Instructor License	
- Verbal only	**$60**
- Math only	**$60**

TSIA 2.0 Courses

Targeted math and verbal instruction for students preparing to meet Texas college-readiness benchmarks

GOAL
Help students maximize TSIA 2.0 scores

TIMELINE
24 hours of instruction and practice per course

Resources

TSIA 2.0 Math Course (172 pages)
- ☐ Student: 13180
- ☐ Instructor: 13181

TSIA 2.0 Verbal Course (114 pages)
- ☐ Student: 13182
- ☐ Instructor: 13183

Available Formats*

Printed Consumables

Student Math	**$30**
Student Verbal	**$25**
Instructor Edition	
- Verbal only	**$130**
- Math only	**$125**

Digital Usage

Student Edition	**$17**
Instructor Edition	
- Verbal only	**$160**
- Math only	**$160**

*** 2 Program Options:**
Printed: Instructor Edition + Student Edition for each student
Digital/Interactive: Instructor License + Usage Fee for each student

College Readiness

IAR and IAR 8/9 Courses and Workshops

Targeted test preparation for above-level testing students who seek to participate in the Baylor TIP Programs

GOAL

Help students maximize their IAR and IAR 8/9 scores and earn Baylor TIP Scholar status

TIMELINE

18+ hours of instruction and practice per course

Resources

IAR Course (192 pages):
- ☐ Student: 13117
- ☐ Instructor Math: 13118M
- ☐ Instructor Verbal: 13118V

IAR 8/9 Course (166 pages):
- ☐ Student: 14117
- ☐ Instructor Math: 14118M
- ☐ Instructor Verbal: 14118V

Workshops (40-60 pages):
- ☐ IAR Student: 13119
- ☐ IAR 8/9 Student: 14119
- ☐ Instructor Math: 13120M
- ☐ Instructor Verbal: 13120V

Available Formats*

Printed Consumables

Student Course	**$30**
Student Workshop	**$15**

- ☐ SAT
- ☐ PSAT

Each level contains:
- ☐ 300 words
- ☐ Definitional activities
- ☐ Contextual activities
- ☐ Accessed at myknowsysonline.com

Available Formats*

Standard Program

Flashcard Box	**$13**
Student Usage	**$2**
Instructor License	
- Per level	**$250**

Interactive Program

Student License	**$5**
Instructor License	
- Per level	**$250**

*** 2 Program Options:**
Printed: Instructor Edition + Student Edition for each student
Digital/Interactive: Instructor License + Usage Fee or License for each student

Supplemental Resources

Math Warm-Ups

Short daily SAT- and ACT-style math practice for middle and high school classrooms

GOAL

Help students master SAT- and ACT-level mathematics while improving math SAT, PSAT, TSIA, and ACT scores.

TIMELINE

3-5 minutes/day

Resources

☐ **Basic Math:** 13154
- 150 Pre-Algebra questions

☐ **Advanced Math:** 13152
- 50 Pre-Algebra, 50 Geometry, & 50 Algebra questions

Available Formats*

Printed Consumables

Student Edition	**$12**
Instructor Edition	**$40**

Digital Usage

Student Usage	**$2**
Instructor License	**$60**

Grammar Curriculum & Warm-Ups

A three-level grammar curriculum for middle and high school students:
Foundations, Intermediate, & Advanced

GOAL

Develop systematic mastery of English grammar and improve verbal SAT, PSAT, TSIA, and ACT scores

TIMELINE

18+ hours of instruction (course)
3-5 minutes/day (warm-ups)

Resources

Grammar Courses
Indicate level
☐ Student: 16001
☐ Instructor: 16002

Grammar Warm-Ups
Indicate level
☐ Student: 16031
☐ Instructor: 16032

Available Formats*

Printed Consumables

Student Course	**$30**
Student Warm-Ups	**$12**
Instructor	
- Course	**$130**
- Warm-Ups	**$40**

Digital Usage

Course Usage	**$17**
Warm-Ups Usage	**$2**
Instructor License	
- Course	**$150**
- Warm-Ups	**$60**

Professional Development

On-site or online training that equips educators to implement Knowsys programs effectively

To arrange your professional development dates or request a pricing quote, please contact our team directly:

info@myknowsys.com | 214-418-8262

Delivery Methods

On-Site Training

Full Day	**$2800**
Half Day	**$1500**

*Plus Travel fees

Online Training

Full Day	**$2000**
Half Day	**$1200**

***MINIMUM ORDER QUANTITIES APPLY**

Two Formats: 1) Printed = Instructor Edition + Student Edition per student; 2) Digital = Instructor License + Student Usage/License per student.

Minimum Quantities: Initial orders require a minimum of 25 students, regardless of format. Instructor Editions/Licenses cannot be purchased separately and are limited to 2 per 25 students. Additional orders during the same school year are exempt from the 25-student minimum; instructor limits still apply. Exceptions may be made based on actual class enrollment.

PLEASE NOTE

No returns or refunds. Printed materials are made to order.

Instructor Editions: Single-subject (Math or Verbal), unless otherwise stated.

Shipping and handling: 10% of materials (minimum $22 per shipment). No shipping charges for professional development. Expedited orders may incur additional fees. **FREE SHIPPING:** 150+ per title per P.O.
