season.

However, success came too quickly, and the ground facilities were not ready for promotion to the Premier Division so they had to remain in Division 1.

The following season they were once again knocking on the door of the Premier League as they finished runners-up but a last minute hold up on planning permission once again stalled promotion. However, promotion was achieved the following year when they did the league and cup double and with correct ground grading in place the club was promoted to the Premier League for the first time.

Throughout the 90's all the teams in the club consistently won trophies

Club History continued

although the highest the first team achieved in the Premier League was in 97 when they finished 5th.

The late 90's the club struggled financially, and they made a very difficult decision to drop out of the top flight and they were placed back in Division 2. A level of stability was brought about the club and in 2003 they were promoted back to Division 1.

Once again ground grading held the club back as in 2004 they finished runners-up in Division 1 and promotion back to the Premier league was denied.

Since 05/06 a huge amount of work has taken place to upgrade the clubhouse and football facilities but unfortunately success on the field has been sparse.

In 2023 Buckingham Athletic started talks with Buckingham United to bring the two clubs together with the sole purpose of having one senior football team in the town.

Buckingham United FC were formed in 2011 with the sole aim of providing local grassroots football. This began as a single Sunday side playing in Deanshanger due to a lack of local facilities. After the first season the club moved to Tingewick but it was not until 2016 when the club finally moved into Buckingham to the new Lace Hill Sports and Community Centre. The club joined the North Bucks and District League before joining the South Midlands League Division Two in 2019. Here the club grew quickly providing grassroots football across various levels and abilities which peaked with eight teams by 2021, this included Saturday First and Reserves, Sunday League A & B sides, Veterans, Ladies along with an Under 21s and Under 18s.

The club reached many cup finals across the teams including winning the North Bucks and District League Division One shield in 2018. In the final season under Buckingham United the ladies side really gave the club a wonderful finally winning the Northants Premier Division Title and League Cup double.

As a result of many meetings between the clubs, both Buckingham Athletic & Buckingham United formally agreed to pass the motion to combine both clubs, creating Buckingham Football Club, which now has one of the largest offerings of adult football in the region with a structured youth pathway with our strategic partners Moretonville Junior FC.

This is not an end to Buckingham Athletic or Buckingham United, this is very much a continuation in the story of these clubs and football within the town. The history of which won't be forgotten.

The ultimate aim of combining the clubs is to provide the town with a sustainable non-league football club by sharing resources, passionate volunteers, and great sporting facilities. A club with the aim of pushing up the pyramid while also providing structured football for the community, maintaining the fun and enjoyment of the game that everyone loves.

FROM THE CHAIRMAN

Good afternoon all,

Welcome back to Stratford Fields for the first time in 2025.

Just the one fixture so far for us this calendar year, an incredibly comprehensive 2-0 away win at highly placed Cranfield United.

That win backed up another win on the road, and clean sheet to boot, when we were victorious at Leighton Town Reserves between Christmas and new year.

Safe to say the first team are in good form at the moment,

but that needs to continue if we wish to cement our position in the middle of the table and move forward from there in the second half of the league campaign.

Last Saturday with the postponements all round, we organised a senior section 6 a side tournament between the first team, u23 side and the Saturday A lads. What a day we had, 60 players, all managers and coaches, club media team, supporters and committee all together for the football and social element - not sure many clubs could pull that off, but we must use it to our advantage and continue to operate in this manner to make the most of the clubs potential!

Onto today, the start of back to back games against Rothwell Corinthians. Very much an unknown opponent, who will be looking to build on their good win against Long Buckby last time out.

A league double is of course the target, but I am sure they will have their sights on the same targets.

We have to work hard, do the basics right and take our chances as they come.

Something our lads are very capable of, just need to do on a consistent basis now.

Squad wise, we should have everyone available. Yousef Karim is working his way back from long term injury, the 16 players selected for the last two matches are all available and we have the option to dive into our U23 squad this weekend if required.

We are working on a couple of additional signings, let's see what happens!

Either way, nothing will be published to the wider football world as there are too many sharks feeding in the same waters!

Enjoy the game, see you in the bar.

CLUB LIFE

Supporting Our Social Events

Are you aware that we are still holding regular social events at the club and although all have been well attended there have been tickets to spare.

Last year we had tribute acts for Adele, Fleetwood Mac, and Tom Jones which were all well received by those attending. This year we have already booked Gary Barlow and Whitney Houston.

Along with that we have a very popular Disco Bingo event which we try to hold every couple of months, although a free event entry is by ticket due to its popularity.

If you are interested in any of our social evenings then you can buy tickets online at our [ticket store](#). Go to our Web page and follow the links.

We also host the brilliant and entertaining “Buckingham Live Sessions” formerly the Buckingham Acoustic Club. It’s a great environment for all kinds of talent to take the stage. It’s also a great opportunity for folks to come along and enjoy the entertainment on offer.
