A meeting with a girl and her brother

Let's go on an adventure
in the woods together.

**My older brother discovered
a magical tree.**

**My older brother got the
urge to pick the fruit.**

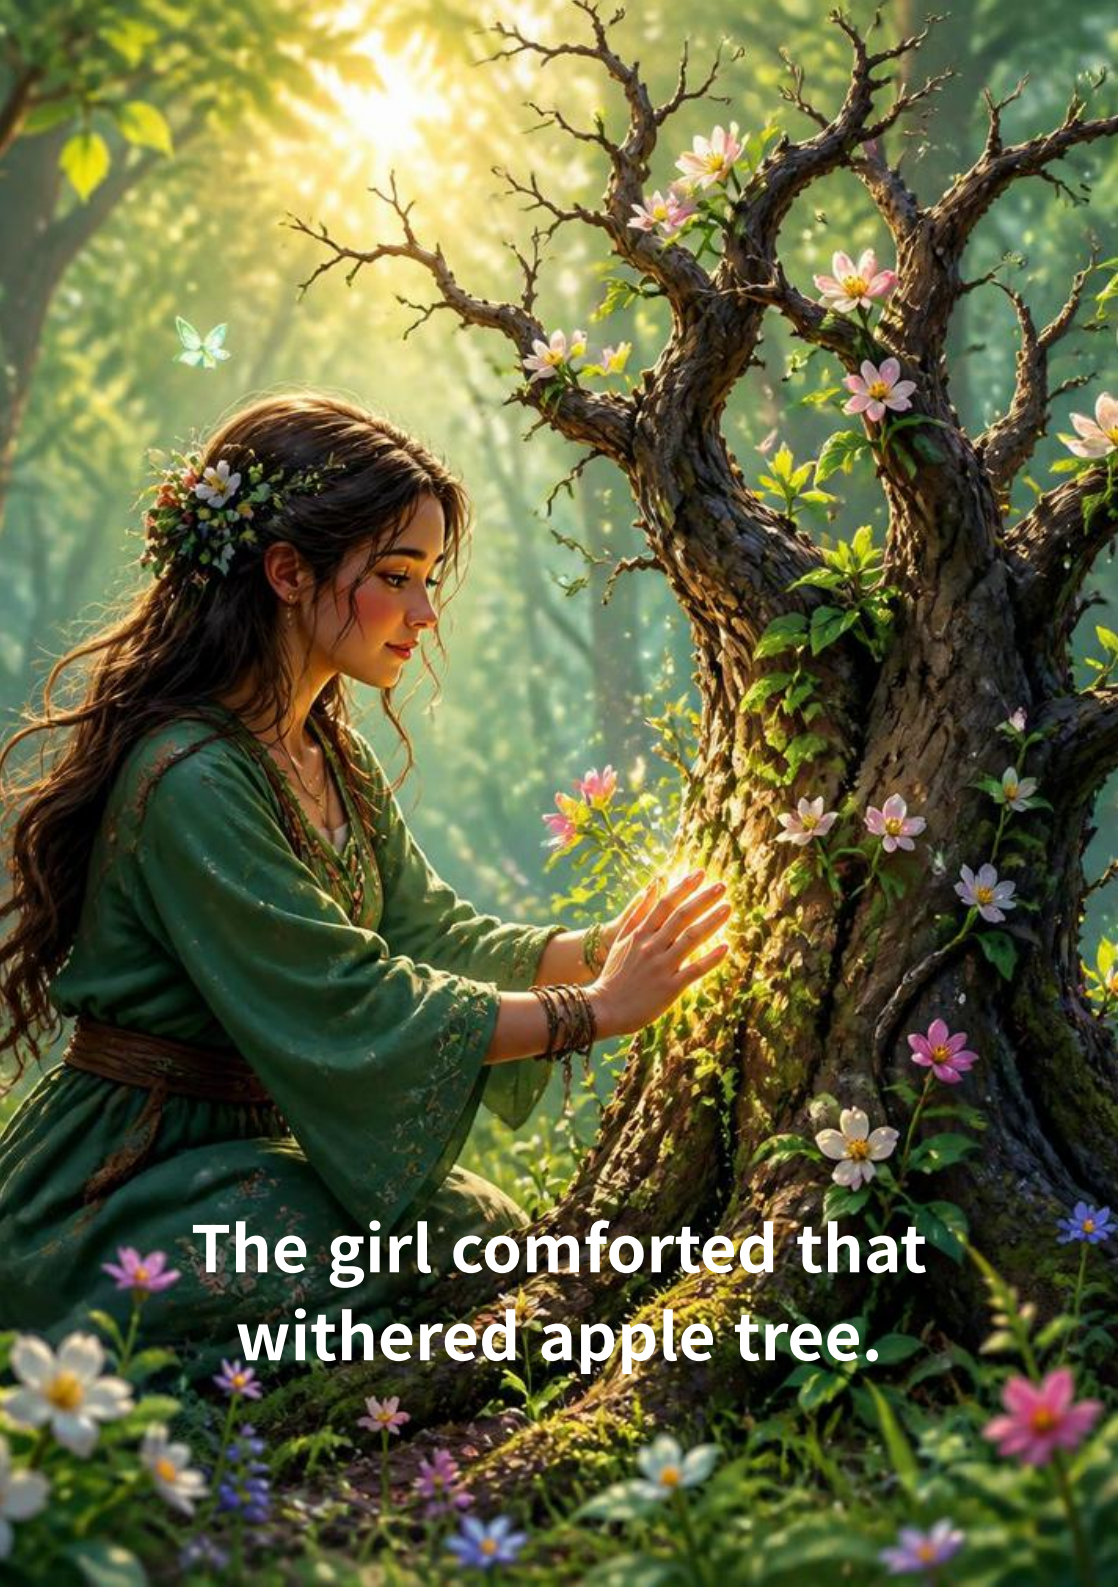

**Then the apple tree
withered.**

A young girl with long brown hair tied with a pink bow stands in a magical forest. She is wearing a white, long-sleeved dress with a ruffled hem and dark boots. She is looking up at a large, gnarled tree with thick branches. The tree has several red apples hanging from its branches. Pink petals are falling from the tree and are scattered on the ground. The background is a misty, sunlit forest with soft light rays filtering through the trees.

A litter while later,
the girl arrived.

**The girl comforted that
withered apple tree.**

When the girl comforted
the apple tree, it grow again.

The girl and her older brother
pick the fruit and shared it
between them.
