

The background of the entire cover is a vibrant, repeating pattern of stylized leaves and flowers in shades of orange, pink, green, and blue. The central part of the cover is divided into three horizontal panels, each showcasing different home and gift items. The top panel features a large, abstract, brown and black patterned artwork. The middle panel displays a collection of framed and unframed items, including a large abstract piece, a small framed picture of a palm tree, and several patterned boxes. The bottom panel shows a large abstract piece, a framed picture of a pink flamingo, and a framed picture of a blue and white bird.

candlesticks: resin & brass

Our candlesticks are handcrafted by artisans in northern India from resin and feature brass accents. The tortoiseshell pattern is mixed one piece at a time, so that each and every item is distinct. Due to their handmade nature, these candlesticks and holder may exhibit slight irregularities in color, finish, or design. Please pardon these differences, as each piece is its own unique work of art. Paired with our crown candles, they make the perfect gift or complement to the table when entertaining with Caspari.

(CAN) Candlesticks small - 7" (18cm) height x 4" (10cm) diameter. Candlesticks large - 10" (25.5cm) height x 4" (10cm) diameter.

Cylinder Candle Holder - 2.5" (6cm) height x 2.5" (6cm) diameter

4 candlesticks per box. Minimum order: 1 box of 4. Each individual candlestick is packaged in a cotton bag with a Caspari logo.

To clean, wipe with damp cloth and dry with soft cloth.

**Caspari candlesticks made with brass components contain a small, but detectable, amount of lead to aid in machinability. Lead is absorbed into the body by consuming or breathing dust from lead bearing compounds. Washing your hands after handling any product with this warning is recommended. We are providing Proposition 65 warning labels to inform consumers that products which include brass components contain chemicals on the State of California's Proposition 65 list. The State of California has clarified that "the fact that a product bears a Proposition 65 warning does not mean by itself that the product is unsafe." The law is a "Right to Know" and does not indicate a product is unsafe if used as intended. For more information, please visit www.p65warnings.ca.gov.

WARNING This product can expose you to chemicals including lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

wine goblets

Inspired by antique Georgian rummer glasses, these wine goblets feature generous faceted bowls and an elegant square base. In 18th and 19th century England, the term "rummer" was given to a drinking glass for wine with a wide bowl and short stem joined to a circular or square foot. The glasses were not designed for serving rum as the name implies; rather, "rummer" is an adaptation of the German word Römer, which refers to glasses used for white wine from the Rhine region.
