Tanzania: Land of the Maasai

Arusha is a vibrant city located in northern Tanzania, nestled at the base of Mount Meru, the second-highest peak in the country.

Culturally, Arusha is a melting pot of diverse ethnic groups, including the Maasai, Meru, and Chaga peoples, among others. This diversity is reflected in the city's vibrant markets, colourful festivals, and local cuisine, which offers a blend of traditional African flavors with influences from Indian, Arab, and European cuisines.

Day 1
Arrival

Touch down in Tanzania! You're arriving in the shadow of Mount Kilimanjaro - the highest peak in Africa and from the moment the plane doors open, you'll feel it. You're stepping into a world of vast savannahs, towering mountains, and incredible wildlife, where the warmth from the Tanzanian people that hits you before you've even collected your luggage.

After being welcomed at the airport by your group mentor, travel through rolling hills and vibrant villages to Arusha - your home for the first stretch of the adventure. As the evening sets in, gather for your Welcome Dinner, sharing stories and your first taste of Tanzanian cuisine. Tomorrow, the real adventure begins.

Week 1

Days 2-3
Program & Cultural Orientation

The first couple of days are about building confidence, connection and excitement. You'll dive into Tanzanian culture and language, get to know our Hub team supporting you throughout your challenge, learn more about the communities you'll be working alongside and how your program contributes to long-term development projects. This is where the real impact of your journey begins to take shape!

Days 4-7
Arusha

Spend four immersive days embedded in the local community, contributing your skills, knowledge and passions to our long-term health promotion initiatives. With dedicated time to plan as a team, we'll help to make sure you're ready to contribute in a meaningful way - learning just as much from the community as you share. This hands-on experience builds confidence, uncovers new strengths, and leaves a lasting, sustainable impact.

Beyond your workshops, wander through Maasai markets, where centuries of tribal tradition meet daily life in the most vivid way. You'll feel the rhythm of Tanzania in a drumming workshop and learn to cook traditional dishes.

Potential workshop topics:
Mental, Social & Emotional Wellbeing (confidence, leadership, teamwork), Nutrition, Healthy Lifestyles, Hygiene & Sanitation, First Aid & Safety, Non-Communicable Diseases, Reproductive & Women's Health.
