

Course Portfolio

About us

CTR Care Training Ltd is an award winning training company with an extensive portfolio of care training courses that meet the Health and Social Care core qualification learning outcomes.

CTR Care Training Ltd prides itself on delivering relaxed, informal training which stimulates the learner. Our unique style of delivery has become one of our leading attributes!

CTR Care Training Ltd is authorised and regulated by Qualifications Network UK (QNUK) and is an active member of the Association of Healthcare Trainers (AoHT)

We predominantly cover the whole of South/West Wales, but distance is no problem.

We are now offering VIRTUAL training that enables individuals and organisations to continue providing essential training, safely.

Winner – Best Care Training Company – South Wales

New Course

CTR Care Training Ltd are proud to announce that we now offer the following training packages:

Mental Health First Aid for Adults

Mental Health First Aid for Youth

Mental Health Awareness

At present, these courses are currently being offered via Virtual Learning.

If you or your organisation is looking to up skill and gain further knowledge in understanding mental health and learn what to do in managing a mental health crisis, get in touch to discuss booking this course.

These courses are run in partnership with **MHFA Wales**, a charity set up to improve the lives of adults and young people living with mental illness in Wales.
