Welcome to THE GBS STADIUM

Thurlow Nunn League
EASTERN COUNTIES FOOTBALL LEAGUE

JOE GARNHAM
Co-Chairman

Good afternoon everyone, and a warm welcome to the GBS Stadium for today's fixture against Downham Town.

Firstly, I would like to welcome the players, management, committee and supporters of Downham Town. I hope you all enjoy your visit to Ipswich and, of course, wish you a safe journey home afterwards.

It was great to see the lads pick up an excellent 3-0 victory against Heacham last weekend. A clean sheet, three goals and three valuable points is exactly what we want to see. Hopefully, we can build on that performance this afternoon and start putting together a consistent run of results. There's plenty to play for this season, and we want to keep ourselves in the mix as we head towards the busy winter period.

However, we certainly can't afford to take anything for granted this afternoon. Downham suffered a heavy defeat in midweek, and we need to be cautious because teams often produce a reaction after a result like that. I'm sure they'll arrive here determined to put things right, so it's important that we approach the game with the right attitude, show them respect and concentrate on our own performance. There are no easy games in this league, and we will have to earn anything we get today.

Unfortunately, we have also lost Ben Wyss to a bad injury, which is a real blow for both Ben and the team. He will be sorely missed, and I would personally like to wish him all the very best for a full and speedy recovery. I'm sure everyone associated with Ipswich Wanderers will join me in wishing Ben well, and we look forward to seeing him back in a Wanderers shirt as soon as possible.

It was also fantastic to get along and watch our Under-18s on Tuesday evening. I was really impressed with what I saw, and it's clear that we have some excellent young talent coming through the club. The future certainly looks very bright for Ipswich Wanderers, and it's great to see the hard work being put in at youth level.

As we continue through the season, it's important that we keep pushing forward, both on and off the pitch. There is still plenty of football to be played, and I'm confident that if we continue working hard and sticking together, we can make this a successful season for everyone involved with Ipswich Wanderers.

Running a football club at this level is never straightforward. There are always challenges along the way, but what makes this club special is the people behind it. From the management and players to the committee, volunteers, sponsors and supporters, everyone has a part to play.

Off the pitch, we continue to work hard to improve the club and build something we can all be proud of. We have made some fantastic progress over recent seasons, but there is still plenty more we want to achieve. Our ambition remains to keep moving Ipswich Wanderers forward and make the GBS Stadium a place where people enjoy spending their Saturday afternoons.

I would also like to say a huge thank you to our sponsors and commercial partners. Their continued support makes a massive difference, and without them, many of the improvements we have made simply wouldn't be possible.

To our loyal supporters, thank you once again for getting behind the team. Your encouragement really does make a difference, particularly during those difficult spells in games. Let's make plenty of noise today and give the lads that extra bit of support.

Finally, a special mention to all our volunteers who work tirelessly behind the scenes. So much goes on that people never see, and your efforts certainly don't go unnoticed.

Enjoy the game, everyone. Hopefully, we can finish the afternoon with another three points!

Joe Garnham, IWFC Co-Chairman

IPSWICH WANDERERS CLUB HISTORY

1980 The Club started as an under 14's boys team in 1980. Two yrs later they entered the lowest division of the Ipswich Sunday League.

1987 Joined the newly formed Eastern Counties Division One sponsored by Jewsons in 1987 as founder members.

1994 Home games were played at our present ground at Humber Doucy Lane, under the name of Loadwell Ipswich. Jimmy Barker became a very influential chairman and he negotiated a name change to Lancaster Ipswich FC before we eventually became Ipswich Wanderers. Jimmy died in November 1994 and his presence is sadly missed. Thankfully after all his work he saw the floodlights switched on in September 1994 in a match against Ipswich Town.

Great ground improvements were made in the early years under the direction of Development Officer Roger Woshalo and ground Manager Tim Davey.

1996-97 A losing Suffolk Senior Cup appearance in 1996/97 lead to the following season becoming Champions of Division One, under the Chairmanship of Alan Haste, nine points clear of Maldon Town and losing only three league matches all season. Reaping the rewards of a successful youth policy which saw numerous trophies filling the clubhouse cabinet, a well organised side with a good balance between youth and experience saw us establish ourselves as a Premier Division side for a number of seasons until we suffered relegation on the last day of the 2002/3 season at Wisbech.

2005-06 The following season saw Jason Dozzell join the Club as Manager and after a midtable finish in his first campaign, the second season saw the Club sweep to the 1st Division title and with the assistance of Kevin Cunningham and Glynn Hague, the team finished 7th in the Premier Division in 2005/6, with the League's second best defence with home crowds on average exceeding 100.

2006-07 At the end of the 2005/6 Jason Dozzell and Chairman David Bugg left. Local businessman Ed Nicholls became Chairman and John Clarkson was appointed Manager having arrived with a reputation from the West Country. During the season he guided the club to the final of the Ridgeons League Cup, the 5th round of the FA Vase and a Suffolk Premier Cup Semi Final against Ipswich Town.

2007-08 At the end of the campaign John left the Club and with an exodus of players, the Club appointed ex player Louis Newman to the role, Louis built a young, inexperienced squad and after a poor start to the campaign which included some record defeats, was replaced by another former player Steve Buckle who was brought in to rebuild the squad and hopefully retain the Clubs's premier status. Unfortunately Steve was unable to prevent relegation and the only positive from the season was the Reserves capture of the Chell Trophy defeating Wroxham.

2011-12 Despite Steve's best efforts over the following few seasons the Club failed to build a promotion push throughout the campaigns and after a poor start to the 2011/12 season, Steve and Assistant Paul Grainger parted company with the Club. New chairman Terry Fenwick appointed Glenn Read and he brought in his own players and former Stowmarket Town boss Steve Jay as his assistant. He quickly revamped the squad and had the Club climbing the table before the end of the season.

2012-13 The 2012/3 season saw the Club just fail to clinch promotion to the Premier Division and lose on penalties in the semi final in the First Division Cup. The season did finish on a high as the Club clinched its first ever Suffolk Senior Cup trophy defeating local rivals Whitton United in the final. It was a remarkable victory coming from a goal down in normal time and then from 3-0 down in the penalty shoot out.

2013-14 2013/14 saw promotion achieved with two long unbeaten runs ensuring a return to the Premier Division, we also lost a tight Senior Cup final against Whitton United and set a new club record with a 12-1 win over Downham Town.

2014-15 The 2014/15 was mixed as we adapted to Premier Division and finished 9th and enjoyed a good run in the FA Vase but off field the club lost one of its driving forces Roger Wosahlo mid-season.

2015-16 In 2015-16 we defeated Canvey Island in the FA Cup and enjoy our best ever FA Vase run but with a heavy fixture backlog, relegation fears were only ended just before the season end. Glenn stepped down at the end of the season and for 2016-17 the Club appointed Shane Wardley as Player/Manager.

2017-18 Shane's first season saw us almost emulate our highest ever position, however, after a poor start to the 2017-18 season Shane resigned and following a disastrous spell under Mark Benterman, club legend Mark Goldfinch took over the side ably assisted by James Buckle and Daniel Thrower. Unfortunately, relegation could not be avoided and in 2018-19 we consolidated and lost in the Senior Cup Semi Final to Cornard.

2019-20 In 2019-20 with Stephen Boyle taking over as Chairman, we rebuilt and after a sticky spell in October we were closing in on the promotion pack and reached a Semi Final of the Suffolk Senior Cup before the season came to an abrupt end. With further additions on field and some good improvements off field under Stephen's leadership, we then looked to gain the vital promotion required for us to take the next steps forward with a good squad. The start to the next season was positive and a second Senior Cup trophy was clinched in the delayed final with a single strike from Connor Field clinching the trophy.

2021-22 After a couple of Covid-19 disrupted and curtailed seasons, for the 2021/22 season Wanderers went into action in the Thurlow Nunn First Division South. With what became a tight run affair and particular rivalry with Buckhurst Hill also aiming for the title, it went almost to the wire, Wanderers finally having the upper hand, and lifting the trophy with a goal 10 seconds from time in the final home game. With the final of the Suffolk Senior Cup to follow, we finished the season with 26 straight wins, and a well deserved double of league and cup was won!

2022-23 The following season started with four cup fixtures in the opening 7 games, and a haul of just 3 points from the first 5 league games meant Wanderers were already playing catch up when our league campaign really got going. A run of 6 wins in an 8 game unbeaten run helped to move us up the table before another rare defeat. More wins followed until in January, we visited top of the table Thetford, which ended in a 1-2 defeat. After this, Wanderers embarked on another 17-game winning run to the end of the season, including coming from behind to avenge the result against Thetford, going above them and ultimately become Thurlow Nunn Premier winners - back to back champions - and into Step 4 football for the first time in the club's history.

2023-24 The 2023/24 season, the first for the club in the Isthmian League North came with added pressure - both on and off the pitch. A poor start to the season on the pitch brought a change in September, with the departure of Mark Goldfinch & James Buckle. Glen Driver came in as manager, with the task of keeping the club clear of relegation. Off the pitch was a mammoth job with a huge amount of work needed to pass the ground grading requirements to stay at this level. The inspection in April brought a great deal of relief, and along with the efforts of Glen and his team on the pitch, meant the aims for the season were achieved.

2024-26 The following season saw us suffer relegation a poor run of results saw Glen Driver resign and Michael Brothers come in but whilst results improved we couldn't stay up. Last season saw a bright start under Michael Brothers but results stagnated and following his departure Jack Wignall steadied the ship before the club were delighted to welcome back Mark Goldfinch and James Buckle who masterminded a long unbeaten run which narrowly failed to reach the playoffs. Optimism is high as we enter 26-27 looking for a positive campaign off the back of those results.

VIEW FROM JOINT 1st TEAM BOSS

Good afternoon everyone, and welcome to the Doucy for today's league encounter against Downham Town FC.

Firstly, I'd like to extend a warm welcome to all the players, management, committee members and supporters travelling over from Downham Town. We hope you enjoy your afternoon with us and have a safe journey home afterwards.

With no midweek fixture, there is only one result to look back on.

Last weekend, we welcomed Heacham to the Doucy and came away with an excellent 3-0 victory, recording our third consecutive league clean sheet in the process.

From the first whistle, the lads were excellent. We started on the front foot, controlled the game well and never looked in any real danger of conceding. We got the goal our performance deserved just before half-time, and the second half followed in much the same way.

Two further goals secured a convincing win and another three points. The defensive work from the whole team has been particularly pleasing, and we need to keep building on that.

Unfortunately, there was also some bad news. During the game, Ben Wyss suffered a freak injury which resulted in a fractured arm and torn ligaments.

It's a real blow for Ben and for the squad, and we're all gutted for him. We'll be right behind him throughout his recovery and wish him a speedy return. We look forward to seeing him back around the lads soon.

We know we'll have to be at our best against a good Downham Town side today. The aim is to show the same attitude, work rate and togetherness that have served us so well recently.

As always, thank you for your fantastic support. It really does make a difference to the players and staff.

Enjoy the game.

CLUB HISTORY

Downham Town are one of the oldest Clubs in Norfolk, formed in 1881. The Club played junior football, mainly in the King's Lynn area, until after the second world war.

The Saints as the Club were then known were elected to the Premier Division of the Peterborough League in the 1949/50 season and took on senior status. Town won a string of honours during their time in the Peterborough League winning the league in 1963,74, 79, 87 and 88 and the Peterborough Senior Cup in 1962, 63 67, 72 and 87 before moving to the newly formed Division One of the Eastern Counties League in 1988. The Club was run by a Committee and selected the teams until they appointed their first manager in 1952. The Manager was the former Tottenham Goalkeeper Percy Hooper, a year later George Heagren moved from King's Lynn to become player coach.

That period was very successful, the Norfolk Senior Cup was won for the first time in 1964 beating Norwich Electricity 3-2, they also beat them in the 1966 final. Downham lost to Horsford Utd. 2-1 in 1968 and to Gorleston 2-1 in the 1969 finals. The last semi-final was against Fakenham in 1999 losing 2-0 at the Memorial Ground. In 1993 David Batch was appointed manager and was the youngest Senior Manager in England. The team also clocked a Jewson Division One record 15-0 victory over Bury. Ricky Martin also finished top scorer with 30 goals.

More recently Paul Neary was appointed as Manager In August 2017 and brought four new players to the Club to complement the large number of loyal local players already with us, we finished the season in tenth place in the league and with a trip to Carrow Road for the Norfolk Senior Cup final narrowly losing to Norwich Utd

In October 2018 P Neary left the club to take a fulltime coaching role at the UEA, Craig Dickson and Dale Stokes were appointed joint managers and took over from Paul and continued the progression we had seen in the previous season finishing 8th in their first season.

The following years were ruined with Covid 19 meaning we had 2 interrupted seasons, during the 19/20 season Downham had been top of the table for a large part of this season and were sitting 3rd in the promotion places when the FA decided that the leagues would be null and void despite the club having played over 75% of our league games, the following season was cut short and the FA decided to use the 2 seasons games to decide promotion and the club lost out on promotion by 1 point

The 21/22 season saw the club again in contention for promotion but sadly we lost the play off final (the first ever play offs in the Thurlow Nunn league) to Harlestone

Season 22/23 saw the club attain promotion to the Thurlow Nunn Premier League and play step 5 football for the first time, we also gained entry to the FA cup for the first time. The promotion was the rewards of several years of progression at the club and we have plans for how we develop and move the club forward over the coming seasons

Season 23/24 saw the club have its best ever season, in our first season at step 5 we finished a creditable 7th after spending most of the season in the play-off positions, we also reached the final the LCC for the first team losing to Harlow Town in the 89th min. The club did win its first trophy in a long time with a very memorable night at Carrow Road when we beat Gorlestone 4-2 in the Norfolk Senior Cup final our run in the senior cup also saw us beat Wroxham 2-1 on their own pitch in the ¼ finals, Sadly Craig Dickson stepped down as Joint Manger of the club after nearly 28 years involvement in the club due to family reasons, Dale Stokes continues as 1st team manager and is Joined by Danny White as assistant with Ryan Charalambous joining as first team coach

And just as we thought it couldn't get much better along comes the 24/25 season where despite not really performing in the cup competitions we were in and around the top of the table from October till the end of the season, the season started poorly losing our first 2 league games and then we seemed to Kick into gear, the top of the table saw several clubs come and go and with 3 games to go we had the championship in our own hands but a draw at Walsham Le Willows meant we could do nothing but watch the

teams at the top play out for comfortable wins in their last 2 games This saw a repeat of the 22/23 season where we entered the play offs with home advantage in the semi final and ran out comfortable winners over Ely City, the second semi final saw Walsham beat Fakenham on their own ground and Downham Had home advantage in the final and after a very tough game where both teams had spells on top we edged out Walsham with a penalty kick in the 75th minute the difference between the 2 teams and history was made again with the club now playing step 4 for the 25/26 season

Season 25/26 saw the club compete in the Isthmian North League at step 4 and although we would ultimately end up being relegated we can be proud of the way we performed at that level against teams who had individual players on more money then the clubs entire playing budget, we drew and lost multiple games in the final stages of the match and a lack of goals was the big difference between teams as there were many games where we were the better team for large parts of the game but the quality in the final third proved decisive, the players can be proud of their performances throughout the season and I can think of only a handful of games where we were outplayed. The club also played in the FA trophy for the first time losing 3-2 at Walthamstowe having been 2-0 up at one stage we lost in the final minute of additional time.

Last season also seen a huge change in our management team with Dale Stokes who had been manager and co-manager over the last 7 seasons taking a coaching opportunity in the USA in Feb 2026, the club will always be grateful of the time end energy Dale put into the club and the progression we made both on and off the pitch, Dale leaves us with our best wishes for his future

The club decided to look ahead to the coming season and to replace Dale we brought back Craig Dickosn who had been co manager with dale for 5 seasons and decided to take time out to spend with his family, Craig was joined in the management team by Duncan McAnally and Simon Bird as we completed the remaining league fixtures. Our management team is made up of experienced ex players who have been around the club for a long time and are well known to the players and club committee.

FOCUS ON THE YOUTH
with Andy Skinner

This has been another fantastic week for our youth programme, with our Under-8s creating memories that will last a lifetime.

The team were invited to play against the **West Ham United Academy**, providing an incredible experience for everyone involved. Our young Wanderers more than held their own, showcasing some outstanding football and making the club proud with their performances.

Back in league action, the **Under-23s** continue their impressive campaign and currently sit second in the table after defeating league leaders **Woodbridge**. They also secured their place in the next rounds of both cup competitions this week with comfortable back-to-back victories over **Stowmarket U23s**.

The youth programme at the club continues to go from strength to strength, and it is a pleasure to see so many young footballers, both boys and girls, enjoying the game while families provide fantastic support from the sidelines each week.

U23 North Fixtures

I would also like to extend a huge thank you to **Ellis Warner**, our student placement, for his excellent organisational work at the **Under-9s tournament** held during half-term. With teams travelling from as far afield as Cambridge to take part, the club has received excellent feedback and praise from all those involved.

There is also some exciting news to share. This week, I agreed with the **ITFC Foundation** that both the Post-16 Boys' and Girls' teams will play all of their home fixtures at **Ipswich Wanderers**. These matches will take place on Wednesday afternoons, and we would love to see as many supporters as possible come along and cheer the teams on. Many of the players involved are part of our own youth setup, and this further strengthens the excellent relationship between **Ipswich Town FC** and **Ipswich Wanderers**.

In addition, we are delighted to confirm that Ipswich Wanderers will also become the home venue for all Suffolk Schools fixtures moving forward, further enhancing the club's role within the local football community.
