Reservations and Standby

Reservations for Lap Swim, Recreation Swim, Open Swim, and Water Fitness are strongly encouraged. Reservations help ensure a safe, organized, and enjoyable experience for all guests by allowing staff to effectively manage program capacity, maintain appropriate swimmer-to-lifeguard ratios, and prevent overcrowding.

Guests with a reservation are guaranteed admission during their selected session. Individuals without a reservation may utilize the standby option; however, standby does not guarantee entry. If a guest with a reservation has not checked in within the first 10 minutes of their scheduled session, their reservation may be forfeited and the available space may be offered to a standby guest on a first-come, first-served basis after payment has been received, provided the maximum program capacity has not been reached.

Registered participants who cannot make a lap swim session do not need to notify the Aquatic Center.

LAP SWIM

Ages: 16+ | Min: 5 | Max: 60

Adult lane swimming is scheduled for 55-minute sessions. Maximum of 6 people per lane.

Lap Swim Etiquette

Shared lane space is available during Lap Swim. When selecting a lane, please choose one with swimmers whose pace is similar to your intended speed. Before entering an occupied lane, communicate with the swimmer(s) already using the lane to let them know you will be joining them.

When two swimmers are sharing a lane, they may split the lane by each using one side. When three or more swimmers are in a lane, all swimmers must use the designated circle-swimming pattern, staying to the right side of the lane. Each lane may accommodate up to six swimmers. Practicing good lane etiquette, including passing only when safe, allowing faster swimmers to pass at the wall, and being courteous to fellow swimmers, helps create a safe and enjoyable experience for everyone.

Final Swim Session

For guests participating during the final public swim session of the day, a **15-minute grace period** will be provided after the swim session ends. Once the grace period has concluded, the facility will close, and all guests will be required to exit the premises. The dates and times of this program vary; please scan the Lap Swim QR code for available times for reservations.
