IKE & BABE GOLF COURSES

U.S. Open Qualifying tournaments and LPGA tour events

Designed by both William F. Bell and Casey O'Callaghan, locals and fans affectionately call this golf course "Ike". Because it attracts golfers from around the world, it is fitting that this 18-hole, classic par 72 course be named for a popular world leader who also happened to love the game. It stretches 5,662 yards from the forward tees to 7,211 yards from the championship tees, with slope ratings from 130 to 145. It's no wonder that the "Ike" has been the proud host of many U.S. Open Qualifying tournaments as well as LPGA tour events.

This 18-hole course is named for Babe Didrikson Zaharias, one of America's most decorated all-around athletes. Today, the "Babe" welcomes players of every skill level. Designers William F. Bell & Casey O'Callaghan designed the Zaharias course to be intentionally narrow and long, maximizing the expansive acreage of the hilltop resort. It ranges from 5,363 yards from the forward tees, to 6,821 yards from the championship tees. This par 71 features slope ratings ranging from 126 to 138, making the course worthy of the great athlete for which it is named.
