*"I wanted to make a connection
between medicine and beauty,
between science and the cosmetic world"*

— Jacques Courtin-Clarins

At Kappa Senses Ubud, wellness is expressed through balance, intention, and authenticity.

Reborn with Clarins: Radiance Retreat is a refined wellness journey inspired by Clarins' expertise in plant-based beauty rituals and the calming rhythms of Ubud's natural surroundings.

This thoughtfully designed escape supports skin vitality, relaxation, and overall well-being through personalized Clarins treatments, mindful movement, and nourishing cuisine. Set within a serene sanctuary of nature, guests are invited to slow down, reconnect, and embrace a renewed sense of radiance.

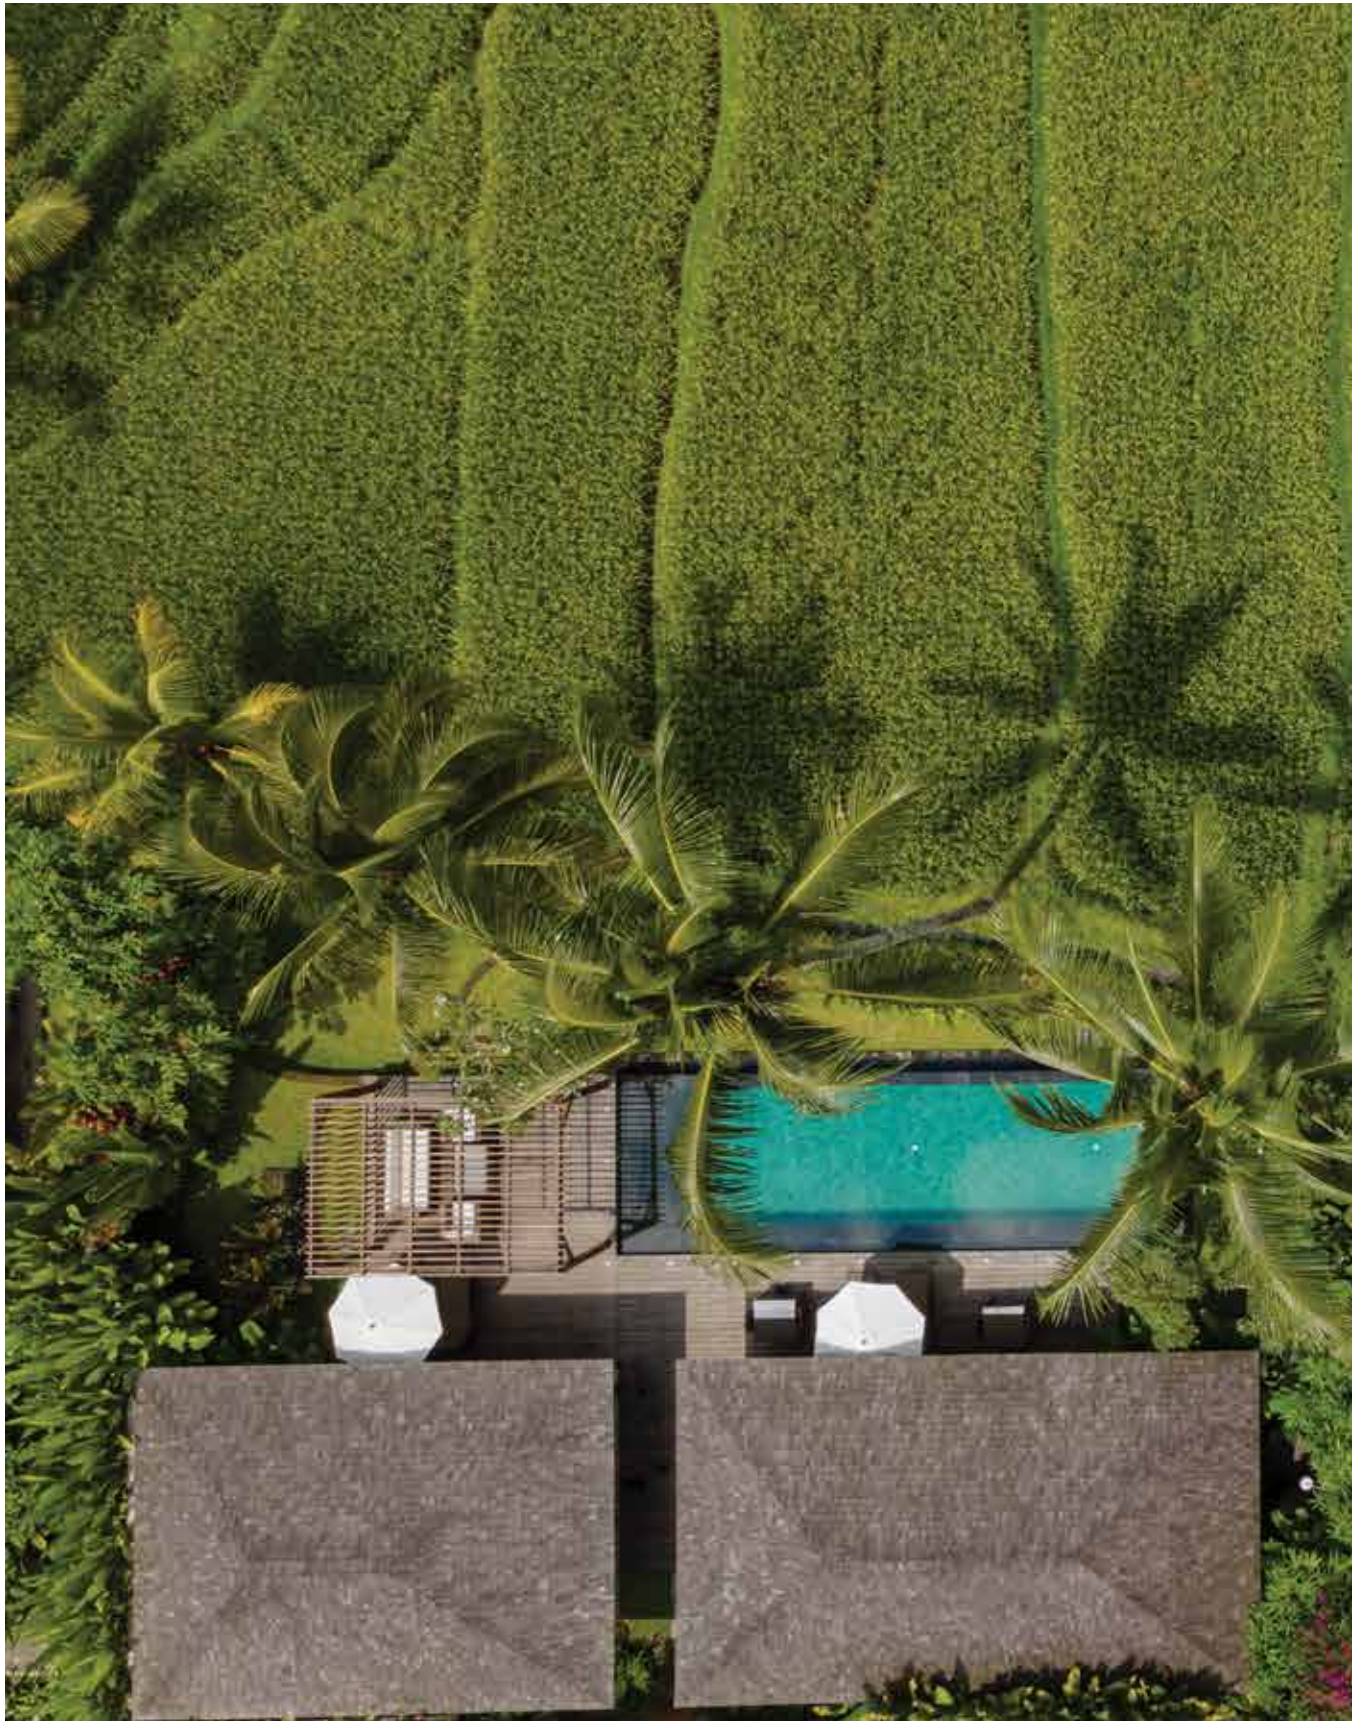

A graceful retreat where beauty is nurtured, naturally.
